BAND CLASSIFICATION:

Class A = 1-30 Winds and Percussion Class AAA = 51-75 Winds and Percussion

Class AA = 31-50 Winds and Percussion Class AAAA = 76+ Winds and Percussion

This Classification may be adjusted by + or - a little to make it to where there are not a lot of band in one class and only a couple in others. Classes may be split in this case to allow for more of a chance for bands to earn awards in their classification.

We will count 7th and 8th graders that are marching in your band as ½ of a player towards your total.

*Please understand that the number of WIND/PERCUSSION PLAYERS for each group will be counted as your band ENTERS and EXITS the field. Once I get your numbers, I will classify the bands based on the numbers you submit. Bands will be classified to try and keep classes from being too large if at all possible. Bands who wish to willingly move up a class may do so, but no Band will be allowed to move down a class.

You may do any type of show you wish. YOU WILL BE JUDGED ON HOW WELL YOU DO WHAT YOU DO. The Deshler Band Boosters will provide assistance and transportation for your pit/front ensemble equipment. There is NO fire of any kind or confetti allowed on the playing surface allowed. This is a turf field. Any damage that occurs as a result of breaking this rule may result in your school being held responsible financially for needed repairs. Also, violations will result in disqualification from receiving awards.**
