

Sycamore Basketball Club

2nd thru 6th Grade Boys & Girls

Basketball Registration

Register at <https://sycamorebasketballclub.com>

Registration open now through October 6th, 2024

We are looking forward to another great season of Sycamore Youth Basketball! We encourage you to register as soon as possible to guarantee placement on a team. Sycamore Basketball Club serves over 600 boys and girls in the District and space may be limited based on available gym time and volunteer coaches. You must live within the Sycamore Community School District to be eligible to participate. **Registration ends October 6th with no Late Registration being accepted.**

Coaches Needed! Volunteer during registration!

RECREATIONAL TEAMS are for boys and girls in grades 2nd thru 6th. Teams practice one night per week, play a 10-game schedule (games typically on Friday nights for 2nd and 3rd grade and Saturday and Sunday for 4th thru 6th grade) plus a year-end tournament for 4th thru 6th grade. After registration you will be contacted by your coach with your team's details. **FEE:** \$125/child

SELECT TEAMS are available for boys and girls in grades 3rd thru 6th that are interested in playing advanced competition. Our Select Program requires a greater time commitment with practice two nights per week, a 20-game schedule and pre & post season tournaments. Players are placed on teams based on the evaluation of our tryout coordinator and their staff. If your child doesn't make a Select team, they will be automatically placed on a Recreational team. **FEE:** \$250/child
