

ELAC MEETING

What is ELAC?

- The English Learner Advisory Committee (ELAC) is dedicated to serving our English Learners and their families.
- We encourage increased parent engagement throughout our school!
- We welcome the participation of parents in advising the school on the implementation of instructional programs for our students.
- Meetings will include open communication with our Santiago families and the sharing of information concerning school activities, programs, and topics parents would like to hear more about!

JOIN US!
