

BHS Senior Parking Guidelines (2024-2025)

- 1) In addition to the required student parking permit fee (\$15), Class of 2024-2025 seniors may choose to paint a parking spot for the school year for \$25.
- 2) Students will choose spot # on a first come, first served basis. When a spot is taken, it will be reserved to that student and not available to any other student.
- 3) If interested, pick up a packet at the BHS front office beginning Monday, July 24th.
- 4) You **MUST** bring payment, a completed packet with required documents, and a sketch of your proposed design by the due date, **Monday, July 29th**. Failure to do so, will delay your choice of parking spot. BHS Admin will have a table set up at BHS (**Under the stadium entrance**) from **7:30-9:30 am to begin reserving spots**.
- 5) The design may not exceed the parking space outline and must be school appropriate. *You must paint within the parameters outlined in the diagram. Any student that paints outside of the parameters will be held financially responsible for any repairs.
- 6) You may include your name, jersey #, musical instruments, hobbies, famous quotes or slogans, or anything unique to you. Search online to get ideas, but **KEEP IT CLASSY!!**
- 7) Purchase concrete appropriate paint in approved colors* (see below) along with paintbrushes, painters tape, rags, tarps, or other supplies you may need. We recommend you sweep or blow off your spot before painting.
- 8) Painting will take place **Saturday, August 3rd from 5:00-9:00 PM**. Administrators and class sponsors will be present. Students will be allowed to finish painting on **Sunday, August 4th if needed**.
- 9) Any student who paints inappropriately will lose the privilege of having a senior spot. **Any artwork depicting items, symbols, or language deemed inappropriate will not be allowed. No refund will be given.**
- 10) Search "senior parking spots" online to get ideas.

*Appropriate paint and colors:

WATER BASED EXTERIOR LATEX paint is the only type of paint to be used

- No Reflective paint
- No Spray paint
- No Fluorescent paint
- Students must keep a 4" unpainted border between the white parking space lines and the paint in their parking spot. (Please use blue painters tape)
- **WATER BASED EXTERIOR LATEX** paint may be purchased at retail stores like Bullard Hardware (2-3 days notice), Sherwin Williams, Lowe's, or Home Depot.
