

Invest in our students' futures through Pennsylvania's Educational Improvement Tax Credit (EITC) Program

OUR SCHOOL:

Boys' Latin of Philadelphia prepares boys for success in college and beyond. Founded in 2007 to address the dearth of quality educational opportunities for boys in Philadelphia, today the school provides a world-class college preparatory education to 800 young men in grades six through 12, the vast majority of whom are African American and Economically Disadvantaged. As the only all-boys public school in Pennsylvania, the school boasts an intimate learning community in which each young man is encouraged to be the "architect of his own fortune." We provide a rigorous academic model, blending classical education and contemporary pedagogy, which prepares students for college matriculation and sets high standards for achievement, character development, and emotional intelligence. Our curriculum features daily Latin classes, AP or Honors sections in every subject area, a 1:1 laptop program, and diverse course offerings. Boys' Latin students attend an extended day of classes, receive after-school tutoring, and have the opportunity to attend Saturday classes for more support. Learning is underscored by practical experiences and extracurricular activities to develop students' intellectual, moral, social, creative, and athletic potential.

Since 2007, we have built an effective model for educating minority boys, a demographic that suffers the worst educational and quality of life outcomes in the nation. We firmly believe that all students, regardless of background, are capable of going to, and graduating from college. Since our first class graduated in 2011, Boys' Latin students have matriculated into and persisted through college at rates three- to four-times greater than Philadelphia averages.

To learn more about supporting Boys' Latin through the EITC program, please contact Tyler Jackson, Development Associate, at tjackson@boyslatin.org or 215-539-3355.

YOUR OPPORTUNITY:

Redirect your state tax today to change our students' tomorrow. Through Pennsylvania's Educational Improvement Tax Credit Program (EITC), a business of any size can redirect its tax liability by donating to an eligible Educational Improvement Organization (EIO), like Boys' Latin. In turn, we are able to provide a world-class, college preparatory education to our students, and you get up to 90% of that donated amount credited against your corporate state taxes.

When you participate in the EITC program, you turn a tax liability into a strategic investment in our wonderful and deserving young men. By combining this state tax credit with federal deductions for charitable gifts, you can have a tremendous impact on our students for only a small cost to your business.

Sample Educational Improvement Tax Credit Calculation:

Pennsylvania Tax Bill	\$10,000
Donation Amount	\$10,000
Tax Credit, based on 90% rate	\$9,000
Federal Tax Savings, based on a 21% rate	\$210
Savings	\$9,210
Net Cost	\$790

By contributing only \$790 out-of-pocket, you would fund the participation of 3 students in Boys' Latin's innovative reading and math intervention program that provides targeted supports to our highest need learners. Participants in this proven program achieve 1.5 grade levels of growth, nearly tripling the average growth experienced in a typical class.

YOUR INVESTMENT:

To invest in our students' futures through the EITC program, please mail your EITC donation to:
