

“Toward a Civil Discourse”
by Sharon Crowley

This book examines how, in the current political climate, Americans find it difficult to discuss civic issues frankly and openly with one another. Through a review of historic rhetoric and its modern application, Crowley provides a foundation for a more democratic discussion of civic issues.

“Politically Divided: A How-to Healing Workbook for Families, Friends and Couples”
by Mitch Del Monico

“No matter where along that red-blue divide you find yourself, disagreeing with someone politically can wear you down at the same time as it opens up possibilities for "enlightenment." But if you're not there yet--and most of us aren't--this workbook helps you remember that life is short and the person you love isn't the enemy."-- Provided by publisher.

“I Never Thought of it That Way”
By Monica Guzman

“Partisanship is up, trust is down, and our social media feeds make us sure we're right and everyone else is ignorant (or worse). In this timely, personal guide, Mónica, the chief storyteller for the national cross-partisan depolarization organization Braver Angels, takes you to the real front lines of a crisis that threatens to grind America to a halt--broken conversations among confounded people. She shows you how to overcome the fear and certainty that surround us to finally do what only seems impossible: understand and even learn from people in your life whose whole worldview is different from or even opposed to yours." -- Provided by publisher.

“Beyond Your Bubble”
By Tania Israel

"This practical, politically neutral book offers concrete skills for holding meaningful conversations that cut across today's intense political divide, showing readers how to connect to the people in their lives. Political polarization is at an all-time high, and the consequences for our personal relationships are significant. Many people have friends and family members with whom they feel they can no longer communicate because of their extreme political views. In this book, psychologist Tania Israel presents her program for helping people have meaningful, constructive conversations with those they disagree with politically"-- Provided by publisher.

“Minds Wide Shut: How the New Fundamentalisms Divide Us”
by Gary Saul Morson and Morton Schapiro

“In Minds Wide Shut, Morson and Schapiro examine how rigid adherence to ideological thinking has altered politics, economics, religion, and literature in ways that are mutually reinforcing and antithetical to the open-mindedness and readiness to compromise that animate democracy. In response, they propose alternatives that would again make serious dialogue possible.” -- Provided by publisher.
