

## CCSD Administrative Guidelines Regarding Personnel Leaves and Absences

*Pursuant to the School Board's Personnel Leave and Absences Policy (GBRI), these administrative guidelines are to be utilized by CCSD staff in policy application:*

### I. SICK LEAVE AND ABSENCES FOR MEDICAL AND RELATED REASONS

1. Sick leave policies and guidelines apply to employees in positions eligible to earn leave. An employee must be regularly employed (not temporary or substitute) to earn leave. Employees regularly working less than 100%, but at least 50%, will accrue sick leave prorated for the percentage of time worked. Employees working less than 50% will not accrue sick leave.
2. Sick leave is available for personal illness, injury, exposure to contagious diseases and medical related reasons, or for absences necessitated by illness or death in the employee's immediate family.
3. A member of the employee's immediate family is defined as spouse, child, father, mother, brother, sister, grandparents, grandchild, or in-law equivalents of the above, a relative living in the employee's household, or a dependent [as shown in the employee's most recent tax return].
4. For any absence for which sick leave is requested, the supervisor has the right to require a physician's statement stating that the employee or immediate family member is ill and that the employee is unable to perform his or her duties.
5. Cherokee County School District (CCSD), at its own expense, may require the employee to obtain a second certification from a health care provider confirming the medical necessity of the absence.
6. CCSD may require an employee to provide updated certifications, as it deems necessary, to document continuing disability.
7. An employee absent 10 or more days due to a serious health condition will be required to provide a Fitness for Duty Certification from his/her health care provider. The Fitness for Duty Certification must be provided to the immediate supervisor, with a copy to the Benefits Office prior to the employee's requested return-to-work date. The statement from the provider must indicate if the employee is released to return to work, and if so, the effective date, and any applicable work restrictions. Based on the work restrictions, as noted by the physician, a determination will be made regarding return to duty.
8. An employee may be required to provide a Fitness for Duty Certification for an absence of less than 10 days related to an illness, injury or exposure to contagious disease if deemed necessary by CCSD.
9. CCSD may specify advance-notice requirements related to an employee's submission of a Fitness for Duty Certification.
10. CCSD may designate, at its expense, a physician to attest that the employee is emotionally and physically capable of resuming the responsibilities and duties of his/her position.
11. CCSD will make every reasonable effort to accommodate an employee's disability and/or work restrictions.
12. An employee who is requesting sick leave must follow school/departmental absence reporting procedures. If a position requires a substitute, the absent employee is to follow the school/departmental requirements for obtaining a substitute.
13. Up to 30 consecutive days of accumulated sick leave may be used during a work year by an employee in case of death of a member of the immediate family. Up to five consecutive days of

14. Up to three days of accumulated sick leave may be utilized during each work year for personal reasons provided prior approval of the absence is given by the employee's supervisor.
15. A CCSD employee may make a one-time donation of up to 10 sick leave days to his or her spouse for the purpose of parental leave, illness, illness of an immediate family member, or death of an immediate family member, if such spouse is also a CCSD employee.

### **A. Authorized Sick Leave Without Pay**

1. An employee may be granted up to twelve consecutive months of sick leave without pay related to his/her own personal illness or injury and substantiated by medical evidence. An employee must contact the Benefits Office for approval of any absence expected to extend 10 days or more.
2. Up to 10 days of sick leave without pay may be granted during a work year in case of illness or death of a member of the employee's immediate family. Sick leave without pay ~~days~~ will run concurrently with any Family and Medical Leave Act leave available.
3. An employee may be granted leave without pay related to the birth of a child or adoption in accordance with the Family and Medical Leave Act and/or CCSD's Policies and guidelines concerning Parental Leave.
4. An eligible employee may be granted leave without pay for his/her own serious health condition or for the serious health condition of an immediate family member in accordance with the provision under the Family and Medical Leave Act. An employee must have been employed for 12 months and have worked 1250 hours over the previous 12 months in his/her position as of the date leave is to begin in order to be eligible.
5. An employee may be granted leave without pay related to a work-related illness or injury in accordance with applicable state laws and CCSD's Policies and guidelines related to Workers' Compensation Leave.

### **B. Authorized Parental Leave With Pay**

1. Under 2021 revisions of O.C.G.A. § 45-20-17, employees who are considered full-time by the School District and who have completed six continuous months of employment will be eligible for paid parental leave for the birth of a child, placement of a minor child for adoption, or placement of a minor child for foster care (Qualifying Life Events). The employee will be required to provide satisfactory documentation of birth, adoption or foster care.
2. The maximum amount of paid parental leave that may be taken by an eligible employee during a rolling 12-month period is 240 work hours, regardless of the number of qualifying events that occur within such period. The rolling 12-month period will begin on the date an eligible employee first uses parental leave. Such leave may be taken in increments of less than eight hours. Any remaining paid parental leave 12 months after the qualifying life event will not carry over for future use. Unused paid parental leave has no cash value at the time of an employee's separation of employment with the School District.
3. Leave of absence related to paid parental leave will run concurrently and in coordination with any approved Family and Medical Leave Act leave. If both parents who experience a qualifying

The maximum 12-week leave provided under the federal Family and Medical Leave Act will continue to be limited to a combined 12 work weeks total leave.

4. Eligible employees who do not qualify for leave under the Family and Medical Leave Act are provided up to 30 calendar days of a combination of paid or unpaid Parental Leave. Once Paid Parental Leave reaches the maximum of 240 hours, the employee's accrued leave may be utilized up to the maximum of 30 calendar days. In cases of maternity, unpaid Parental Leave may be extended beyond 30 calendar days, not to exceed the doctor's estimated length of physical disability.

### **C. Restoration of Employment Following Approved Leave of Absence**

1. An employee is considered to be on a leave of absence from CCSD and not from a specific school or department.
2. If a leave of absence is 60 workdays or less, an employee will be restored to his or her same or equivalent position at the conclusion of leave.
3. If a leave of absence is greater than 60 workdays, the employee's position may be filled. If the employee's position is filled when a Fitness for Duty Certification is presented, the next available position fitting the employee's qualifications, as determined by the Division of Human Resources, will be offered to the employee. During the time a suitable position is being located, the employee will be placed on convenience leave without pay. If the employee refuses assignment to a comparable position as that occupied by the employee when the leave of absence was granted, the employee will be considered to have forfeited his/her employment with CCSD.
4. If the employee is unable to return to work at the end of approved leave, the employee will be separated from employment. If the employee's personal circumstances change so that they are able to reapply for employment with CCSD, it will make every effort to provide re-employment opportunities, however, CCSD is under no obligation to re-hire.

### **D. Benefits Continuation During Approved Leave of Absence**

1. An employee will continue to accrue leave during an approved leave of absence with pay.
2. During an approved leave of absence with pay, an employee's benefits will continue through payroll deduction.
3. During a period of qualified Family and Medical Leave, or Disability Leave due to an employee's personal illness or injury, an employee is eligible to continue benefits during an approved leave without pay.
4. To continue benefits during a leave of absence without pay, an employee is required to complete all required forms, timely pay insurance premiums by direct payment to CCSD and provide regularly updated medical documentation of ongoing disability.
5. An employee is responsible to contact the Benefits Office to initiate direct pay of insurance premiums. Strict time limitations apply.

*Pursuant to the School Board's Personnel Leave and Absences Policy (GBRI), these administrative guidelines are to be utilized by CCSD staff in policy application:*

*Note: Continuation of insurance provisions will be administered in accordance with applicable state and federal laws and insurance policies and procedures in effect at the time the leave of absence begins.*

### **E. Supervisor Responsibilities**

1. The supervisor must notify the Benefits Office upon receiving a request from an employee for a leave of absence that is expected to extend 10 days or more (intermittent or consecutive).

3. All leave must be entered in the payroll operating system for the period during which the leave is used.
4. The supervisor must notify the Benefits Office upon receiving a request from an employee for a return to duty with restrictions.
5. Requests from employees to extend an absence beyond an approved leave period must be directed to the Benefits Office.

3. To continue benefits during an approved leave of absence without pay, an employee must submit the first premium payment to the Benefits Office within thirty (30) days of the date coverage ends. Coverage ends as of the end of the month following the last payroll deduction. Subsequent benefit payments are due by the 1st of the month thereafter until payroll deduction of benefits resumes.
4. An employee is expected to report for duty the next scheduled workday following the ending date of an approved leave of absence.
5. If the employee is released by his/her health care provider to return to work with restrictions, the employee must notify his/her supervisor at least five (5) workdays prior to the date he/she desires to return to work. Additional notice may be required for specified regular employees on extended leave (See Section I, #7).

### **G. Other Considerations**

1. An employee may appeal a decision related to a leave of absence to the Benefits Office, in writing, within 10 workdays of the date of the decision.
2. Guidelines for Personnel Leaves and Absences will not protect an employee from disciplinary action that is based upon substandard job performance.

## CCSD Administrative Guidelines Regarding Personnel Leaves and Absences

*Pursuant to the School Board's Personnel Leave and Absences Policy (GBRI), these administrative guidelines are to be utilized by CCSD staff in policy application:*

3. The confidentiality of any information received by CCSD relative to a medical condition of an employee or an employee's family member will be maintained, except as otherwise required by law.
4. To the extent that any provision in these Guidelines conflicts with or is superseded by State or Federal law, including but not limited to the Family and Medical Leave Act, or the Americans with Disability Act, the applicable regulations control.

### II. ACCUMULATION AND USAGE, RETIREMENT SERVICE CREDIT OR PAYMENT, TRANSFER AND RESTORATION OF SICK LEAVE

#### A. Sick Leave Accumulation and Usage

1. Each regular (not temporary) employee accrues sick leave at the rate of one and one quarter work days per month pursuant to the chart below:

Work Months	Work Days	Receive accruals from	Total Days Accrued
9	< 190	August - April	11.25
10	190-195	August - May	12.50
11	200- 220	July - May	13.75

A member of the employee's immediate family is defined as spouse, child, father, mother, brother, sister, grandparents, grandchild, or in law equivalents of the above, a relative living in the employee's household, or a dependent [as shown in the employee's most recent tax return].
5. An employee seeking to take Family and Medical Leave Act to care for a newborn or adopted child, a child placed with the employee for foster care, or a parent, spouse or child with a serious health condition must substitute any accumulated sick leave for otherwise unpaid FMLA leave.
6. An employee who is unable to work due to an injury arising out of a physical assault while on duty with CCSD will receive paid leave for the first seven days of a related absence and is not required to use accrued sick leave.
7. An employee will not be recorded absent on the day of injury or the day of a work-related illness is first reported if the employee's absence is required to leave work to seek authorized medical evaluation/treatment.
8. An employee may elect to use accumulated sick or vacation leave for a work-related injury or illness in lieu of receiving Workers' Compensation benefits.
9. All unused, unpaid sick leave is accumulated from one work year to the next.

#### B. Retirement Service Credit or Payment for Accumulated, Unused Sick Leave

## CCSD Administrative Guidelines Regarding Personnel Leaves and Absences

*Pursuant to the School Board's Personnel Leave and Absences Policy (GBRI), these administrative guidelines are to be utilized by CCSD staff in policy application:*

1. An employee who is a member of the Teachers' Retirement System (TRS) may use accumulated, unused sick leave toward creditable service; an employee must have a minimum of 60 accumulated, unused sick days to receive service credit.
2. Sick Leave credit cannot be used to achieve a vested status in TRS.
3. Sick leave for TRS service credit is a cumulative final balance from current and prior employers to attain the 60 days minimum requirement. An employee must request each current and past employer(s) to certify the total unused/unpaid sick leave balance on a TRS Retirement Sick Leave Certification form. Each employer is responsible for reporting to TRS and detailing the accumulated, unused sick leave. TRS forms for certification of sick leave credit earned during the employee's service with the CCSD may be submitted to the Office of Financial Management.
4. Sick leave transferred to CCSD from prior employers is not reported by CCSD to TRS for service credit. The prior employer should certify to TRS any accumulated, unused sick leave earned by the employee before the sick leave transfer.
5. An employee who does not qualify for participation in TRS and, as such, cannot utilize unused, accumulated sick leave toward retirement service, will be allowed, upon completion of service with CCSD, to cash in unused sick leave earned in the service of CCSD, at one-half of their value up to a maximum reimbursement of 45 days. Leave payments of \$2,000 or more are automatically deferred into the CCSD tax-deferred 403(b) Plan. Leave payments of less than \$2,000 will be processed with the employee's final pay.

### **C. Sick Leave Transfers and Restoration**

1. Up to 45 accumulated, unused, unpaid sick leave days are transferable within the State of Georgia from a local board of education or from the State Department of Education to CCSD.
2. A CCSD employee may request restoration of accumulated, unused, unpaid sick leave after return to active employment with CCSD.
3. A CCSD employee may make a one-time donation of up to 10 sick leave days to his or her spouse, if such spouse is also a CCSD employee, for purposes of maternity leave, illness, illness of an immediate family member, or death of an immediate family member.
4. At separation of service or upon retirement, sick leave not eligible for retirement service credit or eligible for payment, as described previously, is forfeited.

*Requests for transfer or restoration of Sick Leave as outlined in the above provisions must be submitted in writing to the Office of Financial Management.*

### **D. Leave of Absence (LOA)**

1. An employee may be placed on a Leave of Absence (LOA) if they do not have accrued leave to use when absent.
2. If an employee is on extended leave at the beginning of the salary year and does not have enough accrued leave for all missed work days in the first month of the salary year, the employee will only be paid for the number of missed work days for which accrued leave is available.
3. If an employee has 10 – 15 days of leave without pay (LWOP) in a pay period and is not expected to return to work in the subsequent pay period, the employee may be placed on LOA.
4. All 11-month and 12-month employees on extended leave may be placed on LOA as of day 1 of LWOP if not expected to return in the subsequent pay period.
5. When returning from LOA, an employee's salary will be re-calculated based on the number of workdays remaining in the work calendar for the employee's position.
