Non-member attendees

Brad Mansfield – Executive Director of Student Services

Kelly Locke – Director of Guidance and Counseling for Willis ISD

Caroline Cruz – Texas AgriLife Extension Service – community member

Not Present

Lela Shaw – parent

Jeanne Sloan – parent

Open Meeting

Hailey Dobraski opened the meeting at 10:02 am on 04/29/24.

Topics of Discussion

Brad Mansfield started the meeting with an overview of the meeting held with PE teachers. The meeting was to strategize and produce ideas on how to involve the kids and community before and after school to engage them in more physical activity.

Kelly Locke gave an update on Personal Body Safety presentations. Campuses have sent home permission slips for children to be included in those and while some concerns were raised, those have been navigated. The reading list for this campaign has been slightly changed to swap the second and third grade books with each other.

Tina Wienecke mentioned that incorporating nutrition ideas into the physical fitness strategies being developed by Brad Mansfield with the PE teachers may be helpful in raising awareness as to how food equips our bodies.

Caroline Cruz discussed physical fitness information that her office is willing to share to contribute to the effort to increase physical fitness and student/community engagement.

Adjournment

The meeting was adjourned at 10:12am by Hailey Dobraski. This is the last meeting of this school year.
