Last REMINDER for JUNIORS...

Recommendation Letters, Essay-Writing, and our
Summer Workshop!

Before the end of the school year, each of our juniors successfully secured teacher letters of recommendation to accompany their college applications.

*Now that teachers have agreed to write the letters of recommendation, the College Counselors will do **all** follow-up to ensure its completion before the first application deadline.*

In May, the college counselors spent two days with each junior-level English class to begin the discussion around the personal statement (college essay) and supplemental essay questions. Students are encouraged to share their writing with their counselor, and we are excited for the Class of 2025 to begin thinking about the meaningful and creative ways they can express themselves through writing. Unlike other portions of the admissions process, writing is something our students have *full* control over: it's a time and space for students to share their voices.

This August, College Counseling will host its mandatory August Workshop sessions for the Class of 2025. Throughout the early part of August, current juniors/rising seniors will attend a one-on-one scheduled appointment (virtual or in-person) with their college counselor to better understand Bullis School's college application process, complete the bulk of their Common Application, and navigate some back-end technology work to allow for seamless document submission. **[This meeting is mandatory](#)**. Stay tuned for an email from college counseling to sign up for a timeslot.

SUMMER TIME!

Colleges and Universities around the country offer summer programs for high school students. This is one of many constructive ways to use summertime wisely. These programs can be an excellent opportunity for students to get a feel for college life by taking classes and meeting other students around the country who share their interests. We've also found that students can more concretely express their "why" in completing college applications after having a meaningful summer experience.

To find these opportunities, please see the [Summer Opportunities](#) section of the College Counseling webpage. Updates will be made continuously, so we encourage you to revisit the site regularly. As in the past, we've provided focal groups for a more specific search. If students need help throughout the summer program application process, we in College Counseling are happy to provide guidance and assistance.

[College Essay Writing at UVA!](#)

- All rising 10th–12th graders are invited to apply. Want to help your student hone their college essay-writing skills? Then register for the essay writing workshop at the University of Virginia.

FINAL CELEBRATIONS & CONGRATULATIONS!!!

After an exciting year, our seniors have gained **686** acceptances to domestic and International colleges, universities, and post-graduate programs. We are proud of their decisions to attend these Institutions and programs.

With graduation behind us, the college counselors will soon send all final transcripts to the seniors' school of choice and for those students who have an account with the Eligibility Center, the NCAA.

Listed below is our matriculation list with the number of students attending in parentheses for those with more than one enrollment.

American University (2)
Auburn University
Bates College
Berklee College of Music
Boston College (2)
