

Valley View Charter Montessori Middle School IB-MYP Policies

The International Baccalaureate Middle Years Program at Valley View Charter Montessori Middle School is supported through the collaborative development and implementation of school policies. School policies are reviewed on an annual basis with modifications made as needed. All stakeholders are informed of our policies through the School Site Plan Committee, School Bulletins, Parent/Student Handbook and the school website (www.buckeyeusd.org/vvcmms).

Academic Integrity Policy

The purpose of an academic honesty policy is to promote the development of the skills and knowledge needed to be academically honest. It also serves to support students, staff, and parents in creating a learning community where academic honesty is taught, expected and practiced.

Inclusion Policy

Valley View Charter Montessori Middle School understands and embraces the individuality of our diverse population. We recognize that such uniqueness may include obstacles that affect the educational experience of our students. Regardless, we are committed to meeting the multitude of academic, physical and social/emotional needs of our students through our policies and actions across our campus. All stakeholders agree that inclusion is a necessity and priority in facilitating the academic success of each and every student. In order to ensure the equitable and high quality education that we strive for at Valley View, our students are encouraged to embrace and exemplify the traits of the IB Learner Profile that will create a positive and judgment-free environment.

Language Policy

United with the International Baccalaureate-MYP philosophy, Valley View Charter Montessori Middle School believes that language and literacy are the fundamental skills necessary for student success. Language is the connection between our curriculum elements and the construction of meaning. It is how students articulate their understanding and share their knowledge with others. As such, we believe all teachers are language teachers and play a vital role in the growth and development of students.

Assessment Policy

At Valley View Charter Montessori Middle School, we believe assessment is an ongoing and systematic process that evaluates and informs instructional practices and measures student learning. Assessment is an essential element of our IB Program and enables teachers to provide a quality global education for all students. At Valley View, and throughout the Buckeye Union School District, we believe assessments drive our instruction. As such, we use a variety of assessment opportunities to ensure growth for all students.
