

Park Hill School District

CLIENT-CONNECTED PROJECT CRITERIA

PARK HILL FUTURE READY ASSETS

ALIGNS WITH THE CURRICULUM

Client-connected projects should support district curriculum and Missouri learning standards.

INCORPORATES AN ENGAGED CLIENT

Client-connected projects should be client-created, client-initiated, or client-approved.

INVOLVES AN INDUSTRY EXPERT

Client-connected projects should incorporate feedback from an industry expert. The industry expert may or may not be the engaged client.

CULMINATES IN A FINISHED PRODUCT OR DELIVERABLE

Client-connected projects should culminate in a finished product or deliverable that is authentic to the industry in terms of process or product.

JOINTLY EVALUATED

Client-connected projects should be evaluated by the classroom teacher, the client and/or the industry expert.
