BOYLE COUNTY SCHOOLS CODE OF PUPIL CONDUCT

I. Philosophy

It is the intent of the Boyle County Board of Education to provide a positive school climate for all participants (students, teachers, administrators, parents/guardians) in the schooling process. The Board of Education believes that every student has the right to a relevant education without disruption and a corresponding responsibility not to deny this right to other students. Since students will spend their lives in contact with others, they must learn to control themselves and be effective in training themselves to be self-disciplined, socially responsible citizens. The Board of Education believes it to be a reasonable expectation for students to exhibit self-disciplined behavior. Disciplinary methods used by personnel will not only be aimed at preserving an atmosphere conducive to learning, but developing in student codes of behavior that are consistent with society.

II. School Authority

Pupils are under the authority of the principal and teacher from the time they leave home until they are properly released during the school day to their parents/guardians, when in attendance at any school function before or after school hours, and when under the supervision of school personnel off school property.

III. Participant Rights

The United States Constitution provides for the protection and safeguard of all people. In the same vein, there is responsibility inherent in all rights. Therefore, all participants in the schooling process must exercise the self-discipline and care necessary to afford others the same rights and to guarantee that their own actions do not infringe upon the rights of others. Semester-long courses are less than 120 seat hours (120 seat hours=1 Carnegie Credit). These semester-long classes will be equal to 1 Performance-Based Credit. Classes that are not performance-based credit may be .5 credit (these are noted in the course description book). Credit amounts will alter GPA.

PRE-COLLEGE CURRICULUM

Kentucky Pre-College Curriculum Certification must include a minimum of the following:

MATH– Algebra I, Geometry, and Algebra II, SCIENCE– Chemistry and FOREIGN LANGUAGE–Two credits are required

TRANSITION READINESS

The Kentucky Department of Education requires that all schools assess students to determine if they are college and/or career ready. Students are required to complete various assessments including, but not limited to ACT, KYOTE, EOP, and any other test deemed appropriate by the BAC (Building Assessment Coordinator). Students who have not met benchmarks are required to have intervention to include Transitions courses.

DROP/ADD

Students may drop a course and add a new course within the first three (3) days of a semester by completing a drop/add form. Students may switch between levels of a course (ex. Honors English I to English I) with teacher permission during the first two (2) weeks of a semester. No schedule changes will be allowed after the second week of a semester unless required by an ARC. **Students taking AP courses are required to sign an AP Contract. That contract states that schedule changes will not be allowed regardless of the circumstances after the first two weeks.**

CREDIT TRANSFER AND GRADING

Courses at Boyle County High School are classified as Performance Based credits (entire course is completed in one semester) and Carnegie Unit credits (A/B courses, AP Courses and other year long courses). One full (1) credit will be awarded at the end of the semester for a "Performance Based" course and One-half (1/2) credit will be awarded for "Carnegie Unit" course upon successful completion of the course work. Below are grading policies for each type of course:

ALL EOC & A/B Year-long Classes (Carnegie Unit):

1st semester (A class) (40% 9 wks + 40% 9 wks + 20% cumulative final exam)

2nd semester (B class) (40% 9 wks + 40% 9 wks + 20% EOC/cumulative final at end of B class)

*If a student fails one section but has a passing cumulative average at the end of the school year then the student will earn .5 credit for each section (A & B). The recovered .5 credit will be issued with a 70%.

ALL Other Year-long Classes (Carnegie Unit):

1st semester 50% (20% 9 wks + 20% 9 wks + 10% fall cumulative final exam)

2nd semester 50% (20% 9 wks + 20% 9 wks + 10% spring cumulative final exam)

ALL Semester-long Classes (Performance Based):

Semester Class 100% (40% 9 wks + 40% 9 wks + 20% cumulative final exam)

Credits transferring from an accredited school will be reflected on the student's transcript and will be issued with the grade and weight assigned from the issuing school. The only exceptions to this policy are as follows: courses cannot be weighted to exceed the maximum weight issued for an equal credit at Boyle County High School and the only courses that can receive a weighted grade (5 pt scale) are AP courses taught through an accredited institution (excluding online courses not supervised by a teacher).

Credits transferring from a non-accredited school (home school, non-accredited private schools, etc) will be reflected as Pass/Fail on the student transcript and will not be used in the computation of class rank and grade point average. Transferring students may be required to demonstrate proficiency in course material before credit is applied towards graduation requirements.

Students enrolled in an approved dual credit course will receive academic credit at Boyle County High School based on the course in which they are enrolled. Students in such courses may not receive more credit than students enrolled in a similar course at Boyle County High School.

The Principal of Boyle County High School has the final authority regarding the transfer of credit.

SCHOOL FEES

There will be a flat fee of \$99 for each student. Students may fill out a fee waiver to apply for waived fees. Fees are due during 'schedule pick-up' in August. Students will receive a receipt for all fees paid. It is important that receipts are kept.

SCHOOL RESOURCE OFFICER

The SRO, a sworn deputy sheriff employed by the Boyle County Sheriff's Office, works closely with the administration and staff to provide police services to BCHS. The SRO provides for a positive interaction for the students. The SRO also provides law enforcement services, teaches law-related curriculum, community resources liaison, and provides informal advising to students based on life and police experiences. The SRO also assists with safety, security, emergency management, and crime prevention programs with the school district. Students may call anonymous to The Crime Tip Line to leave tips about crime, bullying, and school safety. Crime Tip Line 1-888-839-9115

ATTENDANCE

The Boyle County Board of Education and the staff of the Boyle County Schools believe that every student has the right to a good education and can receive his or her full share of this right only through regular attendance. Consequently, students are expected to attend school regularly as required by state law. There is a direct relationship between poor attendance and lack of achievement. Students who have good attendance generally achieve higher grades, enjoy school more and are much more employable after leaving high school or college.

It should be emphasized again that students are required by law to be in attendance every day that school is in session unless they have a justifiable excuse for their absence. Schools, as well as parents, are required to account for each and every absence.

In accordance with KDE regulations, attendance is calculated on full-time equivalency (FTE) which means that every minute in a student's instructional day is counted. With FTE, the concepts of half-day absences no longer exist. All students missing any portion of the day will have that exact portion tracked. **Students missing 60 minutes or less of a day will be considered tardy. If a student misses 61 minutes or more, that portion of that day missed is calculated to a percentage absence, which accumulates.** In the past, a student was considered tardy if they missed 34% or more of a day. It was considered a half-day absence if they missed 35-84%

of a day and a full absence if they missed 85% or more of the day. This new way of calculating attendance (FTE) is a statewide mandate for all Kentucky Schools.

The Boyle County School District defines “perfect attendance” for a student that has attended their respective school from the first to the last day of school with no absences or tardies with-in that school year. This student will be recognized from the district for this outstanding achievement.

NOTES REQUIRED

Students returning to school following an absence must obtain an admission slip. A note signed by a parent or guardian/doctor’s note is to be presented explaining the absence. The note must also provide the date of the day/s missed as well as the phone number of the parent/guardian. Based on the information received, the absence will be declared excused or unexcused in accordance with the Boyle County Board of Education Policy.

EXCUSED ABSENCES

Each student may have up to five (5) absences excused with a parent/guardian note, provided the note is received within three (3) days after the student returns to school. All absences must have the appropriate documentation.

An excused absence could be one of the following:

- Illness of the pupil (when a student exceeds the cumulative limit for absences as stated in Policy 09.123, a doctor’s statement shall be required to certify the total days missed, and that the student was unable to attend school due to illness)
- Death or severe illness in the pupil’s immediate family
- Summons to court
- Failure of bus transportation (missing bus is no excuse)
- Clinical appointments verified by a doctor’s statement
- Religious holidays and practices
- One (1) day for attendance at the Kentucky State Fair
- Other valid reasons as determined by the principals or their designees.
- School related activities with prior approval of the principal

EXTRA-CURRICULAR ATTENDANCE POLICY

Students wishing to participate in extracurricular activities (sports, dances, clubs, club activities, practices, etc) shall be in attendance a minimum of 75% of the school day on the day of the activity unless prior approval is given by the principal or principal’s designee. Prior approval is to be requested 24 hours prior to the start of the school day or as soon as possible for extenuating circumstances.

MAKE-UP WORK

Students with excused or unexcused absences are required to make up missed classwork. Students are responsible for contacting their teachers concerning make-up work as soon as possible. Make-up work must be completed within three (3) days unless an extension is granted due to extenuating circumstances. Classwork that is not made up will receive a grade of zero. Students **shall** meet regular deadlines for culminating events (tests, projects, etc) as set by classroom teachers, but will be able to make-up all other work without penalty. (ie. If a student misses school on Monday and there is a test scheduled on Tuesday, the student shall take the test on Tuesday. If a student misses school on Monday, assignments for this absence are due on Thursday.)

Parents of students who have extended illnesses should contact the guidance office at the high school for homebound information.

NOTIFICATION

Parents will be notified by mail when their child has accumulated three (3), and six (6), unexcused absences. Parents can be notified by mail when their child has accumulated six (6), or nine (9), unexcused tardies.

TRUANCY/TARDY

Truancy/tardiness is a violation of Kentucky’s compulsory attendance law. KRS 159.150 states “Any child who has been absent from school for three (3) or more days, or tardy without valid excuse on three (3) or more days is truant.”

A truancy report will be filed with the Director of Pupil Personnel (DPP) when a student accumulates six (6) or more unexcused absences or accumulates nine (9) or more unexcused tardies in a school year. Since state law holds the parent/guardian legally responsible for any violation by the child, the DPP will then make contact with the parents. If the problem is resolved, no legal action is taken. If the DPP is unable to resolve the truancy problem, he is obligated by law to pursue litigation.

TARDY PROCEDURE

Students who are late to school must check through the office to obtain an admittance slip. Tardiness will be excused for the following reasons only:

1. Late bus
2. Illness substantiated by a written excuse from parent or doctor.
3. Official legal document
4. Circumstances approved by the principal or assistant principal.
5. Tardy counts will reset to zero at the beginning of each semester.

On the third (3rd), fourth (4th) & fifth (5th) unexcused tardies cumulative to school or to class, the student will be assigned after-school detention. Student drivers will have their parking privileges suspended or revoked on their 3rd, 4th, and 5th unexcused school tardy. On the sixth (6th), seventh (7th) & eighth (8th) unexcused tardies cumulative, the student will be assigned to Friday School. On the ninth (9th) and over tardies cumulative, the student will be suspended. Students that drive to school will also lose their parking privileges for 5 school days on the 3rd offense, rest of the semester on the 4th offense, and the rest of the school year on the 5th offense. Students who are tardy and found to be in the halls after the tardy bell will be escorted to class by any staff on hall duty. Detention will be held after school. Failure to attend detention will result in Friday School assignment. It is the responsibility of students who have after-school employment to inform their employers in the event of assigned detention time; work will not be considered an excuse for missing detention.

SCHOOL TELEPHONES

The school phones are off-limits to students except in emergency situations. Students must come to the office to get permission to use the school phone.

HALL PASS

All students must have a hall pass from a teacher or administrator to be in the halls during class time. Students found to be in the halls without a hall pass will be given a tardy and escorted back to class. Teachers will ensure students leave class with a pass. This applies to student aides, student council members, yearbook and newspaper staff members, and any other student who finds it necessary to be in the halls. Office aides must have name tags worn during their work times in the office.

EARLY DISMISSAL PROCEDURE

Only a parent/guardian or approved contact may check out a student, and this person must come into the school's main office and sign out the student requesting an early dismissal. There will be no telephone checkouts, and 18 year old students may NOT sign themselves out. To obtain an Early Dismissal Permit, a written note from the parent/guardian stating the reason and time of dismissal must be presented. Leaving school without a permit, without having teachers' signatures, without signing out or not having followed checkout procedures are classified as skipping school, and students who do so will be assigned disciplinary measures accordingly. A parent/guardian may come to the school prior to the dismissal time (i.e., morning or day before) and arrange the sign-out for the student. This is inclusive for all students at Boyle County High School (including those students who drive to school). The administration reserves the right to verify the identity of any individual wishing to check a student out of school.

LIBRARY

The library serves in many ways. It helps with classroom assignments, provides books and magazines for pleasure reading, and is a storehouse of accumulated knowledge, which serves as a laboratory where all kinds of school and related problems can be solved.

Certain regulations are applicable to all libraries:

1. Have all materials you take from the library charged to your name.
2. Return books promptly; many others may be waiting for the book you are holding; a fine of 5 cents per day will be assessed on overdue books; you will be expected to pay for unreturned books.
3. Pay per copy machines are available to students at 10 cents per copy.

SCHOOL DISMISSAL OR DELAY

In the event of bad weather and/or road conditions, the decision to call off school or delay school will usually be made around 6-6:30 a.m. This will be announced on the school notification system, Radio Stations WHIR, WDFB, WRNZ, and TV channels 18, 27, and 36. **NOTE:** *Parents and/or students should not call the stations.*

The school cafeteria is maintained as a vital part of the health program of the school. To encourage good nutrition, a well-balanced lunch is offered at a reasonable price. In the first week of school, every student will receive a Free and Reduced Price Meal Application. Those who wish to apply should return the completed form to their teacher or to the office. Criteria for receiving free or reduced-price lunches include the family income and the number of children in the family. Riders are not permitted to leave their seats while the bus is in motion. Drivers may assign seats to any or all riders at their discretion. In the mornings, students should be on time at the designated bus stops and should wait until the bus comes to a complete stop before moving to board the bus. EMERGENCY PREPAREDNESS

Boyle County Schools conducts drills throughout the year to rehearse emergency procedures, including fire drills, severe weather drills, earthquake drills, lockdown drills, and evacuation drills. These drills are precautionary steps created to prepare students and staff to act quickly and to reduce a child's fear should a real emergency occur. We understand that when an emergency happens, parents will be worried and will want to be with their child as soon as feasible. If school is not dismissing, please do not come to school to pick up your child, as this may hinder community responders' and school staff's ability to take action. If dismissal occurs, the school will need to follow safe and orderly dismissal procedures. It is advised that parents follow the guidelines listed below: Listen to local radio stations* and television stations** for information about the time and location of dismissal (students may be dismissed from an alternate location to be announced that day). Please don't call the school or your child's cell phone for information. This will jam up lines, cause additional confusion, and possibly put your child in danger. Students are required to be absolutely silent in lockdown situations. Experts report that some radio and cell phone frequencies can trigger explosive devices. Bring valid identification with you to pick up your child. Even if school personnel know you, you will need : identification because the school may receive support from people who do not know you (e.g., district staff). You will be required to sign for the release of your child so that we are able to account for all students. Please don't take your child without signing him/her

out. If you are unable to pick up your child, only people listed on your child's Emergency Contact form will be allowed to pick your child up for you. This person will be required to show valid identification. Once you have signed out your child, please leave the area immediately. If you or one of your child's emergency contacts are unable to pick up your child, s/he will be supervised at the reunification area until alternate arrangements can be made.

STUDENT SUSPENSION AND EXPULSION

Serious, or repeated misbehavior, or violations of school rules may result in the suspension and/or the expulsion of a pupil. Kentucky Statutes declare that willful disobedience, or defiance of authority, profanity, or vulgarity, assault, battery, or abuse or other persons (includes harassment or sexual harassment), threat or force of violence, use or possession of alcohol or drugs, stealing, destruction, or defacing of property, carrying or use of dangerous weapons, or encouraging bad conduct on school property, or off school property at school-sponsored activities constitutes cause for suspension or expulsion or student. (Senate Bill 13)

Suspension

The suspension is the exclusion of a pupil from school for a specified period of time, usually not exceeding ten days but, pending the seriousness of the incident, maybe up to 20 days. The superintendent and principals are empowered to suspend pupils; suspensions must be reported as soon as possible to the superintendent and to the parent or guardian. Students are afforded due process procedures as described below:

1. Oral, or written notice, of the charges which constitutes the cause of suspension, must be given to the pupil, and the pupil's parent/guardian will be notified as soon as possible.
2. The evidence supporting the charges must be explained to the pupil if he/she denies the charges.
3. The pupil must be given the opportunity to respond to the charges.
4. Attempts will be made to contact parents/guardian in all incidents involving suspension.

There need be no delay between the notice of charges and the time of the informal hearing. As a general rule, the above procedures are to be followed prior to the removal of the pupil when possible. However, if the superintendent or principal believes that immediate suspension is necessary to protect persons, property, or to avoid disruptions of the academic process, the pupil may be suspended

immediately and the necessary notice and hearing are to be held as soon as possible after the suspension is affected. A conference with the pupil's parent/guardian must take place prior to the pupil's return to classes.

Expulsion

Exclusion from school for a period longer than twenty days, not to exceed a calendar year, is usually considered to be an expulsion. Only the Board of Education may expel. In most instances a student may be brought before the Board for expulsion only after a reasonable effort on the part of the school to cope with the situation has failed; there are specific violations of school policy that result in an immediate recommendation of expulsion. This effort should include principal, teacher, parent, and student conferences, with the use of guidance and social agencies that are available.

In order for expulsion to take place, the pupil is entitled to a procedural due process hearing before the board, including the following:

1. A written statement, setting forth the specific charges and grounds which, if proven, would justify expulsion under the law will be presented to the pupil and his or her parents or guardians. The statement will be of sufficient clarity and will be presented adequately in advance of the hearing to allow the pupil to prepare a reasonable defense. The action of the board will be based on those charges – no others.
2. If a recommendation for expulsion is to proceed before the Board of Education, the pupil and parents or guardians will be provided with the names of witnesses against the student (if any). If there are no witnesses, the student will be fully informed of the manner in which the alleged violation(s) came to the attention of the Board. School witnesses may include administrators, teachers, law enforcement representatives, and any other individual/s deemed pertinent to the incident.
3. During the hearing, the pupil and his or her parents, or guardians, will be afforded the opportunity to present the Board with a defense to the charges by oral, or written testimony, including the introduction of a reasonable number of witnesses on his or her own behalf.
4. Should the pupil and his or her parents or guardians so desire, they may be accompanied by a lay advisor and/or represented by legal counsel. If the latter is desired, they must notify the Board of this intention so the board attorney may also be present and aware of such counsel.
5. The pupil is entitled to an expeditious handling of his case and prompt decisions after the hearing, consistent with the requirements of mature and careful reflection by the Board.
6. The pupil will be given the board's decision in writing.
7. The decision of the Board is final, except that the pupil and his/her parents/guardians have recourse to the courts if the pupil is denied due process, or if the expulsion is believed to be for illegal or unconstitutional reasons.

If the pupil and parent/guardians fail to appear at the scheduled hearing the Board will take whatever action it deems appropriate, according to the charges. If a pupil is expelled for a period less than the full school year, a conference should be held with the Board, or its designees, prior to readmission.

SPECIAL EDUCATION

Exceptional (special education) students who create a dangerous or disruptive situation may be suspended from school. The due process procedures that should be followed for short-term suspension (generally no longer than 10 days) are the same for all students and are outlined in KRS 158.150 (appendix C, page 41). The behavior of exceptional students and students who have been referred for evaluation for possible special education placement and/or related service should be considered during the initial Admission and Release Committee (ARC) meetings. Behavioral interventions, treatment, and consequences should become a part of the Individual Education Plan for that student. Should this intervention prove unsuccessful, as evidenced by the misconduct of the student, the issue should be brought to the appropriate ARC to make changes in the student's program which might result in more appropriate behaviors. In deciding *Kaelin V. Grubbs*, (June 9, 1982) the Sixth Circuit Court of Appeals has outlined general standards governing the suspension and expulsion of handicapped children in Kentucky, Ohio, and Michigan. These standards will be followed when Boyle County School System develops disciplinary measures for handicapped children:

1. A handicapped child may be suspended temporarily without the special education change of placement procedures. (KRS 158.150 and OAG 78-637 outlines due process requirements which must be followed in the suspension of all children.)
2. A handicapped child may be expelled as long as the appropriate Admission and Release Committee procedures are followed with a committee determination that the child's disruptive behavior was not a result of the handicapping condition.
3. A handicapped child will not be expelled if the committee determines that the child's disruptive behavior was a result of the handicapping condition; if expelled, the child may be provided alternative services.
