

**Saltsburg Elementary School  
Home/School Learning Compact  
2024-2025**

The Home/School Compact is a written commitment describing how all members of a school community- parents/guardians, teachers, administration, and students- agree to share responsibility for student learning. This compact helps bridge the learning connection between school and home. Parents/guardians, students, teachers, and community members work together to develop our school-parent compact. Each school year, the annual Title I Meeting is held for parents, teachers, and students to compare the compact with school data to review our progress and assess our goals. This compact is uniquely developed to meet the needs and goals of our school and students.
