Non-Domicile Transportation Request
2024-2025 School Year

THIS IS A SPECIAL TRANSPORTATION REQUEST

Please complete this form **only** if you elect to utilize non-domicile transportation

Student's Name: _____ **Grade 24-25**: _____

Home Street Address: _____, Lincoln Park, NJ 07035

Phone: _____ Email address: _____

Requested **Address** pick-up: _____

Requested **Address** drop off: _____

The Board of Education is responsible for transporting children to and from their homes according to its policy # 8600 - Student Transportation . Non-domicile transportation is the picking-up and dropping-off of children at a location other than their home (for example, their babysitter's home or the home of a relative). The Board currently allows for this extra service of non-domicile transportation.

This form requesting non-domicile transportation must be returned to the Business Office at the address above no later than **April 30 of the prior school year. Applications received after this date will be considered only as space is available on an already established route** on a first-come, first-serve basis. No non-domicile transportation request will be approved to accommodate a for-profit business. If you elect to use non-domicile transportation, the same morning and afternoon locations must be utilized Monday through Friday. **For example, you cannot request that your child be transported on Tuesdays and Thursdays only**.

It is important to remember that any granting of non-domicile transportation will be rescinded if the seat is needed to transport another student who would qualify by law to be served by that bus. Also, it is understood that the Board will not make any changes to established routes or stops to accommodate a non-domicile transportation request.

I understand the above policies of the Board and agree to be bound by them.
