Sports Packet for the 2024-2025 School Year- Elementary Schools

Dear Parents:

The Buckeye Union School District continues to make every effort to offer athletic programs with appropriate equipment, transportation as required, and knowledgeable staff to coach teams. While these programs are offered to all students free of charge, the district is appreciative of past donations made by parents that have afforded us the opportunity to continue to offer the elementary cross country program.

We are estimating that the cost of offering the program is \$45 per participating student. If you choose to make a donation to the district for this program, you may do so by providing payment to your child's school when you submit the attached forms. If you wish to write a check, please make it payable to your child's school.

We appreciate your efforts in helping us continue to provide a quality sports program for our students.
