ABERDEEN SCHOOL DISTRICT NO. 5

Minutes of the Regular Meeting of the
Board of Directors – November 15, 2022

President Jennifer Durney convened the regular meeting of the Aberdeen School District Board of Directors at 6:00 p.m. Tuesday, November 15, 2022, in the Community Room at Aberdeen High School and via webinar following guidance for conducting remote meetings in compliance with the Open Public Meetings Act. In attendance were Directors Jessica Jurasin (remotely), Annica Mizin and Jeremy Wright, Superintendent Jeffrey Thake, 13 patrons and staff in person, and three attending remotely. Director Suzy Ritter was excused.

CALL TO ORDER

The meeting began with the flag salute.

On a motion by Jeremy Wright and seconded by Annica Mizin, the Board approved the Consent Agenda, which included the minutes from the regular meeting on November 1, 2022; October payroll vouchers 833529 through 833557 totaling \$4,103,291.69; General Fund vouchers 833574 through 833665 totaling \$719,554.79; Capital Projects Fund vouchers 833573 through 833573 totaling \$338,218.92; ASB Fund vouchers 833560 through 833572, 833528 and 833666 totaling \$25,673.82; trip requests from Aberdeen_High School to send a state qualifier to the Cross Country championships in Pasco on Nov. 4-5 and to send members of the Swim Team to the state championships at Federal Way on Nov. 9-11; a grant from the Community Foundation of \$11,000 for the elementary music program to purchase instruments, and a contract with the Missoula Children’s Theatre funded by the Community Foundation for a production of King Arthur’s Quest at A.J. West Elementary School.

CONSENT AGENDA

Superintendent Thake presented a report outlining his first 90-plus days in the district. He highlighted communications and outreach, as well as data review and goal-setting with principals. Directors thanked him for being extremely visible in the community and for following through on the 90-day plan he presented earlier in the year.

SUPERINTENDENT
REPORT

On a motion by Jeremy Wright and seconded by Annica Mizin, the Board approved an agreement with Prisms of Reality, which is a virtual reality platform for teaching high school math, for a pilot program at Aberdeen High School. The Board discussed the cost and expressed interest in reviewing the curriculum.

PRISMS OF REALITY
AGREEMENT

Executive Director of Business and Operations Shannon Ramsey presented the Fiscal Status Report for October. With 16.6 percent of year elapsed, the District has received 11.5 percent of anticipated revenue and spent 17.28 percent of the budget. She reported ending fund balances of (\$8,572) in the General Fund, \$1,626,556 in the Capital Projects Fund, \$3,454,399 in the Debt Service Fund, \$308,321 in the Associated Student Body Fund and \$402,104 in the Transportation Vehicle Fund. Directors asked when to expect the low General

FISCAL STATUS
REPORT

Fund balance to even out. Director Ramsey reported an expectation that revenue will catch up with expenditures in January.

Director Ramsey presented the F-196 Report for 2020-2021, which is the final report on the 2020-2021 fiscal year and budget.

On a motion by Director Mizin and seconded by Director Wright, the Board adopted Resolution 2022-13 certifying the amount of property taxes to be levied for collection in 2023.

The Board considered the first reading of Policy 3424 Opioid Related Overdose Reversal as recommended by the Washington State School Directors' Association to comply with state law.

On a motion by Director Wright and seconded by Director Mizin, the Board approved an agreement with Pacific Lutheran University to automatically accept Aberdeen students interested in attending based on their transcripts and grade-point averages.

The next regular meeting of the Board is scheduled for 6 p.m. Tuesday, xxx, 2022, xxx and via webinar.

At 6:37 p.m., President Durney recessed the meeting for an executive session expected to last 10 minutes under RCW 42.30.110 (g) (to evaluate the qualifications of an applicant for public employment or to review the performance of a public employee. The meeting reconvened in regular session at 6:57 p.m.

On a motion by Director Mizin and seconded by Director Wright, the Board approved the Personnel Report.

Under certificated matters, the Board approved the hiring of Christopher Frye, Brenden Greenfield, Joan Hildreth and Rebeca Moreno Perez as substitutes for the District.

Under classified matters, the Board approved a change of assignment for Kaycee Short from Miller Junior High School to Aberdeen High School as an MTSS assistant effective November 7; approved a leave of absence for Mike Anderson, a custodian at the Hopkins Building, effective Nov. 2 to Jan. 26, 2023, and approved the hiring of Angela Evans, Richard Osborn, Elaine Rydman, Juliana Sanchez and Kayla Smith as substitutes for the District.

There being no further business, the regular meeting was adjourned at 6:58 p.m.

ANNUAL ORGANIZATIONAL MEETING

At the first regular meeting at which newly-elected board members are seated in election years and at the first regular meeting in December in non-election years, the board will elect from among its members a *chair/president* and a *vice chair/president* to serve one-year terms. A newly appointed board member will not be eligible to serve as an officer unless a majority of the board has been appointed.

If a board member is unable to continue to serve as an officer, a replacement will be elected immediately. In the absence of both the *chair/president* and the *vice chair/president*, the board will elect a president pro tempore who will perform the functions of the chair/president during the latter's absence.

The superintendent will act as board secretary and perform all the duties as outlined by law. In order to provide a record of the proceedings of each meeting of the board, the superintendent will appoint a recording secretary of the board.

In even numbered years at the same meeting, a WSSDA legislative representative will be elected to serve a two-year term.

The normal order of business will be modified for the annual organizational meeting by considering the following matters, after the approval of the minutes of the previous meeting:

- A. Welcome and introduction of newly elected board members by the chair/president;
- B. Call for nominations for *chair/president* to serve during the ensuing year;
- C. Election of a *chair/president* (roll call vote);
- D. Assumption of office by the new *chair/president*;
- E. Call for nominations for *vice chair/president* to serve during the ensuing year;
- F. Election of a *vice chair/president* (roll call vote);
- G. (*If applicable*) Call for nominations for *WSSDA legislative representative* to serve for the next two years; and
- H. Election of a *WSSDA legislative representative*.

Policies will continue from year to year and board to board until and unless the board changes them.

OPIOID RELATED OVERDOSE REVERSAL

The Aberdeen School District Board of Directors recognizes that the opioid epidemic is a public health crisis and access to opioid-related overdose reversal medication can be life-saving. To assist a person at risk of experiencing an opioid-related overdose, the district will seek to obtain and maintain at least one set of opioid overdose reversal medication doses in each of its high schools.

The district has authority to obtain and maintain opioid overdose reversal medication either through a standing order, prescribed and dispensed according to RCW 69.41.095(5), or through one or more donation sources. The district will seek at least one set of opioid reversal medication doses for each of its high schools. However, if the district documents a good faith effort to obtain and maintain opioid overdose reversal medication through a donation source, and is unable to do so, the district is exempt from the obligation to have a set of opioid reversal medication doses for each high school.

The following personnel may distribute or administer the school-owned opioid overdose reversal medication to respond to symptoms of an opioid-related overdose:

1. A school nurse,
2. School personnel who become designated trained responders, or
3. A health care professional or trained staff person located at a health care clinic on public school property or under contract with the school district.

Training for school personnel to become designated trained responders and distribute or administer opioid overdose reversal medication must meet the requirements for training described in the statute and any rules or guidelines for such training adopted by the Office of Superintendent Public Instruction. If a district high school does not have a full-time school nurse or trained health care clinic staff, the district shall identify at least one member of each high school's personnel to become a designated trained responder who can distribute and administer opioid overdose reversal medication.

Opioid overdose reversal medication may be used on school property, including the school building, playground, and school bus, as well as during field trips or sanctioned excursions away from school property. A school nurse or a designated trained responder may carry an appropriate supply of school-owned opioid overdose reversal medication on in-state field trips and sanctioned in-state excursions.

Individuals who have been directly prescribed opioid overdose reversal medication according to RCW 69.41.095 lawfully possess and administer opioid overdose reversal medication, based on their personal prescription. However, such "self-carrying" individuals must show proof of training as verified by a licensed registered professional nurse employed or contracted by the district or participate in district training as specified in the accompanying procedure.

If any type of overdose is suspected, including an opioid related overdose, district staff will call 9-1-1 and alert a first responder. The school nurse, designated trained responder, or trained staff person located at a health care clinic on public school property or under contract with the school district will follow the Washington Department of Health steps for administering naloxone for a suspected opioid related overdose.

EDUCATING THE HEART

- Belonging
 - Kindness week
 - Rewarding good citizenship – monthly
 - Caught being good PAWs and PBIS Rewards
 - Thankfulness
 - Sharing and Caring
 - Buddy bench
 - Foodball
 - Spirt week
 - Bear breathing – caring for ourselves and others
 - Social Emotional – Kelso's Choice & Second Steps
- Working together - Learning is fun & good for your heart

SOCIAL EMOTIONAL AND RELATIONSHIPS

Building relationships - RCL

Second Steps & Kelso's Choice

Learning to Self Regulate

LEARNING BY DOING

EDUCATING THE HEART

Student demonstrates CORE SEL competencies (PANORAMA - Student Perception Survey) 3rd – 5th

Supportive Relationships	86%	Have an adult in that they could count on to help
Social Awareness	66%	Some students lack skills to stand up for themselves
Self-Management	63%	Students need skills so they are able to ignore distractions nor remain calm when others are bothering them
Classroom Effort	62%	Students reported it was hard for them to get involved in discussions during class
Positive Feelings	59%	Students need to feel loved and to belong
Growth Mindset	49%	Students found it easy to give up
Self-Efficacy	50%	There is a need to building self esteem and build student confidence
Challenging Feelings	49%	Students feel mad:sometimes, frequently & almost always 55% of students
Emotion Regulation	37%	24/68 can stay relaxed when someone around then is angry; Students need to understand feelings; PD 10/31 Zones of regulation

SEL Data

SCHOOL SUMMARY REPORT - Panorama Student Survey

We now know: Our students need love and attention; some had no one they felt comfortable confiding in

Patterns indicate that students displaying behavior concerns need their needs met: SEL teach, reteach and/or intervention plans; check-ins; parent contacts; counseling referrals, SEL in IEPs; Self-regulation; build relationships

Research-based best practice interventions: Meet & greet; Relationship Centered Learning; 2 x 10 relationship building (for 10 days talk with a student – not about school: likes, dislikes, families, pets)

Demographic information: Males vs Females; CP has a higher percent of males

Actions: Staff meeting check-ins for RCL: use 2nd step & Kelso lessons; check-in; implementation of art, calm-breathing, nature, and develop intervention plans

EDUCATING THE MIND

- SY 2022-2023 SMARTIE Goal #1: Central Park School, grades 1-5, will demonstrate a minimum of 15% improvement. Students will increase the overall schoolwide grade level reading percentage by 15% measured by I-Ready as compared from Fall 2022 to Spring 2023 assessment.
- **Interventions and Instruction to make these goals:**
 - 20 minutes a day on I-Ready
 - MTSS groupings
 - WIN time – 30 minutes
 - Teachers reteach as needed
 - 21th Century After school program

EDUCATING THE MIND

- SY 2022-2023 SMARTIE Goal #2: 2nd grade will implement practices or strategies for reading from September 1, 2022 June 1, 2023 focusing on reading areas identified as assessed on I-Ready impacting student success with a 15% increase
- **Interventions and Instruction to make these goals:**
 - 20 minutes a day on I-Ready
 - MTSS groupings
 - WIN Time 30 minutes a day
 - Teachers reteach as needed

EDUCATING THE MIND

- SY 2022-2023 SMARTIE Goal #3: Goal: By June 2023, **15%** of students that have been identified to receive MTSS support and that are at least one grade level below standard in Fall 2022, will improve their reading scores one grade level as measured by I-Ready diagnostic assessment by Spring 2023.
- **Interventions and Instruction to make these goals:**
 - **MTSS groupings**
 - **Support Self Regulation skills**
 - **Support Belonging**
 - **Social Emotional lessons**
 - **Cougar Club – GHCF grant**
 - **An uptick in student and family counseling needs**

ACADEMIC DATA

Universal Screeners – i-Ready Reading & Math

Fall Assessment data: Reading

36 students are on or above level in reading

53 students are 1 grade level below

25 students are 2 grade levels below

12 students are 3 or more grade levels below

3rd grade 8 students on grade level; 3 students are 1 grade level below, 12 students are 2 grade levels below, 4 students are 2 students or more grade levels below (1 IEP)

Learning gap: Out of the 90 students that are not at level - We are serving 48 students in our MTSS programs and supporting others in small groups instruction in classrooms

We are addressing achievement gaps by: Double dose instruction and reteach; with a goal of I-Ready Reading for 20 minutes/day, WIN time

Research-based best practice interventions: Before & after school program - Y Mentors - LAP - 7 students are EL & MTSS; Family night/engagement; this fall - reteach at the beginning of year; differential instruction

Demographic information: 57% white; 42% Female 58% Male; attendance of other races is lower than white: 26% white were are in critical level vs. 38% critical level of other races

Actions: Coach teachers on how to develop supporting small group instruction (WIN or Walk to read model); show resources and targeted instruction; Haggerty

ACADEMIC DATA

Universal Screeners – i-Ready Math

- Math
- 16 above/on (2 students in hi-cap)
- 69 students are 1 grade level below
- 27 students are 2 grade levels below
- 13 students are 3 or more grade levels below
- Out of the 109 students - needing support we are serving 6 students in our MTSS programs and supporting others in small groups instruction in classrooms
- For achievement gaps our goals are to: Double dose and reteach; work towards I-Ready Math (20mins a day)
- Interventions: Before & after school program - Family night/engagement; Fall - reteach at the beginning of year (delayed start of Snappet in K&1st in the fall for review) and provided instruction at student level
- Demographic information: 57% white; 42% Female 58% Male; attendance of other races is lower than white: 26% white were are in critical level vs. 38% critical level of other races
- Actions: Coach teachers on how to develop supporting small group instruction; show resources and targeted instruction

ACTION PLAN

EDUCATING THE HEART AND MIND

Recap:

Plan of Action: Area	What	Short term	Long term
CP: MTSS/Academic	Meet with teachers more than once each assessment time & build student self confidence	Support small group instruction for students not receiving MTSS support; WIN time (What I Need)	Move toward a walk to read model
CP: Behavior	Reduce # of referrals by supporting students and staff with strategies	Continue to incorporate: Relationship Centered Learning in classrooms; add check-outs; intervention plans as needed; teach students to ask for help and zone regulation	Provide professional development for staff for zone regulation and teach zone regulation to students; Develop intervention plans and track when needed
CP: SEL	Each student has a staff member they can talk to & calming/relaxing strategies; focus and mindset	Staff meeting check-ins for RCL use; 2nd step & Kelso lesson check-in; implementation of art & calm-breathing; nature; develop intervention plans if needed	Add more positive, fun activities for staff and students to develop a positive culture for staff and students; add 2 x 10 for students (staff check in with 2 students for 10 minutes a day)

Self-Regulation

High Emotional Intelligence

Promotes optimistic point of view.

Reacts to hurt by processing feelings.

Is emotionally resilient.

Low Emotional Intelligence

Lets negative feelings dominate.

Reacts to hurt with physical violence.

Carries grudge and is unforgiving.

December, 2022

HIVES ACROSS The District

165 Preschool students attending Hopkins, Stevens & Central Park

215 Preschool ECEAP students from 5 school districts-Aberdeen (148) & Subcontracted Districts (67)

10 sessions at Hopkins, 4 at Stevens (morning & afternoon) & 1 mid-day session at Central Park

70 sped students - serve ECEAP students (income based) and students that qualify for developmental delays

WHO IS IN
THE HIVE

STAFF

Preschool Coordinator (ECEAP Program Director)

Qualified certificated staff - 5 classroom teachers at Hopkins Preschool and 2 classroom teachers at Stevens Elementary, 1 classroom teacher at Central Park —All must have Special Education and Early Childhood Certification

Para-educators - 9

Family support workers -8

Interpreter/translator on site, SLP, OT, Psychologist, Office Manager

RECRUITING STUDENTS

Income eligibility ECEAP - Early Childhood Education and Assistance Program is a pre kindergarten program 3 - 4 year old children further education for success in school and life

Child Find - Developmental Screenings; Physician referrals

Flyers in community for recruitment; word of mouth

Blended classrooms

HAPPY

FAMILIES

Families meet with family service workers multiple times a year to set family goals and connect families with resources

Family meetings - IEP meetings, Parent/Teacher Conferences

Wrap-around services - Dr., Dentist, Hearing, Vision, Community services, Mental Health services, and more

HONEY ACROSS THE HARBOR

Schools that subcontract with the Aberdeen School District:

Ocosta, Hoquiam, Elma, McCleary

Meaning: ASD provides ECEAP family support services for all of these district, complies with all requirements, and Coordinator for ECEAP, required monthly meetings with teacher, Early Achievers Participation & Educational Coaching

KIND

Screenings & Assessments

Provided for all students:

Screening: Developmental Screening

Assessment: TS Gold - 3 times a year

As needed - when a delay is of concern

SST(GPS)

Special Education Referral

FOCUS for this year

- Hexagon icon: Fine Motor Skills - cutting/ drawing
- Hexagon icon: Social Emotional Development
- Hexagon icon: Relationships - Interacting with others; back in person
- Hexagon icon: Developmentally appropriate play and skill building

Post-Covid Trends

- Typical development has changed, especially for our families who have limited resources
- Focus on teaching parents how to “play” with their children
- Limited time outside
- Limited exposure to interacting with other children and sharing
- Difficulty with Self-regulation

Self-Regulation

High Emotional Intelligence

Promotes optimistic point of view.

Reacts to hurt by processing feelings.

Is emotionally resilient.

Low Emotional Intelligence

Lets negative feelings dominate.

Reacts to hurt with physical violence.

Carries grudge and is unforgiving.

Additional Services

Summer ECEAP Support for Families:

Helped families connect to health services

Assisted with enrollment for kindergarten and preschool

Provided educational activities at the park - weekly

Parenting tips - home visits, park visits (during Food Service times)

Community resources - Handouts, phone contacts, homebound

Parenting Classes: We have teamed with the Grays Harbor Early Learning Coalition and the Grays Harbor Community Foundation to offer parenting classes throughout the county.

Preschool Family Nights: We offer make-it and take-it family nights through the year

ECEAP Parent Policy Council: Meet 5 times a year with families to cover policies and receive feedback to improve our program

PLAN: MOVING FORWARD

Continue to educate the community and advocate for continuing and expanding early childhood education

Plans for Growth:

- With increased enrollment; consideration should be given to returning some preschools to neighborhood schools
- Transitional Kindergarten
- Partnering with Snug Harbor to provide Early ECEAP services to teen parents

TOUCHING SO MANY LIVES IN THE HARBOR

***** End of report *****

Introduction

CSG Building Commissioning Group has contracted with Aberdeen School District to ensure that the schools in the district have adequate outside air based on American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE) Guideline 62.1. It has been shown that good indoor air quality improves the learning environment and health of the students and teachers. Although studies have shown the results of good indoor air quality for years, the pandemic has brought the issue to the forefront. Funding has also been made available through the Elementary and Secondary School Emergency Relief Fund (ESSER Fund).

This is a report of the findings of the first look at the Aberdeen schools and the issues found. Outside Air (OA) has been measured in all schools and where possible the correct setting was determined. If the correct air flows were achieved, the code damper position was noted and entered on a table that will be provided to the district. This will ensure that the correct damper position can be maintained over time. At this time, the systems in all buildings are set at the same location as found when CSG started, to ensure that maintenance staff have the same system they're used to for the time being.

Issues were found where clogged screens, rusted and binding dampers, or controls issues prevented an accurate reading. If adjustments were not possible, the issue was noted, and steps needed to correct the issue have been included along with the estimated cost.

CSG is aware of maintenance staffing. Some of this work will need to be performed by a mechanical contractor. A controls contractor will also need to be engaged for additional work to make the systems work correctly. CSG can oversee the corrections necessary and get the systems working as an addition scope of work to our contract. Pricing for all this scope of work will be presented to the district prior to the start of any work for approval.

Prioritization

- In some areas, OA is not available. These areas are prioritized as **URGENT**.
- Restricted OA due to controls or other issues have been prioritized as **HIGH**.
- Rooms receiving OA, but not at a controllable level have been prioritized as **MEDIUM**.

Breakdown of Individual Schools for **Urgent Issues (No outside air)**

Stevens Elementary School

Scope of work needed: Mechanical Contractor/Controls Contractor

1. *Issue:* Clogged screens blocking most or all the outside air in the classroom unit ventilators. Also, dirt at the bottoms of the unit ventilators blocking movement of the outside air louver.
Recommendation: Hire mechanical contractor to remove outside rain louvers, dispose of all the screens since they are too small in mesh (these are very fine mesh like window screens), clean the bottoms of unit ventilators that are restricting damper movement, install 1/8" hardware cloth (approximately the same size as at AJ West) behind the louvers. Once the screens are clean and the bottoms of the unit ventilators are clean, then the outside air & return dampers can move freely throughout their range, and CSG can set the correct outside air percentages. Estimated cost 21 classrooms / \$1500 = **\$31,500**.
2. *Issue:* Four portable classrooms with no outside air.
Recommendation: In the old portables 201 and 202 replace the outside air damper actuator or damper controller on the Bard heat pumps. In the new portables A and B enter the thermostat code and set the thermostat menu to "Continuous Fan Mode", otherwise those portables also have no outside air. This would be a lower cost option but not recommended for Clean Building compliance.

Best solution is to add Bard ERV units into existing HVAC units on portables. Change thermostats to programable units with CO2 monitoring and occupancy sensors that allow units to run based on occupancy. Estimated cost 6 classrooms /\$6,500 = **\$39,000**

3. *Issue:* No exhaust in health room restroom.

Recommendation: 1. Connect health room restroom to existing exhaust duct in adjacent restroom. 2. Undercut health restroom door. 3. Install one larger inline exhaust fan to serve both restrooms. Install larger exhaust fan to serve two restrooms, including ducting. **\$5,500**

Total Urgent issues estimated cost for Stevens Elementary **\$76,000**.

A J West Elementary

Scope of work needed: Mechanical Contractor/Controls Contractor

1. *Issue:* Clogged screens blocking most of the outside air in the unit ventilators in five classrooms. Also, dirt at the bottoms of the unit ventilators blocking movement of the outside air damper.

Recommendation: Hire contractor to clean the screens and the bottoms of the unit ventilators that are restricting damper movement (outside rain louvers not removeable). Once the screens are clean and the bottoms of the unit ventilators are clean, check to see that the outside air and return dampers can move freely throughout their range, and CSG can set the correct outside air percentage. 14 classrooms / \$1,250 = **\$17,500**.

2. *Issue:* Two portable classrooms with no outside air.

Recommendation: Replace outside air door actuator or controls in old portables 21 and 22. Also set the thermostats in portables 23 and 24 so that the fan runs continuously, otherwise those portables also have no outside air. This would be a lower cost option but not recommended for Clean Building compliance.

Best solution is to add Bard ERV units into existing HVAC units on portables. Change thermostats to programable units with CO2 monitoring and occupancy sensors that allow units to run based on occupancy. 4 classrooms /\$6,500 = **\$26,000**

3. *Issue:* Classrooms 19 and 4 have more serious issues non-functioning actuators (19) or frozen actuators (4).

Recommendation: Replace damper actuators in two units. 2 classrooms / \$2,500 = **\$5,000**

4. *Issue:* The five classrooms with mini splits have no outside air.

Recommendation: Install 5 heat recovery ventilators (HRVs) through the outside classroom walls (such as the kind in the Miller modulars), or possibly install one large central HRV in the relief ductwork. The individual classroom through wall units would not need an engineer as they could be chosen from a catalog and installed with a connection to the DDC controls so they would run during occupied hours. A larger central HRV would need an engineer to design the size, specify additional ductwork to the classrooms for a return path to the HRV, and dampers for balancing the flow. Install 5 heat recovery ventilators in classrooms with mini-split systems for outside air. (These are like the modular units at Miller Jr. High School.) 5 classrooms / \$7,500 = **\$37,500**.

Total Urgent issues estimated cost for A J West Elementary **\$86,000**.

Miller Junior High School

Scope of work needed: Mechanical Contractor /Controls Contractor

1. *Issue:* Four modular classrooms have no outside air.

Recommendation: Install the same or similar HRVs as in the other classrooms. These individual classroom through wall units would not need an engineer as they could be chosen from a catalog and installed with a connection to the DDC controls so they would run during occupied hours.

Install 4 heat recovery ventilators in classrooms with no outside air. (These are like the existing modular units in the rest of the modular at Miller Jr. High School.) 4 classrooms / \$7,500 = **\$30,000.**

2. *Issue:* Health room doesn't have large enough exhaust fan to make the health room negative. *Recommendation:* Install larger fan at existing health room restroom exhaust duct. Install larger fan at existing health room restroom. **\$5,500**

Total Urgent issue cost for Miller Junior High **\$35,500.**

Robert Gray Elementary School

1. *Issue:* Portable P2 has no outside air since its outside air damper actuator is broken. *Recommendation:* Replace outside air damper actuator. Estimated cost \$2,000
Also needed: best solution is to add Bard ERV units into existing HVAC units on portables. Change thermostats to programable units with CO2 monitoring and occupancy sensors that allow units to run based on occupancy. 2 classrooms /\$6,500 = **\$13,000.**

Total Urgent issue cost for Robert Gray Elementary = **\$15,000**

Central Park Elementary School

Scope of work needed: Mechanical Contractor /Controls Contractor

1. *Issue:* Health room doesn't have large enough exhaust fan to make the health room negative. *Recommendation:* Install larger exhaust fan at existing health room restroom exhaust duct (and connect to the DDC system so it stays on during occupied hours (rather than switch off at the bathroom switch)). Install larger fan at existing health room restroom. **\$5,500**

Total Urgent Issues estimated cost for Central Park Elementary School = **\$5,500**

Total estimated cost for Urgent Issue Corrects at all schools = \$217,50

Breakdown of Individual Schools for High Issues (Restricted outside air)

Stevens Elementary School

Scope of work needed: Mechanical Contractor /Controls Contractor

1. *Issue:* Pneumatic actuators have reached the end of their life in the library, and outside air can no longer be controlled by the DDC system. *Recommendation:* If possible, make one functioning unit for the library out of the two library units. Or buy a pneumatic actuator for the one functioning unit. Estimated cost is **\$3,500.**
2. *Issue:* Cafeteria and gym dampers have issues with control signals being backwards, and the dampers possibly being open at night, and CSG made changes to the controls settings to revise signal. *Recommendation:* CSG will verify that changes made to the controls are working. At this time there is no cost associated with this repair. For budget purposes add **\$2,500** for Controls work.

Total estimated cost for High priority issues at Steven Elementary School = **\$6,000**

A J West Elementary School

Scope of work needed: Mechanical Contractor /Controls Contractor

1. *Issue:* The Johnson Controls DDC system for this school is programmed for 0V to 10V dampers actuators, yet the school was built with 2V to 10V actuators. So, when the DDC system tells the dampers to open, they don't open enough, and the school doesn't get sufficient outside air. An attempt was made to correct the damper positions to compensate, however now the dampers stay open at night. This school will need to have the damper control reprogrammed with a Johnson Controls programmer, or the DDC controls will need to be replaced in their entirety.

Recommendation: Either obtain advice from a Johnson Controls programmer on how to set up the controls to match or come up with a proper way to ratio the damper actuators so they open properly and don't stay open at night. Best option is to replace with new Alerton controls. 49,678 square feet elementary school @ \$5.65 = **\$280,681**

Total estimated cost for High priority issues at A J West Elementary School = **\$280,681**

Miller Junior High School

Scope of work needed: Mechanical Contractor /Controls Contractor

1. *Issue:* Some of the 40+ year old outside air and return air damper pivots are rusted and dampers do not stroke to their full 0% or 100% positions, making it impossible to set the correct outside air percentage. It's estimated that 30% of the damper pivots are rusted somewhat, however they all need to be lubricated to prevent future corrosion.

Recommendation: Mechanical contractor will lubricate all pivots where the damper pivots are rusting inside the damper arms, exercise the dampers until they are free, and lubricate again. Once the outside air and return dampers move freely throughout their range, CSG can set the correct outside air percentage. 50 units / \$ 800 = **\$40,000**

Note that damaged or broken dampers may need to be replaced and this would be additional cost. CSG recommends having a mechanical contractor check 3-5 dampers if the worst dampers and see if they can get them into working order before establishing a final budget. This would be from the MRSC roster and with a "not to exceed amount of **\$5,000". This would give the district a better idea for budgeting the work.*

Total estimated cost for High priority issues at Miller Jr. High School = **\$45,000**

McDermoth Elementary School

Scope of work needed: Mechanical Contractor /Controls Contractor

1. *Issue:* The air handler outside air and return air damper pivots are rusted and dampers do not stroke to their full 0% or 100% positions, making it impossible to set the correct outside air percentage.

Recommendation: Hire contractor to lubricate locations where the damper pivots are rusting inside damper arms, exercise the dampers until they are free, and lubricate again. Once the outside air and return dampers move freely throughout their range, CSG can set the correct outside air percentage. 4 units / \$1,250 = **\$5,000**

2. *Issue:* Because the return fan to supply fan offset ratios for the air handlers have been lost, the whole school is negative and outside air is inadequate and can't be measured.

Recommendation: Rebalance the three (3) air handler supply ducts and three (3) return ducts for AHU1 and AHU2, and the single (1) supply and return ducts for AHU3 and 4, to determine offset ratios for the return fans. CSG can perform this TAB work but is added scope of **\$12,000**.

3. *Issue:* VAV boxes are not set in the controls to the correct size, design flow or are not calibrated

to flow the correct air to each room.

Recommendation: Ensure that the VAV box sizes and flow numbers are entered into the control system. Then calibrate all the VAV boxes. The DDC controls vendor will need to ensure the calibration blank is visible on the control's graphics, and CSG can then calibrate the boxes. During our visit the calibration blank was not visible on the controls. With access to the control field blank, CSG can perform the necessary TAB work with the control's contractor for estimated cost of **\$23,000**.

4. **Issue:** It appears that various sensors and control strategies were never re-installed or implemented when a controls upgrade was performed. An example of this is missing supply duct pressure sensors.

Recommendation: The usual and normal sensors and controls programming that are necessary for a functioning air handler and VAV system will need to be installed by the DDC controls vendor before this school will be comfortable, have the proper amounts of outside air, and operate with low energy costs. Estimated cost **\$22,500**.

Total estimated cost for High priority issues at McDermoth Elementary School = **\$62,500**

Robert Gray Elementary School

Scope of work needed: Mechanical Contractor/Controls Contractor

1. **Issue:** The air handler damper shafts are rusted and causing the Belimo actuators to hit their maximum torque and stop before the outside air and return dampers are fully open or fully closed.

Recommendation: Hire mechanical contractor to lubricate locations where the damper pivots are rusting inside damper arms, exercise the dampers until they are free, and lubricate again. Once the outside air and return dampers move freely throughout their range, CSG can set the correct outside air percentage. 4 Units / \$1,250 = **\$5,000**

2. **Issue:** VAV boxes are not set in the controls to the correct size, design flow or are not calibrated to flow the correct air to each room.

Recommendation: Ensure that the VAV box sizes and flow numbers are entered into the control system. Then calibrate all the VAV boxes. The DDC controls vendor will need to ensure the calibration blank is visible on the control's graphics, and CSG can then calibrate the boxes. During our visit the calibration blank was not visible on the controls. With access to the control field blank, CSG can perform the necessary TAB work with the control's contractor for **\$23,000**.

Total cost estimate for High priority issues at Robert Gray elementary school = **\$28,000**

Central Park Elementary School

Scope of work needed: Mechanical Contractor /Controls Contractor

1. **Issue:** The air handlers for the administration and gym do not function properly in the controls. The damper settings do not move for the admin, or can't be manipulated for the gym, via the controls.

Recommendation: The DDC vendor will need to reprogram the sequences/graphic for the outside air dampers. Then CSG can then set the outside air. Estimated cost **\$6,500**.

2. **Issue:** The CO2 sensor for the administration air handler no longer works. This either over ventilates and wastes energy, or under ventilates.

Recommendation: The CO2 sensor can be replaced by the District, the DDC vendor or a mechanical contractor. CSG can then set a small per-square-foot damper setting for both the admin and the gym to save energy, and the damper can then open further if there are occupants in the spaces. Estimated cost **\$3,500**.

Total cost for high priority issues for Central Park Elementary School = \$10,000

Aberdeen High School

Scope of work needed: Mechanical Contractor /Controls Contractor

- 1. Issue:** Many of the outside air, return air, and relief air damper pivots are rusted, and dampers do not stroke to their full 0% or 100% positions, making it impossible to set the correct outside air percentage. This is particularly problematic in the smaller blower coil (BC) units.
Recommendation: Hire mechanical contractor to lubricate locations where the damper pivots are rusting inside damper arms, exercise the dampers until they are free, and lubricate again. Once the outside air, return air and relief air dampers move freely throughout their range, CSG can set the correct outside air percentage. 55 Units / \$750 = \$41,250

Total cost for high priority issues for Aberdeen High School = \$41,250

Total estimated cost of High Priority corrections at all schools = \$473,431

All items in green below will be evaluated and completed by ASD maintenance staff, unless otherwise noted.

Breakdown of Individual Schools for Medium Issues (Receiving outside air/not controlled)

AJ West Elementary School

- 1. Issue:** AHU-118 (gym east) doesn't turn on in the DDC system. Unit will run if set to hand. Filters are perfectly clean meaning the unit is not being used.
Recommendation: Either obtain advice from a Johnson Controls programmer to get unit to run or best recommendation is to wait until controls are upgraded to Alerton (See High Priority).
- 2. Issue:** UV-23 through 27 (classrooms 15-19) outside air damper doesn't close off the return. As a result, the amount of outside air won't correspond with the outside air damper position since more than the normal amount of return air is being provided to the classroom.
Recommendation: Hire mechanical contractor to adjust linkages on the dampers. 5 units /\$750 = \$3,750.
- 3. Issue:** Portable classroom 25 the outside air damper stalls at 50% open because it touches the side of the outside air box.
Recommendation: Hire mechanical contractor to straighten out the outside air box. \$1,600

Total Medium priority issues estimated cost at AJ West Elementary = \$5,350

Miller Junior High

- 1. Issue:** Duct is torn at various places, allowing air into the attic rather than classrooms.
Recommendation: Hire mechanical contractor to repair or tape the ducts. \$5,000
- 2. Issue:** HV-10 (classrooms 116, 117, 119, hall 100B) - OSA damper at 80% when commanded to 20%.
Recommendation: Have ATS correct the control programming. \$2,500
- 3. Issue:** HV-16 (room 138 (shop B)) - not working at all due to mechanical failure (probable motor).
Recommendation: Hire mechanical contractor to repair equipment. \$6,500

Total Medium priority issues estimated cost at Miller Jr. High = \$14,000

McDermoth Elementary School

1. *Issue:* Outside air duct for AHU-2 (library, admin) is open to the mezzanine and drawing in attic air, resulting in warm or cold library.
Recommendation: Hire mechanical contractor to close duct. \$4,750
2. *Issue:* AHU-4 (gym) - Unable to set outside air damper position in the DDC controls.
Recommendation: Have DDC control programmer correct controls. \$6,800

Total Medium priority issues estimated cost at McDermoth Elementary = \$11,550

Central Park Elementary School

1. *Issue:* Room 13 (UV-18) return damper gets stuck, resulting in low outside air delivered to the classroom.
Recommendation: Hire mechanical contractor to bend damper box. \$2,000

Total Medium priority issues estimated cost at Central Park Elementary = \$2,000

Aberdeen High School

1. *Issue:* A few dampers are programmed for 0V to 10V in the Alerton DDC system, yet the school was built with 2V to 10V actuators. So, when the DDC system tells the dampers to open, they don't open enough, and the school doesn't get sufficient outside air. A few dampers are also programmed backwards in the Alerton DDC system, so they close when they should open.
Recommendation: Once the dampers are freed up and lubricated and more throughout their range, the incorrectly programmed dampers can be identified by CSG and programmed correctly by an Alerton programmer. DDC programmer cost \$7,500

Total Medium priority issues estimated cost at Aberdeen High School = \$7,500

Total estimated cost for Medium Issues corrections at all schools= \$40,400

School	Urgent	High	Medium	CSG Manage	Total	Contingency	Grand Total
Stevens Elementary	\$76,000	\$6,000	\$0	\$12,300	\$94,300	\$16,974	\$111,274
AJ West Elementary	\$86,000	\$280,681	\$5,350	\$55,805	\$427,836	\$77,010	\$504,846
Miller Jr. High	\$35,000	\$45,000	\$14,000	\$13,350	\$102,350	\$18,423	\$120,773

RE: District Office Window Bid

Bids were open on November 15, 2022 at 3:00 pm for the District Office windows. One bid was submitted.

Upon review, the bid did not meet the window specifications set forth by the District.

At this time the recommendation is for the bid to be rejected. The rejection rationale is that the bid was unresponsive due to bidding a different type of window than requested.

This will allow the district to advertise for new bids in order to continue moving forward with this project.

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding (“**MOU**”) is between the Aberdeen School District (“**District**”) and Morningside (“**Agency**”) and is effective upon execution by both parties.

1. **Purpose.** The purpose of this MOU is to enable the Agency to provide work experiences and support through outside sources for the student identified on the Student Internship Agreement (Attached) at District facilities to allow greater access to vocational goals.
2. **Duration.** This MOU is effective for the remainder of the 2022-2023 school year, unless terminated earlier in accordance with this MOU.
3. **Services.** Agency may provide the following services for the student who Agency has determined is eligible for such services at District facilities:
 - a. 40 hours of internship opportunity at the agreed upon location, with a mutually agreeable extension up to 120 hours; and
 - b. Provide the student with an Employment Consultant counseling, problem solving and job coaching as it relates to the internship.
4. **Service Delivery.** All services provided by Agency under this MOU will be performed under the direction and supervision of Agency. Agency agrees to ensure that the delivery of services authorized by this MOU does not interfere with the District’s educational program or provision of instruction and services to students, including the provision of a free, appropriate public education under the Individuals with Disabilities Education Act (“**IDEA**”) to eligible students with disabilities.
5. **Educational Services.** The District maintains full responsibility and authority for the educational programs of its students. Treatment or services authorized by this MOU are not educational services and may not be construed as a component of a student’s educational program.
6. **Parent Consent.** Before providing services to a student at a District facility, Agency must provide the District with evidence that the student’s parent has provided written consent for the student to receive the services. The student’s parent must also sign a release of information form authorizing the District and Agency to exchange information and records related to the student.
7. **Compensation.** Agency is responsible for all costs and expenses associated with the services authorized by this MOU. The District will not provide Agency with any compensation for services authorized by this MOU.
8. **Compliance with Laws.** Agency and its employees must comply with all laws, rules, regulations, and other requirements applicable to the treatment or services provided by Agency at District facilities.

MEMORANDUM OF UNDERSTANDING

9. **Criminal Background Check.** Agency and any of its employees, agents, volunteers, and contractors who will provide services at a District facility must complete and pass a background check through the Washington state patrol criminal identification system, including a fingerprint check, and through the Federal Bureau of Investigation criminal justice information systems. Background checks must be completed at Agency's expense prior to the start of services. Agency will maintain record reports and make them available to the District upon request.
 - a. **Disqualifying Criminal Records.** Agency and any of its employees, agents, volunteers, and contractors who have pled guilty to or been convicted of any felony crime specified under RCW 28A.400.322 are prohibited from providing services at a District facility.
10. **Confidentiality.** Agency and all of its employees, agents, volunteers, and contractors must comply with the Family Educational Rights and Privacy Act, 20 U.S.C. Section 1232g, 34 C.F.R. Part 99; WAC 392-172A- 05180 through 392-172A-05245; and the Health Insurance Portability and Accountability Act of 1996 with respect to the confidentiality of personally identifiable information and education, health, and medical records.
11. **License and Certification Requirements.** Agency must ensure that it and any of its employees, agents, volunteers, and contractors who provide services at District facilities comply with all Washington state licensing, accreditation, and/or certification requirements applicable to the services.
12. **Insurance.** Agency will provide the District with evidence of Professional Liability insurance in the amount of at least one million dollars (\$1,000,000.00).
13. **Independent Contractor.** This MOU may not be construed to create a partnership, agency relationship, or employer-employee relationship between the District and Agency or any of its employees, agents, volunteers, and contractors.
14. **Workers' Compensation.** Agency expressly waives any immunity or limitations (e.g., on the type or amount of damages, compensation, benefits, or liability payable by Agency) under any industrial insurance, workers' compensation, disability benefit or similar law, rule, regulation or order of any governmental authority having jurisdiction (including, but not limited to, the Washington Industrial Insurance Act, Title 51 of the Revised Code of Washington).
15. **Indemnification.** All activities performed by Agency and its employees, agents, volunteers, and contractors are done under Agency's supervision at its own risk. Agency agrees to indemnify, defend, and hold the District harmless from any liability, claim, loss, damages, injuries, or expenses arising out of Agency's provision of services authorized by this MOU.

STUDENT INTERNSHIP AGREEMENT

This is an agreement between Morningside, Charles Matthynssens and Aberdeen School District,

for the purpose of providing the student with work experiences that lead to identifying their vocational goal, interest in a particular industry/job classification and the supports the student will need to be successful in their chosen field.

Morningside, through its High School Transition Program, has selected an intern site that is appropriate to the student's interest, skills, and known potential at this time. An Employment Consultant will be available for counseling, problem solving, and job coaching.

The school will provide the student an internship opportunity to experience the job for 40 hours. Once 40 hours are completed Morningside can give an option for student and business to extend hours to up to 120 hours. The Business will orient him to the rules and regulations that should govern his behavior and will provide supervision and instructions and feedback about the student's potential for employment in this type of work.

The student is participating voluntarily and will comply with rules and regulations as described and will endeavor to utilize the opportunity to his vocational development.

ALL PARTIES UNDERSTAND THE FOLLOWING CONDITIONS:

- This does not represent an employer-employee relationship. It is an assessment/evaluation for the benefit of the student.
- Morningside is responsible for student's wage for internship if the student is funded through Pre-ETS contract.
- The student does not replace regular workers or fill an existing vacancy.
- The student is not necessarily entitled to employment after the assessment.
- In case of emergencies, including injuries, Morningside should be notified. The student is covered under Morningside's insurance.
- The student, the internship site or Morningside may terminate or modify the internship by notifying all the parties.
- Prior to beginning the Internship, the student will be given the opportunity to tour the site and meet the site supervisor.

INTERNSHIP SITE: _____

FIRST DATE OF INTERNSHIP: _____

On behalf of Morningside and Charles, we want to thank you for providing this opportunity for students to make the transition to a successful future of employment in the community.

MEMORANDUM OF UNDERSTANDING

This memo of understanding (“**MOU**”) is between the Aberdeen School District (“**District**”) and Fir Tree Piano (“**Contractor**”) and is effective upon execution by both parties.

1. **Purpose.** The purpose of this MOU is to enable the Contractor to provide piano tuning services for Aberdeen High School and Miller Junior High School.
2. **Duration.** This MOU is effective for the remainder of the 2022-2023 school year, unless terminated earlier in accordance with this MOU.
3. **Services.** Contractor will:
 - a. Provide up to two piano tuning services annually for each of the following buildings: Miller Jr High School and Aberdeen High School;
 - b. Charge \$225 per piano tuning;
 - c. Charge \$10 per piano travel fee, unless more than one piano is being tuned during the same visit;
 - d. Service pianos at a mutually agreed upon time of the school and the contractor, outside of the student day; and
 - e. Request in writing additional services if more than two per year per piano are necessary.
4. **Compensation.** Contractor is responsible for all costs and expenses associated with the services authorized by this MOU. The District will not provide Contractor with any compensation for services not authorized by this MOU.
5. **Criminal Background Check.** Contractor and any of its employees, agents, volunteers, and contractors who will provide services at a District facility must complete and pass a background check through the Washington state patrol criminal identification system. The contractor must ensure the background check is complete and in compliance with the statement below. The contractor will make the background check available to the District upon request.
 - a. **Disqualifying Criminal Records.** Contractor and any of its employees, agents, volunteers, and contractors who have pled guilty to or been convicted of any felony crime specified under RCW 28A.400.322 are prohibited from providing services at a District facility.
6. **Confidentiality.** Agency and all of its employees, agents, volunteers, and contractors must comply with the Family Educational Rights and Privacy Act, 20 U.S.C. Section 1232g, 34 C.F.R. Part 99; WAC 392-172A- 05180 through 392-172A-05245; and the Health Insurance Portability and Accountability Act of 1996 with respect to the confidentiality of personally identifiable information and education, health, and medical records.

MEMORANDUM OF UNDERSTANDING

7. **Insurance.** Contractor will provide the District with evidence of Professional Liability insurance in the amount of at least one million dollars (\$1,000,000.00).
8. **Independent Contractor.** This MOU may not be construed to create a partnership, agency relationship, or employer-employee relationship between the District and Contractor or any of its employees, agents, volunteers, and contractors.
9. **Workers' Compensation.** Contractor expressly waives any immunity or limitations (e.g., on the type or amount of damages, compensation, benefits, or liability payable by Contractor) under any industrial insurance, workers' compensation, disability benefit or similar law, rule, regulation or order of any governmental authority having jurisdiction (including, but not limited to, the Washington Industrial Insurance Act, Title 51 of the Revised Code of Washington).
10. **Indemnification.** All activities performed by Contractor and its employees, agents, volunteers, and contractors are done under Contractor's supervision at its own risk. Contractor agrees to indemnify, defend, and hold the District harmless from any liability, claim, loss, damages, injuries, or expenses arising out of Contractor's provision of services authorized by this MOU.
11. **Termination.** Either party may terminate this MOU for any reason by providing written notice 30 days prior to the termination. The District may terminate this MOU effective immediately if the District determines that termination is necessary for the health, safety, welfare, or education of students or staff members.
12. **Governing Law.** This MOU shall be construed and interpreted in accordance with the laws of the State of Washington and the United States.

By signing below, each party certifies its agreement to the terms of this MOU.

RE: Surplus Vehicles

DATE: November 15, 2022

The following vehicles have been utilized in the automotive program at Aberdeen High School. The students have maximized their use and I recommend these items for surplus.

2001 Saturn LW200 Wagon	VIN # 1G8JU82F01Y515280 421,206 miles Value: \$100.00 (scrap)
1998 Lexus LS	VIN # JT8BH28F8W0136227 171,339 miles, runs Value: \$500.00
2001 Toyota Sienna Van	VIN # 4T3ZF13CX1U409802 210,998 miles, runs Value: \$500.00
1994 Plymouth Grand Voyager	VIN # 1P4GH54L8RX367477 236,565 miles, runs Value: \$500.00
1996 Honda Accord	VIN # 1HGCD5539TA208282 138,000 miles Value: \$100.00 (scrap)

Thank you for your consideration.

Surplus December 2022
Board Action: Dec. 13, 2022
