Dear Mount Olive Township School District Community,

Welcome back to a new school year! I hope you all had a refreshing and enjoyable summer, filled with moments to recharge and connect with loved ones. As we gear up for the year ahead, I'm excited about the opportunities and experiences that await us in the Mount Olive Township School District for the 2024-25 school year.

Reflecting on the summer, the recent Olympic Games stand out as a powerful reminder of what can be achieved with dedication and teamwork. The athletes showcased not only their incredible talents but also a profound commitment to excellence and resilience—qualities that resonate deeply with the values we strive to instill in our students.

Their inspiring performances remind us of the importance of perseverance and support. As we step into this new academic year, let's draw from the Olympic spirit by setting high goals, encouraging one another, and tackling challenges with confidence.

Our commitment is to foster an environment where every student feels motivated to explore their potential and grow both academically and personally. Together, let's make this school year a time of remarkable achievement and collective success.

Thank you for your ongoing support and dedication to the Mount Olive Township School District. We look forward to a year filled with learning, growth, and new accomplishments. Welcome back, and let's make it a great year!

Please be advised that students will return to school on Wednesday, August 28th. From August 28th through August 30th, all schools will operate on a half-day schedule. Schools will be closed on Monday, September 2nd, for Labor Day and will resume with a full day schedule on Tuesday, September 3rd. Principals will provide additional details specific to their schools in separate communications.

Warm Regards,

Dr. Sumit Bangia
