Cale Bushman, Interim Superintendent of Schools

Good afternoon, Wausau School District Community:

We sure hope you're continuing to have a wonderful summer so far!

We are just reaching out to let you know that our Elementary Facility Plan Citizen Task Force met for the second time on July 10, 2024. As another reminder, this is part of the Wausau School District/Board's process to create a long-range elementary school facilities plan. That plan will focus, in particular, on whether the number of elementary schools in the Wausau School District should be reduced and if so, then how, where, and when.

Facilitating the process is Mark Roffers from MDRoffers Consulting, LLC – a school facility planning, projections, and facility planning firm.

To ensure transparency throughout this entire process, we want you to know what's happening in those task force meetings. To help, we've created a webpage dedicated to the work of the task force. [Click here](#) to access it. At the bottom of the page, you'll find agendas, meeting summaries, and materials from each meeting. As you'll see, the meeting on July 10 was really about learning our community and understanding the projections, as well as getting to know our 13 elementary schools, and understanding Early Childhood and 4K in the Wausau School District.

The task force will meet again on August 21 at 5:30 p.m. at the Longfellow Administration Center.

At the conclusion of their work, the task force will prepare and present a report summarizing their findings and advisory recommendations to the School Board. Any final decisions will come from the Wausau School Board as the task force is advisory only.

In the meantime, we sure hope you and your students are having a wonderful summer! Thank you for your partnership!

Cale Bushman, Interim Superintendent
