About Advanced Placement (AP) Exams

Advanced Placement (AP) exams are standardized tests in specific subjects, offered by the College Board, that give high school students the opportunity to earn college credit, meet international university entrance requirements, and demonstrate their academic abilities.

THS offers ten AP courses and students took 55 AP exams in 2024.

Note: These results include all scores for students who finished the full AP course at THS.

AP Exam Celebration & Perspective

Congratulations to our High School students who have worked diligently to challenge themselves through Advanced Placement (AP) coursework and exams. Their dedication and achievements on the AP assessments are a testament to their academic growth and prowess.

THS celebrates the diverse talents, experiences, and passions of all our learners. Our focus remains on cultivating well-rounded individuals prepared not just for academic success, but for meaningful contributions to the world.

The AP exam results presented here provide one data point to recognize our students' hard work. Our educational approach prioritizes holistic learning, social-emotional development, and the unique needs of each student.
