ABERDEEN SCHOOL DISTRICT NO. 5
Resolution 2021-06

A Resolution Requesting that the Office of the Superintendent of Public Instruction approve a one-day waiver for Miller Junior High School Eighth Grade Students during 2021-2022

WHEREAS, the Aberdeen School District is committed to the ongoing improvement of student learning;

WHEREAS, as we return to in-person instruction for the 2021-2022 school year, two-thirds (500) of the students will be new to Miller Junior High as the school will receive a new incoming 7th Grade class of students and a new incoming 6th Grade class of students;

WHEREAS, Miller Junior High School is implementing best practices of PBIS (Positive Behavior Interventions and Supports);

WHEREAS, maintaining positive school culture through a targeted plan of new student orientation is an integral component of PBIS;

WHEREAS, to successfully teach 500 new students the expectations of Miller Junior High on campus and in classrooms will take a carefully executed plan with additional staff support;

WHEREAS, the knowledge that the first day of school will be focused on a supportive transition for new sixth and new seventh grade students in an environment with 250 less students (the 8th Grade class) and more staff (8th Grade staff) to assist will help alleviate student and parent/guardian apprehension and concerns about moving from elementary to middle school; and

WHEREAS, the District will continue to meet the annual instructional hours required for the Basic Education Compliance Report;

THEREFORE, BE IT RESOLVED, that the Aberdeen School District Board of Directors requests a one-day waiver of the 180-Day requirement for Miller Junior High Eighth Graders during the 2021-2022 School Year.

ADOPTED this 7th Day of August, 2021, at a special open public meeting of the Board of Directors.
