## **How to Become an ESCNJ Vendor**

In order for one to become a vendor for the ESCNJ Co-op, a vendor would need to respond to one of our advertised bids and win that bid award.

We post all of our bid opportunities on our website at this link:  
<https://www.escnj.us/co-op-pricing/vendor-section/bidding-opportunity-documents>

We do not have a general vendor registration. You must check our website on a regular basis for bidding opportunities.

Addenda and clarifications on each specific bid are also posted before the official bid opening.

We ask that each vendor register for each bid of interest at the time of bid advertising. After the bid opening, if you receive a bid award, then you would be an approved vendor for that awarded contract only.

**Good Luck!**
