Communications

Superintendent

- Dr. Fitzgerald thanked Dr. Michael Noel for his thirty years of service to the district and wished him well in his well-deserved retirement.
- Dr. Fitzgerald welcomed the 89 new teachers and welcomed back all returning staff.

- Dr. Fitzgerald shared that we are welcoming back all of the students next Tuesday to a five-day-week with in-person instruction for the first time in 18 months. He stated we are very excited and looking forward to a great year.
- Dr. Fitzgerald congratulated Mike Wisnewski who was named as the Magnolia Middle School Constable.
- Dr. Fitzgerald stated we are still looking for bus drivers and van drivers. Given the bus shortage, we are strongly encouraging parents that have the ability to transport their children to school do so.
- Dr. Fitzgerald reminded the Board we will officially dedicate the David E. Robinson Elementary School tomorrow, August 18th. We're excited to have Dr. Robinson join us and we look forward to opening the Magnolia Middle School this year.

Board Members

Mr. Failing addressed the audience and stated the Board has had some very difficult decisions to make. He understands some people will be upset and the Board is here to listen.

Ms. Marelli responded and stated as a school board member, her primary concern is getting kids back to school in school, not hybrid, not remote. She sees this as a compromise. Her primary objective as a school board member is to educate our kids.

Marasco-

Public Comment

Clint Brothers- Stated the School Board can go against the Governor's order and have no masks. He stated this is being done and is allowed. He is against the mask mandate.

Kim Petters- Parent of four students in the district stated her disapproval with the district's mask requirement for students. She gave statistics regarding other states that have gone against their governor's mandate. She stated the Board needs to do more. She wants the Board to leave it up to the parents to decide if their child should wear a mask or not.

Cindy Meisinger- Stated statistics regarding students who have died from COVID. She continued to state facts regarding students wearing masks. Contamination and cleanliness concerns were shared. She ended by stating the public elected the Board members to make the right decisions and they have failed.

Amanda Lemon- Parent of two students in the district gave additional statistics of children dying from COVID. One of her children has difficulty with sensory processing and hearing, and the masks exacerbate that condition. She continued to state masks impair social and emotional learning. Her child cannot hear the teachers through their masks and he cannot see the reading lips for both the teachers and the other students. She is against the mask mandate for children.

Action Items

Final Review and Approval of Return to School Recommendation for 2021-22 SY

Dr. Fitzgerald explained the return to school recommendations for 2021-22 SY. He outlined other precautions planned for a full return of in-person learning five days a week. He shared that parents are asked to monitor children, keeping home from school those with a temperature or other symptoms of COVID-19, and staff are required to complete a health screener. The district will follow new quarantine guidance for a positive COVID-19 test, which is expected in the next few days. Additionally, antigen (rapid) testing will be available on a voluntary basis for students and staff. Homebound instruction will be available for those with medical documentation. If a child in school cannot wear a mask due to a medical reason, then they will be six feet from other students and if possible, a plexiglass screen will be used. He continued to state the same procedures

Personnel Matters

The Board approved Personnel Matters B.1-B7 as presented on the agenda and addendum.

Ms. Marelli made a motion to accept Personnel Matters B.1-B.7 as presented on the agenda and addendum. Failing seconded the motion and the motion carried 5-0 (Marelli, Marasco, Failing, Wilson, and Denman).
