

LET'S DANCE

Ballet & Tap

Ballet and tap terminology continues to expand as new steps and combinations are taught; students will learn routines for the dance recital. Students will learn proper dance terminology and arm and feet positions. Steps will be taught quickly, and older students will continue to build on learned skills

Jazz

All jazz classes learn routines to be performed in the dance recital. Steps are learned at the center and across the floor and combined into a routine. Upbeat music is used that is always age appropriate

Poms & Tumbling

Children will learn basic pom movements and jumps and a pom routine to perform in the recital. They will also work on coordination, flexibility and basic tumbling skills to be performed in a tumbling routine.
