THIS WEEK'S MESSAGE FROM MR. FERENCE

Welcome to our RAM students for the 2024-2025 school year!
Please join us, the faculty and staff, to start your journey where you can learn and grow as a leader of the RAM's Way.

The RAM's Way will continue to be our Positive Behavioral Instruction System where you can demonstrate being Respectful, Accountable, Motivated, and Safe. Together, we will set goals and learn how to achieve them.

I invite all our incoming Kindergarten Students to an orientation on Monday, August 19, at 6:00 PM in our cafeteria. At the orientation, students and families will learn about the school, its policies and procedures, the PTA, etc., and meet staff members and their teachers. The goal of the orientation is to welcome our students and families and make the transition to kindergarten as fluid as possible. The night ends with an optional bus ride around the community.

In addition, I am inviting all students and families to our Back to School Night on Thursday, August 22, from 6 PM to 7:30 PM. Back to School Night is a fun-filled night where students and families can meet the teachers and staff, purchase food items, join a sports team, become a Scout, join the Monongahela Library, and most importantly, reconnect with classmates, fostering a sense of belonging in our school community.

I hope to see you at Kindergarten Orientation and our Back to School Night. Remember, we are all members of the school community supporting each other to be our Best for our students and children. Your child's education and well-being are our top priorities, and we are committed to providing the best learning environment for them.

Respectfully,

Ross Ference, Principal
