What to Prepare for Auditions:

Sides: Sides have been selected from scenes throughout the show. There are sides for a variety of different characters to choose from. Pick one or two that have characters you would like to audition for and familiarize yourself with the lines so you are ready to go at auditions! Don't worry if you can't print the sides out yourself. We will have copies for you at auditions.

Song: Come to auditions ready to sing a Disney song that you love. It doesn't have to be from Finding Nemo Jr.! If you have sheet music for your Disney song, great! If not, don't worry! Our music director Ms. Chiasson will have what you need at auditions.

Dance: Our choreographer Mrs. Halsey has recorded a dance video for you to watch and practice at home before auditions. Take a look at the dance and try to learn some of the moves! Mrs. Halsey will also teach you the dance, briefly, during the audition so if you have questions or don't have time to memorize it, there will be time to review it at auditions.
