

# Aprende GSA

Permission Slip

Thank you for your interest in the Aprende GSA. This club is for students who identify as LGBTQ+, have family or friends who do, or are straight allies that want to have a safe space to hang out with their friends before school on Wednesday mornings as early as 7:45 in room 315. As purely a social space, friends gather to work on homework, listen to music, play games, draw, and just hang out and have a good time.

Students can return this signed permission slip to Mrs. Berrett or the front office.

A parent signature indicates that they give permission for their child to attend the Aprende GSA.
