OPENING LETTER FROM PRINCIPAL

Trailblazers,

I am humbly honored to be returning as the Principal of YES Prep North Central Secondary School. I continue to embrace this role, committed to leading our school towards continuing our track record of excellence. I will do this while Living the Blue Orange and incorporating our values of Respect, Hard Work, Leadership and Team.

Let me start by sharing a bit about what I believe. I trust that it takes a community of individuals to create an environment that will foster growth in our students. In my years in education, I have witnessed the immense power of relationships and truly understand that not all learning happens in classrooms. I firmly believe that academic excellence goes hand in hand with character development, school culture and developing holistic skills. As such, I am dedicated to creating a school that will emphasize our Blue Orange Values in all aspects of school life.

One of my aims is to cultivate a culture of excellence. I see a campus where Trailblazers feel inspired to embrace challenges and strive for success. Together, the Trailblazer community will celebrate collective and individual growth and accomplishments in our pursuit of excellence. As a Trailblazer, we must blaze those trails of excellence so that others are compelled to follow.

I have been part of the Trailblazer community for more than 9 years now and have seen how we have become a place for legacy. I grew up in this community and I see serving the Trailblazers as coming full circle. As a community, we will continue to set the bar of excellence high. North Central Secondary is unrivalled and a place where we succeed as a team.

Let's have an amazing year, doing what we do best – pursuing excellence.

Mrs. Lilian Macias

CAMPUS ACADEMIC SUPPORT

General Academic Support

Any YES student who fails a class receives Academic Support. This support can include lunch tutorials, afterschool tutorials, or Saturday tutorials. If students are receiving Academic Support, they should focus their time and effort on making sure that they are learning material and doing well on assignments, so they can earn passing grades (70 percent or above) in all classes. Students should take advantage of study hall times, make an extra effort to communicate with teachers about homework or projects, and schedule lunch and/or after-school tutorials if necessary. The goal is to learn material and do well on assignments, so they can earn passing grades.

Skyward Access/Parent Communication

Parents and students can see missing assignments, assignment grades, and class averages on Skyward. It is strongly encouraged that guardians regularly check grades on Skyward and follow up with teachers as necessary. If a student needs academic support, a staff committee team will determine the best Academic Support plan for the student and communicate that plan to guardians. Once the plan is determined and communicated, the student is expected to follow it to learn material and complete assignments, so they can earn passing grades. We are asking for guardian

[Back to Top](#)

support to ensure students meet these expectations. Grades reflect students' knowledge and skills, so they must show they have learned the material for their grades to improve. Parents are encouraged to check in with students about how they are progressing. Grades can be accessed on Skyward. [Visit this site for information on how to access grades.](#) Students who do not participate in academic support plans are at risk of failing their courses. For this reason, it is imperative that guardians are partners in ensuring that students follow through on academic support.

Returning to Good Academic Standing

If, according to the next report card, a student is passing all classes, s/he will be removed from Academic Support and will become a student in good standing.

Continuing Academic Support

If a student continues to need academic support after receiving it for a quarter, a staff member will communicate this need to guardians. The staff member might ask a guardian or guardian to meet to discuss that student's academic status. The school administrator may also choose to attend these meetings. At this time, guardians will be presented with additional feedback and suggestions from the child's teachers.

When a student fails a course, a guardian conference may be required. During the conference a growth plan may be developed, and additional supports may be determined.

Academic Dishonesty on Assignments

Any academic dishonesty will be referred to the grade level's Dean of Students for an investigation. Consequences will be issued according to YES Prep's Code of Conduct.

Positive Incentives

The Trailblazers of YES Prep North Central are some of the hardest working students at YES Prep, in Houston, and the country! We are constantly working to create ways to celebrate students who are consistently living out our core values. We have several systems in place to recognize the

[Back to Top](#)

amazing things that our Trailblazers are doing inside and outside of the classroom. Below is a sampling of ways that we celebrate our Trailblazers!

- **Shout outs** – a public, verbal recognition of students who are living out the core values, usually accompanied with a "Get em ready..." and TWO CLAPS!
- **Bid Trips** – a small field trip with one or more staff members where students use merits to bid on the trip that they want to attend! An example would be a bowling outing or trip to Barnes & Noble. Some trips may cost money, while others are free!
- **Student of the Week/Month** – awarded each week/month to an exemplary Trailblazer. This award comes with a celebration exclusive to award winners from each grade level, such as an ice cream trip, special lunch, or dinner.
- **End of the Year Academic Awards** – these awards are given to the top student or students who show the most growth in a grade level per academic subject area.
- **Honor Roll Recognition** – each quarter, students who have earned honor roll receive an honor roll wrist band, honor roll t-shirt (if they have not already earned these) and a public celebration which could include: an ice cream social, karaoke, or a special lunch.
- High School students can use HERO points to purchase rewards and incentives
