WHEREAS, on March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic;

WHEREAS, on March 13, 2020, the U.S. President declared a national state of emergency and Governor Inslee ordered closure of all public and private K-12 schools in Washington State until April 24, 2020 to contain the spread of COVID-19; and

WHEREAS, the Office of Superintendent of Public Instruction (OSPI), which has authority to waive instructional hours and school days, to interpret graduation requirements, and to oversee the allocation of resources for nutrition, transportation, and other crucial aspects of public education is providing written guidance to Washington school districts on issues related to COVID -19, including but not limited to student attendance, distance/online learning, high school credit, meal distribution, and other issues;

NOW, THEREFORE BE IT RESOLVED, that the Aberdeen School District Board of Directors hereby suspends provisions of its board policies and/or whole policies, as identified by the Superintendent or designee, if such suspension is necessary to implement written guidance from OSPI relating to containing COVID-19 for the duration identified in the Governor’s order of March 13, 2020, and a subsequent order of school closure, if any.

BE IT FURTHER RESOLVED that the Superintendent will consult with the Board of Directors as feasible and appropriate, and timely report to the Board regarding the emergency closure and efforts to implement written guidance from health and government agencies as disseminated by OSPI.

BE IT FURTHER RESOLVED that the Superintendent is authorized to close any school facility without further action by the Board of Directors. Such closure shall continue during the emergency created by the COVID-19 pandemic until such time as the Superintendent, in consultation with appropriate health and government authorities, deems it in the best interests of the District and its students to open schools.

BE IT FURTHER RESOLVED that the Superintendent is authorized, based upon the needs of the District and the guidance from health and government agencies disseminated by OSPI, to direct staff

assignments during District closures, including but not limited to essential employees who must report to work, employees who may be reassigned, and employees whose services are not needed.

BE IT FURTHER RESOLVED that access to public school grounds and public school buildings of the District may be limited as directed by the Superintendent during District closures.

BE IT FURTHER RESOLVED that in light of this district-wide emergency closure, the Board of Directors declares an emergency in which advertising for bids and competitive bid procedures may result in material injury or damage to the public interest of the district. The Superintendent is granted the authority to waive the requirements of RCW 28A.335.190 requiring advertising for bids and competitive bid procedures for purchases which may be necessary due to the emergency. The Superintendent or designee will document the reasons prompt remedial action is necessary to prevent physical injury to persons or to property of the school district.

BE IT FURTHER RESOLVED that in the interest of public health, the board may encourage the public to attend its open public meetings via live streaming and to limit public comment to written comments. The Board reserves the right to adjust its meeting dates, times, and locations during the district-wide emergency closure in a manner consistent with the Open Public Meetings Act, and notes that any or all Board members may attend meetings electronically.

BE IT FURTHER RESOLVED that execution of this Resolution 2020-02 is conclusive evidence of the Board's approval of this action and of the authority granted herein. The Board warrants that it has, and at the time of this action had, full power and lawful authority to adopt this instrument.
