Dear Parents:

We are contacting you to thank you for your support of our special education program and to provide you annual written notification that we will be billing Medical Assistance/Minnesota Care directly for IEP health related services provided to your child throughout the **2024-2025** school year. You have provided written consent through your MHCP Application at the county and/or MA Parental Consent at the school district. If you do not revoke this consent, we will continue to bill Medical Assistance for the IEP health related service as outlined in MN Statutes 256.B, Subd.26. Revocation is not retroactive.

Let us assure you again since this is a separate federal fund set aside just for special education, there is **NO cost** to your family and this **will NOT affect** your MA or MC coverage or other public benefits in any way including any waivers or other services your child receives. Additionally private insurance companies are **NEVER** billed.

Our special education students benefit from the funds that our district receives by following the State of Minnesota requirements for seeking Third Party Reimbursement, and we are grateful for your continued support of this program. If you have any questions, please feel free to contact either of the school offices.

Sincerely,
