CAMPUS ACADEMIC SUPPORT

General Academic Support

Required Tutorials

Tutorials are mandated by the State of Texas through House Bill 4545 and House Bill 1416. These are targeted tutorials for our students who did not pass their STAAR or End of Course Exams. Tutorials occur on Tuesdays and Wednesdays from 4:00 PM to 5:30 PM. The schedule for Tutorials will be released at the start of each semester. Students are invited based on their previous year's scores and are required to complete a minimum of 15 hours of tutorials per course content.

All tutorial information for both Teacher Tutorials and Unified Tutorials will be communicated to families at the start of each semester. Students required to attend Unified Tutorials will receive individual parent letters electronically within the first 6 weeks of each semester. Students attending any after-school tutorials must adhere to behavior and late pick-up policies as stated in those sections.

Unified Tutorials will begin on Tuesday, October 8th. The schedule for this year will be **Tuesday and Wednesday, 4:15 pm to 5:15 pm**. Tutorials will be **required** for any student who did not pass or is missing a STAAR test. If a student is required to attend, you will receive a letter notifying you of which days and subjects they will need to attend. Transportation will be provided by the campus and will be sent out as we get close to the beginning of Unified Tutorials.

YES Prep Brays Oaks will also offer Teacher Tutorials this year. These will be based on data from individual classes. Teacher Tutorials will also be offered during Advisory times each week. You will

receive notification from your child's teacher if they notice a need for additional support to be successful in their class.

CAMPUS CULTURE

Campus Core Values

YES Prep Brays Oaks core values are as follows: **Courage, Quality, Learning, Perseverance, Community and Honor**. Our goal is to instill these values in our students and develop a college-ready character. At YES Prep Brays Oaks, there are behaviors that we expect students to exhibit. These behaviors contribute to building school pride and ensuring a safe learning environment, maintaining a strong focus on learning, and treating all members of our community with kindness and respect. When a student does not exhibit these behaviors, they are negatively impacting their own learning environment and that of their peers.

Positive Incentives

Students will have the ability to earn CAV points for displaying our values through positive behaviors and interactions. Each positive behavior/interaction is worth five points and will be logged through the HERO system. Students will use these points to buy items at the CAV Mart and other incentives. You can track how many CAV points your child has by creating an account through [Login | Hero \(heropowered.com\)](https://heropowered.com)

Students will also receive rewards and recognitions based on their academic growth, overall academic performance, behavior, and/or attendance through their grade level family meetings.

Lastly, students that are in good academic and behavioral standing will have the opportunity to engage in Fall and/or Spring field trips with their grade level teams. Our field trips will allow for students to build team, have fun, and express themselves.

Before School Expectations and Procedures

1. **Student Arrival before 7:30am:** Once a student arrives to campus, the student should wait under the Y-awning until the front doors open at 7:30 am. Students may not go in the gym, lobby, upstairs, or roam the neighborhood while they wait- no exceptions.
2. **School doors open at 7:30am:** Students will come in through the cafeteria doors in dress code, grab breakfast (breakfast hours are from 8:00- 8:30 am) and sit in designated spots until they are dismissed at 8:20 am. Students may use technology and work on homework during this time. Once dismissed, students will throw away garbage then report directly to their first period classroom floor. Uniform checks will also happen during this time.
3. **First period floor dismissal at 8:20am:**

 - **Athletics/Sports:** If a student has practice, the student should wait in the cafeteria at the designated table until they are picked up by the athletic director or coach.

After-School Programming

Students may have after-school programming for a variety of reasons: HYPE clubs, athletics, tutoring, and/or social trips with teachers and peers. All activities will be communicated ahead of time to guardians and will always be supervised by at least one staff member. Parents can reach out to the staff member directly coordinating the event if they have questions or can call the Front Office for more information as needed. Families and students should be clear on their activities end time to avoid excessive time on campus after an event. A staff member will always stay on campus or the location of the event until the last student is picked up.

HYPE clubs will be available for all students to engage in after-school at no cost to students from 4:15 pm to 5:15 pm on designated days. HYPE clubs will include fun enrichment opportunities for students to engage in. Specific club details will be shared with students and parents in September.

[Back to Top](#)

Students must sign enrollment forms to participate and are expected to follow the same behavioral and community norms as during the school day.

If participating in any afterschool activity, all students should report immediately to the cafeteria and wait at their assigned table. The assigned staff member will travel with the student to their HYPE club location, tutorial room, or the gym. If a student leaves campus on their own, they will not be allowed re-entry onto campus. At the end of their programming, parents may wait in the parking lot as students are released. We ask that all students be picked up within 15 minutes of the dismissal time of their activity {5:30 pm}. In case of an emergency, please contact the school to update after-school staff.

day. Teachers can check out classroom-appropriate headphones for their classrooms from their Dean of Instruction if needed for a classroom lesson/activity.

CAV Accountability: students’ cell phones or headphones will be **collected** if they are out during class instruction for the **first offense** by a Dean of Students. Headphones out in the hallway during transitions or restroom breaks will result in an administrator collecting the headphones. Cell phones out in the hallway during a restroom break will result in an administrator collecting the cell phone. Continual non-compliance with our cell phone and headphone policy will result in additional escalated consequences. Any cell phone or headphone that is collected will be held until the end of the day and returned to the student for all first offenses. For the second offense or greater a parent will be required to pick up the cell phone from a school administrator.

Food and Drink Expectations

Drinks: For safety reasons, students may only carry water in clear plastic containers (no glass containers are allowed) into their classrooms or around campus throughout the day. No glass bottles are permitted on campus at any time. Students may bring school-appropriate beverages to school to drink during lunch, but they must always be out of sight during the instructional day, until their lunch block. The drink must be unopened and sealed and in their backpacks. Students are not allowed to share drinks with other students while on campus, including during lunch.

Food: Students may only eat food in the cafeteria during morning breakfast {8:00-8:30} and in the cafeteria during their designated lunch time. Students are not permitted to share food with other students while on campus, including during lunch. Students are also not permitted to eat food in classrooms and school hallways.

Parent Food Drop-Off: Parents can only bring food for their student(s) and not for other students during their assigned lunch. Parents will be required to wait to hand off the food to the student when they enter the cafeteria. The front office will not handle or hold food for students at any point during the day. Students may not wait in the lobby or outside to pick up food.

- 6th and 7th Grade Lunch: 10:48am – 11:18am

CAV accountability: Escalated consequences will apply if food/drink expectations are not followed.

Dress Code Expectations

See more about the YES Prep Dress Code Philosophy and Policy in [the YES Prep Student Handbook](#). The following table breaks down how the campus expects students to follow the dress code policy.

If a student arrives to school not following the dress code below and the infraction is unfixable, the student will be held in In-School Suspension until the parent and/or student corrects the uniform. If the student has 2 unfixable dress code violations throughout the school year, the student will receive additional consequences.

Common Area Expectations

Students will be held accountable to HERO behavior expectations while on campus grounds (including before and after school) and in all common areas. Students may receive a demerit or CAV points from any staff member depending on their behavior in common areas including hallways and the cafeteria.

Students will be allowed to carry mesh or clear backpacks. To facilitate the flow of traffic within the school, students will be required during passing periods to travel upstairs by A stairwell (front) and downstairs by B stairwell (back) throughout the day. The only exceptions are during class time when students have a pass, before school when students can travel up by both stairwells and after school when they can travel down by both stairwells. Students may carry water in clear plastic containers (no glass) into their classrooms. Students may bring other beverages to school to drink only during lunch, but they must always be out of sight during the day. Students may not eat food in class.

To assist our students in “acting in a way that leaves a lasting impression on others,” we will be enforcing all expectations before and after school. Any student chewing gum, horse playing, walking on the grass or bushes without permission or behaving inappropriately may receive a demerit.

Lunch Time Expectations

Students will attend their lunch by decks (6th and 7th lunch, 8th and 9th lunch, 10th through 12th lunch). The Dean of Students for each deck will set specific expectations for lunchtime behavior and procedures for each deck. The following procedures are common across all decks:

- Students should report straight to the cafeteria at the beginning of lunch. If students arrive after the bell rings, they will receive a tardy demerit.

[Back to Top](#)

- Students are not allowed to leave the café for any reason during lunchtime.
- Students may not sit or eat in the lobby during lunch and the cafeteria doors must remain closed after students have entered the cafeteria for the lunch block.
- Students must adhere to all behavioral expectations for common spaces on campus.
- Students must have a pass or permission from a lunch monitor to use the restroom or microwave. Students may not use the microwave to pop popcorn or make cup of noodles/soups. Inappropriate use of the microwave will result in loss of microwave privileges.
- Students may not share lunch or snacks with other students at lunch. Students may not use a delivery service to have food delivered **at any time during the school day.**

Traffic Procedures

Maintaining orderly traffic patterns ensures that all students get to school safely and on time and minimizes guardian time spent waiting. The following rules are in effect from 8:00 a.m. to 8:45 a.m. and 4:00 p.m. – 6:00 p.m. (on early release days, the policy is in effect from 1:00 p.m. – 4:00 p.m.).

- ALWAYS enter the school through the Benning entrance. The gate on W. Bellfort is never to be used as an entrance and is for exit only.
- Do NOT enter through the Westbrae side gate (bus entrance) under any circumstances. The side gate is for bus entrance and vehicle exiting only.
- Do NOT make an illegal left turn into the Westbrae entrance. Not only is this dangerous for our students, but it backs up traffic and is disrespectful to those who abide to the traffic laws.
- Do NOT drop off or pick up students on Westbrae on the far side of the school property. This is dangerous for your student, and it makes students behind you late because you are blocking the entrance to the school. Alternatives, if you are running late, include dropping or picking up on the near side of Westbrae and allowing students to walk the sidewalk.
- Form a single lane as you enter the parking lot and do not allow your student out of, or into, your vehicle until you are in front of the building. This allows more cars to enter the parking lot and traffic to flow and clear traffic.
- Exit through the W. Bellfort gate.
- DO NOT park at Auto Zone or India House to pick up students. All passenger drop-offs and pick-ups must follow our traditional traffic pattern.

The traffic policy is crucial to ensuring student safety and minimizes wait time for all motorists.

Personal Items on Campus

Students are strongly discouraged from bringing valuable personal belongings to campus. The school is not liable for any personal belongings that students bring to campus (including phones, smartwatches, laptops, air pods, headphones, clothing, etc.) and will not conduct extensive investigations into missing belongings.

Student Drivers

- Student drivers may park on the Northwest (AutoZone) side of the building in the numbered parking spots closest to the gym and the field. Students must park in designated spots only and are not permitted to park at the front of the building or on the India House side of the building.

- Student drivers should obtain a Parking Permit from the Front Office by the end of the first week of school. Parking permits will only be given to those who have filled out the parking permit form and meet all requirements. If a student parks on campus without a parking permit, they may be ticketed and/or towed at the expense of the student driver.
- Students are required to have a valid driver's license and insurance to park on campus. No learners' permits are accepted for parking permits.
- There is a \$20 fee to park on campus.
- Student drivers should not back into spots when there is a line of student pick-up cars behind them to ensure efficiency of the traffic pattern.
- Student drivers must turn in license plate information via the student driver form for all cars when they register their vehicle. If license plate information changes, students are responsible for updating the information on file within 48 hours.
- Student drivers should adhere to all traffic rules, including speed limits and traffic patterns. Failure to follow traffic and parking expectations will result in loss of driving privileges and/or disciplinary action.
- Student driving privilege can be revoked if a student cannot follow the guidelines for parking on campus or a disciplinary consequence.
- Student vehicles on campus property are subject to searches scheduled by the administration to ensure campus safety.
- As a school, YES Prep Brays Oaks is not liable for any damage that can occur to students' vehicles that are parked on our campus.

Procedures for Seniors Leaving Early

YES Prep Public Schools allows qualifying seniors to have an early release their last year on campus. Seniors must meet the following conditions in order receive this privilege:

- ✓ Attend and pass all scheduled classes by the end of each quarter
- ✓ Receive 0 suspensions throughout the year
- ✓ Meet all attendance and tardiness expectations

Seniors will sign themselves out after 3rd period (2:30 PM) on their early release days at the Front Office, and they must promptly leave campus. Loitering inside or outside the building can be cause for revoking this privilege. Seniors will only be allowed back on campus if they have an official after-school activity. This privilege can only be utilized at the end of the day.

Please note that on any testing days or days where the entire campus is dismissing early, seniors will need to stay for the entire day and cannot leave before 4th period is complete.

This privilege may be revoked:

- ✓ If the student is failing any course at the end of the quarter
- ✓ If the student receives an in-school or out-of-school suspension at any time
- ✓ If the student does not follow traffic regulations while on school property, including taking any students with them who do not have early-release
- ✓ If the student fails to meet campus-based attendance requirements for this privilege
 - More than 8 absences (excuses or unexcused) in any semester their senior year
 - More than 8 morning/classroom tardies throughout the semester
- ✓ **If an administrator sees any other need for the privilege to be revoked**

If the early release privilege is revoked during first semester, it cannot be reinstated until second semester and only if campus administration agree that it can be reinstated. If the early release privilege is revoked during second semester, the student will officially lose this privilege for the remainder of the school year.
