

August 14, 2024

Dear Neighbors of Crow Island, Greeley and Hubbard Woods Schools,

We appreciate your support as we continue to make vital construction and renovation improvements to our school campuses. District administration is working with our construction manager, Bulley & Andrews, to ensure that several important projects are complete prior to staff and students returning to campus. Given our commitment to ensuring our buildings are safe and ready to host staff and students, we are notifying you that the Village of Winnetka has approved **interior work only** to be completed at the Crow Island, Greeley and Hubbard Woods campuses between 10 a.m. and 6:00 p.m. on Sunday, August 18 and Sunday, August 25. Crews have been consistently working Saturdays through the summer, and will continue to through August 31. Manufacturing delays and unexpected corrective work slightly impacted the project timeline at these three schools necessitating the need for work to occur on these dates.

Should you experience any issues with construction activity between the aforementioned hours, please contact:

- Deb Rieck, Site Superintendent, Bulley & Andrews, 312-296-0492
- Steve Wilt, CSBO, The Winnetka Public Schools, 847-501-2522.

We are grateful for your understanding and hope you enjoy the remainder of the summer season!

Sincerely,

Kate Hughes
Director of Communications
