## **Student IDs – REQUIRED**

One high school in two different buildings creates multiple challenges. Student safety and transitions between buildings are two of the biggest challenges.

**All students are required to wear their student ID at all times during the school day.**

Students will be allowed to remove IDs during physical education classes and in any settings in which they may pose a safety hazard, such as lab and shop classes.

All returning sophomore, juniors and seniors have been issued a student ID.

New students will be issued an ID at the beginning of school.

**If your child has lost their ID they will need to purchase a new one. The cost is \$5.00**

Replacement IDs can be purchased through [My School Bucks](#) on the HS website. Please see the Student ID booth at Meet the Teacher night for more information and ordering a replacement ID.

Student IDs have been, and continue to be, how students will be able to gain entry into the buildings via controlled-access doors.

All freshman students will be issued a new student ID once they are printed. All freshman will be given a lanyard to wear with their IDs. Sophomore, Junior & Senior students will use their badge that has already been issued to them.

## **Ozark Innovation Center (OIC) Shuttles and Private Transportation**

If your student has a class on their schedule and the room number says “OIC” followed by a number, that class will meet at the Ozark Innovation Center. OIC teachers are in their classroom at the OIC for Meet the Teacher night.

Students will have access to shuttle buses, which will run between the main campus and the OIC each block. Students who drive will be able to use their own private transportation between buildings as well. We will take time during the first day of school to make sure all students understand where to go and when to be there in order to make these transitions.

The following example is how the transition will occur for students: If a student had 3rd block at the high school main campus and 4th block at the OIC, ten minutes prior to the end of 3rd block there will be a bell. Students who transition buildings will either then make their way to the bus lane to catch a shuttle or to their own private transportation to go to the OIC. Ten minutes is approximately how long it takes to exit one building and drive to the other. Once they arrive at the OIC they will have their normal five minute passing time between classes.

We will monitor the bell schedule and traffic. We will make adjustments to our timing as needed for student travel between buildings. Our classes are 100 minutes long and OHS staff understands this transition and are working to maximize our instructional practices.

## **ATTENDANCE PROCEDURES FOR**

## **CHECKING IN / CHECKING OUT**

Having one school in two buildings does create new opportunities for us to maneuver around, but if everyone will follow the below procedures, it will make the process easier for all.

### **\*\*WHEN YOU KNOW YOUR CHILD IS GOING TO CHECK OUT EARLY**

**\*\* Send a note** with your child stating what time they need to leave and who will be picking your child up indicated on the note. Your child should give the note to the front office when they first arrive at school at either the main building or the OIC. The office will give your child a pass to show the teacher, and then go to the office to sign out at the designated time. **(This is the fastest & most efficient way)**

A pass issued by the office will allow your child to sign out at either building no matter what time of day you need them to check out. ALL students must check in through the office and out through the office BEFORE leaving school. Even if your child is traveling from one building to another, they MUST check out at one of the building offices before going to doctor appointments, home, etc. Failure to check out will result in an unverified absence.

### **\*\*LAST MINUTE CHECK OUT DURING THE DAY**

**\*\* Please call the attendance line at 417-582-5901 and select option #2 for attendance. Please leave a voicemail on the attendance line. This will alert both buildings that your child needs to check out.**

### **\*\*WHEN YOUR CHILD WILL NOT BE AT SCHOOL**

Please call the attendance line at  
417-582-5901 and select #2 for attendance.  
By leaving your child's absence on the attendance line, both buildings will be alerted that your child will not be in class.

Since we are one school in two buildings with a growing number of students, please know that contacting your child to leave is not something that can happen immediately. Using the attendance line expedites the process as it will alert both buildings. We will do our best to accommodate your needs, but it does take time.

## A and B Days

In an effort to create a more consistent schedule for students we have a set schedule for A/B days.

- "A" days will be Monday and Wednesday.
- "B" days will be Tuesday and Thursday. Fridays will often alternate weekly.

This will provide a more consistent schedule throughout the year. As students progress through high school, this established schedule allows for fewer conflicts with OTC and off-campus opportunities such as internships with our community business partners. The schedule will be posted on the Ozark High School webpage along with our bell and lunch schedules.

Since school begins on a Tuesday this year, the first day of school will be the "B" day schedule.

- **Find all of this information and more on the High School website under the "About Us" tab.**

# **SCHOOL MEALS**

Children need healthy meals to learn. Ozark R-VI School District offers healthy meals every school day. Breakfast cost 7-12 grade \$1.50; lunch costs 7-12 grade \$2.50. Your children may qualify for free meals or for reduced price meals. Reduced price is \$.30 for breakfast and \$.40 for lunch.

## ***Who can get free OR REDUCED PRICE meals?***

- All children in households receiving benefits from **the Food Stamp Program/Supplemental Nutrition Assistance Program (SNAP), the Food Distribution Program on Indian Reservations (FDPIR) or Temporary Assistance/Temporary Assistance for Needy Families (TANF)**, are eligible for free meals.
- Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals.
- Children participating in their school's Head Start program are eligible for free meals.
- Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
- Children may receive free or reduced price meals if your household's income is within the limits on the Federal Income Eligibility Guidelines. Your children may qualify for free or reduced price meals if your household income falls at or below the limits on this chart.
