

CHSAA BYLAWS – PARENT & STUDENT INFORMATION

Welcome to the 2020-2021 school year!

Participation in educational athletics and activities is a privilege that is earned in the classroom as well as on the playing field, court and stage. The CHSAA encourages all students to engage and explore in sports and activities of their choosing to enhance and enrich their high school experience. Parents are also encouraged to contribute to this experience through their positive support and encouragement. Please remember that with that participation comes the accountability of earning the privilege to take part.

****Per Bylaw 1800.54, CHSAA requires that all information provided regarding any aspect of the eligibility of a student must be true, correct, accurate, complete and/or not false; penalty for providing false information is ineligibility and/or contest forfeitures.***

A student's participation in high school activities is dependent on his/her eligibility. Protect that eligibility. Read the following summary of Colorado High School Activities Association rules that govern a student's participation. Students and parents alike need to review these rules and ask questions of their coaches/directors, athletic director and school administrators.

*****Per Bylaw 1710.1, Please review the following information and acknowledge your understanding of the CHSAA Bylaws by signing at the end and submitting to your School's Athletic Director. Click the blue underlined links to be directed to the CHSAA Bylaws.***

The CHSAA

The Colorado High School Activities Association has been the governing body of high school athletics and activities (speech, student council and music) in the state since 1921. [CHSAA's Code of Ethics is integral to its Mission and Vision](#). The student's school is a voluntary member of the CHSAA and has agreed to follow its rules. Both your school and the Association believe in equal competition among schools and the close relationship between academics and activities.

Discrimination (300)

A student-participant will not participate in or condone unfair discriminatory practices against a fellow participant due to age, gender, race, ethnicity, religion, sexual orientation, or disability, nor shall the student be discriminated against under the same criteria.

The CHSAA Rules of Participation

Academic (1710)

A school must select one of three options for determining the eligibility of all its students, and schools have the right to impose stricter academic and behavioral standards.

Make-up Work (1740)

Each student must be academically eligible in accordance with the above section at the time of participation and during the previous semester. Make-up work shall not be permitted after the close of the semester for the purpose of becoming eligible. (Cases involving special circumstances should be referred to your principal). If eligibility has been lost from a previous semester, students may regain their athletic eligibility per the "Fall Regain Dates" Table in the Bylaws, and on the Monday of Week 36 for the second semester.

Summer school credits accepted by the school may be used to replace credits in subjects failed during previous semesters as long as the course is completed by the Monday of Week 9. Dropping a class may make you ineligible. If you play while ineligible, you may cause your team to forfeit any contests in which you played.

1. Citizenship (1710)

The school principal must approve the student to be representative of the school's standards of citizenship, conduct and sportsmanship.

2. Conduct – Ejections (2200)

If a student is ejected from a contest for unsportsmanlike conduct, he/she will be ineligible for the next scheduled match or contest played at that level including qualifying and state contests. The student may not participate in any contests at any other level during this period. For the season, the student will be permitted to compete in one fewer contest than the maximum allowed each participant in the sport.

A second ejection during the season shall result in a 2 contest suspension. A third ejection will result in a review of the student's future eligibility by the CHSAA Commissioner.

If a student is ejected in the final contest of a season, he/she is ineligible for the first contest of the next sport in which he/she competes and completes the season. Players leaving the bench during a fight shall be ejected and ineligible for the next contest.

3. Outside Competition (2100.2)

As a member of any high school team, a student may practice or compete in that sport during that sport season in a non-school event with prior written permission of the principal.

Members of high school teams may compete in non-school events in that sport without written permission on the day following the completion of the season for the level (freshman, sophomore, junior varsity, varsity) of the team on which they are

competing. NOTE: A student becomes subject to the outside competition rule on or after the first date of formal practice, when he or she reports out for practice and is in contention for a berth on the team.

4. Undergraduate (1710)

A student may not be a graduate of any high school and participate in high school athletics.

5. Recruiting (1900)

Any recruiting based on athletic ability or interest is prohibited.

6. Age (1770.1)

A student's 19th birthday must fall on or after August 1 of the current school year. Exceptions to this rule, based on educational handicaps, may be requested, provided the student's original class has not graduated.

7. Semesters (1770.3)

Upon entering high school, a student's eligibility will continue only until his/her original class graduates. Once entering ninth grade, a student has eight consecutive semesters of eligibility. NOTE: If a student drops out of school or misses competition due to an injury, he/she will not receive additional eligibility.

8. Seasons (1770.71)

A student is allowed a maximum of 4 seasons in any sport.

9. Physical Exam (1780)

A student may not practice or compete (music, student council and speech participants are exempt) without a physical exam that is:

- Signed by an MD, DO, chiropractor who is school physical certified (DC, SPC), nurse practitioner or physician's assistant licensed by the State of Colorado.
- Current within the last 12 months.
- On file with principal or athletic director prior to first practice.

10. Practice (2310)

NEW: A total of 3 different days of practice is required before participating in any interscholastic game or scrimmage (except football which needs 9 days). OTHER EXCEPTIONS: (A) Golf, skiing, softball and tennis players. (B) Participants in state playoff games completed on or after the first day of formal practice.

****No contact between a coach and player is allowed on Sundays during the school year unless it is for a social, academic or service related activity that is strictly voluntary. A student cannot be required to practice or compete outside of the season as a condition of making the team.**

11. Transfer Rule (1800)

The CHSAA supports school choice in academic pursuits and encourages its student participants to enhance their

academic achievement. In concert with this approach, the Association's philosophy addresses the establishment of a fair playing field for all student athletes. A student entering high school for the first time shall be eligible for all interscholastic athletic competition.

- Varsity Eligibility 1800.1

A student who establishes his/her eligibility at a member school and subsequently transfers, will be ineligible for varsity competition for 365 days from the date of their transfer, in the sports they participated in during the last 365 days.

- Athletic Transfer (1800.4)

Any transfer substantially motivated by athletic considerations will cause the student to be ineligible for varsity competition for 365 days from the date of the transfer in any sports(s) they participated in during the last 365 days.

- Transfer with Club Coach or Previous Coach (1800.4)

A student transferring, moving or for any reason changing to a new school where the student's non-school coach is also a coach of the school team, is considered to be attending for athletic purposes. The student, as a result of this transfer, will be ineligible for varsity competition for one calendar year from the date of the transfer in any sport(s) they participated in during the twelve months prior to the transfer. As used in this Rule, the term "coach" includes any person who coaches, volunteers (regardless of compensation) or assists in any capacity with the coaching or training of the school or non-school team. For purposes of this Bylaw and its exceptions, no personal relationship or one-on one/group coaching or individual contact is required for application of this rule. If a coach has any standing with the outside team/organization/business, that coach is considered a coach of that non-school sports team.

General Transfer Information (1800)

It is the parent's and student's responsibility to know the CHSAA Transfer Rule and how it affects the student's eligibility. The CHSAA Commissioner *may* grant exceptions to this rule in unusual cases. Only schools may submit a waiver. If a waiver of the transfer rule is requested, **the student is not eligible until the waiver is approved by the CHSAA Commissioner.**

Any waiver submitted that contains legal guardian references must have the appropriate court signed legal documentation of that guardianship before the waiver will be considered. Parents should review all situations with the school administration.
