Welcome to Mayflower Mill Elementary School. The information presented in this handbook has been carefully prepared to assist you in becoming informed on your school's policies and procedures. We hope this will be of great value in helping you to be acclimated to Mayflower Mill Elementary School and become an integral part of it.

Attendance

Indiana law mandates compulsory attendance as stated in Indiana Code 20-33-2. Regular attendance is important to successful achievement in school. In the event of an absence please call the school (765-538-3875 extension 5758 or email ksmcintyre@tsc.k12.in.us by 9:30 a.m. If your child saw a dentist or doctor, please send the physician's excuse when your child returns to school. Please refer to the Tippecanoe School Corporation [Attendance Policy](#) (Board Policy 5200) for more details.

Arrival/Dismissal Procedures

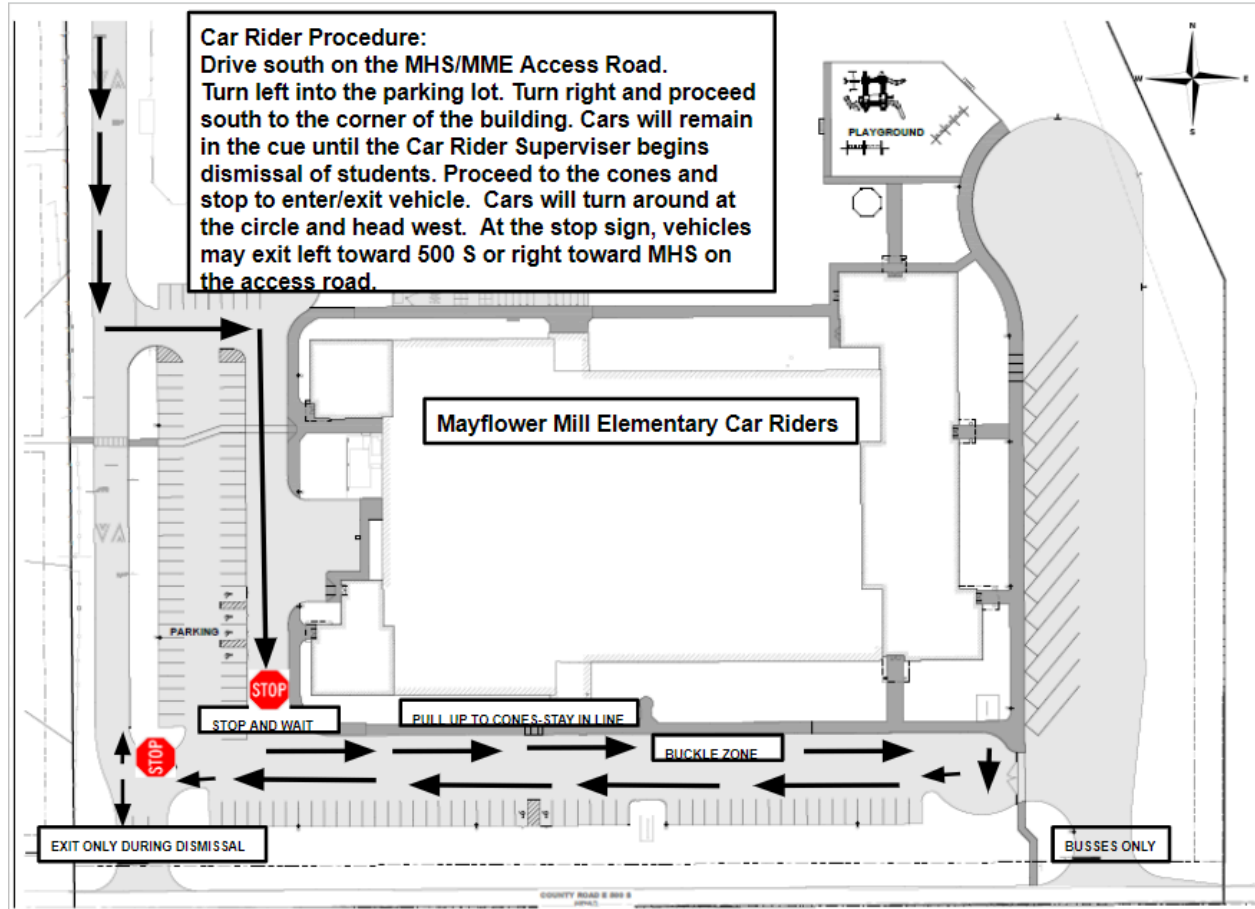

The safety of all stakeholders at Mayflower Mill Elementary is our primary concern during arrival and dismissal. Please follow the directions of staff members to ensure everyone's safety. Additionally, visitors are not permitted in the school building during arrival and dismissal.

Car Rider Morning Procedures

1. While in the Mayflower Mill parking lot, adults should remain in their cars.
2. When it is your turn to pull forward, please move all the way to the end of the sidewalk, or as far forward as possible to fill all spaces.
3. Students will go directly to their classroom.

Afternoon Procedures

1. All cars should have their child's name plate clearly displayed in the front windshield. Failure to display your child's pickup name plate may create a delay in your child getting to your vehicle quickly. If you do not have a name plate, you may be asked to show a picture ID.
2. Students will remain inside the school until the parent/guardian pulls up to the curb.
3. Please do not park and walk to the curb to get your child. This will cause an unsafe situation and disrupt the flow of vehicles.
4. When it is your turn to pull forward, please move all the way to the end of the curb or as far forward as possible to fill all spaces.

Walk Zone

Butler Meadows Subdivision and Mayflower Mill Subdivision are walking zones for Mayflower Mill Elementary School. There is no bus transportation for these subdivisions.

Students residing in Butler Meadows Subdivision should cross 500 S at the Hawk Walk.

Caregivers are responsible for ensuring that students walk on the sidewalk in the neighborhood safely. Students should press the button and wait for the signal to tell them to cross. A staff member will be present on the north side/MME side of 500 S to receive students. At dismissal, a staff member will escort students to the north side/MME side of 500 S to ensure students can press the button and cross the street. Students may ride a bike. A bike rack is located on the southeast corner of the building. Caregivers are responsible for bike locks.

Students residing in the Mayflower Mill Subdivision should remain on the west side of the MME/MHS access road in the morning, until a staff member arrives to escort them to the building. In the afternoon, a staff member will escort students across the MME/MHS access road to the sidewalk at 3:25.

Bus Information

Bus transportation is provided for all students not residing in our walk zones. Each child should know his/her bus number and driver's name both to and from school. Students must ride their assigned bus and are not permitted to ride other buses. Riding the bus is a privilege that can be taken away for inappropriate behavior. The school bus driver is in charge of all the children riding on the bus. The bus driver will contact families before the first day of school to provide stop information and pick-up and drop-off times.

Attendance at school is critical to a child's success in school. Please report student absences to the school by 9:30 a.m. daily. Please call 538-3875 to report your child's absence. The school newsletter, "The Grinder" will be emailed and posted to our Website monthly. "The Grinder" will contain pertinent information about the school and important dates. Breakfast and lunch menus are available through Mealviewer App or by visiting <https://schools.mealviewer.com> and typing in Tippecanoe.

Early Arrival

Students will not be admitted to the building prior to 8:40 AM.

Transportation Changes

Transportation changes for student dismissal, such as, car rider to bus, bus to car rider, or daycare to bus...must be made by 3:00 PM by calling the school office at 765-538-3875.

Child Care Before/After School

The Lafayette Family YMCA provides Y-Care or childcare before and after school onsite in the cafeteria and gym. Please contact the Lafayette Family YMCA for more information at 765-474-3448

APPEARANCE AND DRESS

Appropriate dress and grooming should be the responsibility of students and their parents. If a manner of dress, grooming, and/or appearance disrupts the normal education process, or presents a physical hazard, school administrators shall take necessary action to correct the situation. There shall be adequate coverage of the body. Tube tops, spandex, and/or bare midriffs are prohibited. Dresses, skirts, or shorts must be of moderate length. Clothing items (or wording or picture upon same), which in the opinion of the principal or designee tend to disrupt the educational atmosphere are not permitted.

AWARDS

The Tippecanoe School Corporation believes in academic success for all of its students. To recognize the academic success of the TSC student body, each school will establish an Honor Roll. Honor Roll recognition will take place at the conclusion of each nine-week grading period. Students with A's and B's will be recognized with the Honor Roll distinction. Principal Awards and the M.M.E. award for the Most Marvelous Effort will be presented at each grade level.

BEHAVIOR/HONESTY

As teachers and students are brought together so that learning may take place in the classroom, an environment must be created which permits an orderly and efficient operation of the school. This environment comes through consideration of others and self-discipline so that individuals do not allow themselves to infringe upon the rights of others as they seek an expression for their own just and legal privileges as members of the school society.

The function of our elementary school is to provide a productive school environment where students can achieve and secure the best educational experiences possible. There are times when it is necessary for school officials to make a decision concerning the acceptability of the student's behavior in school. These decisions must be based on the welfare of the total school community and how this behavior problem will affect the learning environment.

Therefore, all students should strive to be good citizens and respect the rights and property of others.

A breach of discipline may result in reprimand, probation, referral to special personnel in the school, parent conferences, suspension, or expulsion. Guidelines for discipline policy and procedure are taken from the TSC Board Policy.

Behavior at all activities at school or sponsored by the school will be the same as that during school. Students should set a good example for good behavior.

Improper language will not be tolerated. Parent notification and consequences will be levied by the administrator(s)..

For further information, visit ["Student Rights and Responsibilities"](#) on the TSC website.

Honesty is expected of all students; cheating is unacceptable. We hold high expectations for Mayflower students that they be honest at all times. Individuals violating this policy will be disciplined.

SECLUSION AND RESTRAINT

The Assistant Principal, student service coordinator, special education staff, and crisis team have been trained and are certified in Therapeutic Crisis Intervention to assist in the de-escalation of a student in an emotional crisis. Therapeutic Crisis Intervention includes safe holds of a child if they are a danger to themselves or others. A student will not be subject to seclusion or restraint unless the student's behavior poses imminent risk of injury to the student or others. However, significant violations of the law, including assaults on students and staff, will be reported to the police. As soon as possible after any use of seclusion or restraint, the student's parent or guardian will be informed and provided with a detailed account of the incident, including the circumstances that led to the use of seclusion or restraint. TSC Board Policy 5630.01

BULLYING

The Tippecanoe School Corporation is against bullying. Please refer to the Student "Rights, Rules, and Responsibilities" pamphlet available at each school and posted on the school website. School Board Policy 5517.1

School closing, delayed starting time, or early dismissal will be announced over radio stations WAZY-96.5 FM, WASK-1450 AM, WBAA (Purdue Station) 101.3 FM or 920 AM, and WLFI-TV 18.

Students arriving late to school must check in at the main door with a parent. Students should not sign themselves in. No student is to leave school early unless officially excused and signed out by the office staff. The cost of lunch is \$2.40, the cost of breakfast \$1.40. Soda is not permitted with a school lunch (not the cafeteria lunch or one brought from home). Fast food is not permitted in the cafeteria.

HARASSMENT/ANTI-HAZING

Harassment of a student(s) by any other students or any member of the staff is incompatible with a physically and psychologically safe environment in which to learn. Harassment shall include any speech or action that creates a hostile or offensive learning environment.

The Student Code of Conduct contains language prohibiting any form of sexual harassment and any use of racial, religious, or ethnic verbal or physical harassment. Administrative guidelines will provide a means for a student to report harassment from a student, staff member, or a school visitor to avoid embarrassment to the student and protect the confidentiality of the student when possible.

All such reports will be investigated promptly. Anyone who violates this policy and/or the Code of Conduct shall be subject to disciplinary action. Due process rights shall be ensured (Policy 5611).

Hazing activities of any type are inconsistent with the educational process. All such activities are prohibited at any time in school facilities, on school property, and at any corporation-sponsored event.

Hazing is defined, for purposes of this policy, as performing any act or coercing another person to perform any act of initiation into any class, group, or organization that causes or creates a risk (mental, emotional, or physical harm). Permission, consent, or assumption of risk by an individual subjected to hazing shall not exempt this policy.

If hazing or planned hazing is discovered, the students involved shall be informed of the prohibitions contained in this policy and shall be ordered to stop such behavior. All hazing incidents shall be reported to the Superintendent.

2. The amount or volume of homework should be planned so as to be compatible with the ability and age of the student.
3. All students should be given credit and/or recognized for completing assigned homework.

Generally, students have one or two days to submit all make-up work as required by the teacher. However, the teacher is permitted to arrange a longer period of time if he/she deems it necessary. Make-up work not completed and unsatisfactory submitted to the teacher may result in an unsatisfactory grade.

Indiana Academic Standards

The Indiana Academic Standards serve as a guide for all instruction that takes place at Klondike Elementary School. The standards for each grade level and subject area can be found on the Indiana Department of Education's website, located at:

<https://www.in.gov/doe/students/indiana-academic-standards/>.

A student may bring a commercially prepared and packaged treat for the class for his/her birthday. Arrangements need to be made with the teacher.

Information Systems, Computer Networks, and the Internet

Tippecanoe School Corporation provides a comprehensive and well rounded educational experience for all students. Students use computer networks, information systems, and the Internet as part of the standard curriculum. It is the parent or guardian's responsibility to notify the school if they prefer that these products not be used when treating their child.

Postural or Scoliosis screenings are conducted with students in grades 5, 6, 7, 8, & 9.

Parents or guardians will be notified by a referral letter if a concern is identified during the screening process. Referrals are based upon Indiana State referral recommendations. Further medical evaluation should be obtained. Questions regarding these procedures should be directed to your child's school nurse.

Speech and Hearing Screening

New students, including kindergarten students, and students who have received direct or indirect services from a speech clinician, are screened at the beginning of the school year. Students who enter Mayflower Mill later in the year are screened within a month after entering. Children may be screened for problems, but may not be evaluated or enrolled in a speech group without parental permission.

POSITION STATEMENT OF THE BOARD OF SCHOOL TRUSTEES: STUDENT PARTICIPATION IN SCHOOL-SPONSORED ACTIVITIES

Tippecanoe School Corporation (TSC) is highly supportive of educational opportunities that athletics, performing arts, and other academic-related programs contribute toward accomplishing the stated mission of the school district. These activities assist students to develop confidence, competence, and the ability to deal with success and adversity. We acknowledge the need for reasonable limitations to the time and resources that the school district devotes to such pursuits.

As the elected representatives for our school patrons, we endorse the following principles:

1. Successful completion of the approved course of study is a primary objective for each TSC student.
2. We will not compromise our integrity to gain a competitive advantage.
3. We will follow the rules and guidelines of the Indiana High School Athletic Association and the Indiana Division of Student Activities. Proposed participation in activities not endorsed by either of these organizations will be given great scrutiny.
4. We will attempt to be a supportive partner to those non-exclusionary community organizations that provide meaningful educational opportunities to our resident students.
5. The school corporation will not promote student activities sponsored by “for profit” groups.
6. Co-curricular programs will focus on providing a well-rounded and cultural experience rather than inter-school competition.
7. High school sports teams are competitive by nature. Selection of student participants is a subjective process. Final selection and assignment of team members is the purview of the coach.
8. Interscholar athletic competition will begin at grade seven.
9. Academic expectations, student enrollment numbers, and available staff and other resources limit the number of athletic and other activity programs TSC can reasonably sponsor.
10. The school district will, whenever possible, employ faculty members to serve as sponsors and coaches.
11. Participation in any extracurricular activity is a privilege. Staff members, students, and parents are expected to demonstrate exemplary behavior and to maintain the highest integrity.

RECYCLING PHILOSOPHY

The Tippecanoe School Corporation believes good stewardship of our natural resources and our environment is an essential part of students' civic responsibility. The school corporation is committed to establishing an educational environment for students that models active participation and teaches responsible waste reduction and recycling. The corporation's recycling efforts will be coordinated by the Director of Buildings and Grounds.

VALUABLES/ELECTRONICS/CELL PHONES

Students should not bring valuables, such as, large sums of money, electronic devices, or expensive toys to school. Mayflower Mill Elementary School is not responsible for lost or stolen belongings brought from home. If your Family Safety Plan requires your child to carry a cellphone for before school and/or after-school emergencies, the cell phone must remain off and in a backpack during the school day. Students using cell phones to call, video, text, or take pictures during the school day may have their cell phone confiscated until a parent can be reached to retrieve the device.

VISITORS/VOLUNTEERS

Visitors are accepted by appointment. Please schedule volunteering and visits with your child's teacher or the office to avoid disruptions to instruction. Volunteers are required to have an approved Background Check on file and schedule hours with the classroom teacher. Volunteers and visitors must be checked in at the office and must wear a school issued badge.

Parent Advisory Council (PAC)

PAC is an integral part of Mayflower Mill Elementary School. Every parent and teacher is automatically a member and is encouraged to donate time helping with activities of his/her choice. Volunteer opportunities are numerous!

Plagiarism

Plagiarism, as defined by the *Random House Dictionary*, is "to steal (the language, ideas, or thoughts) from (another) representing them as one's own original work." Intentional or not, when a student fails to acknowledge the source of words and ideas that are not his or her own, the result is plagiarism, that is, theft. It is also cheating. Plagiarism is not tolerated in the Tippecanoe School Corporation. Thus, the penalties for plagiarism are both disciplinary and academic and they progress in severity.

Playground Rules

1. Quiet in the hallway. There are classes in progress.
2. Show respect for equipment, other students, and for adults on the playground.
3. Foul language, spitting, bullying, fighting, or rough play will not be tolerated.
4. Use playground equipment appropriately (no pushing people off equipment; go down the slides, not up. No chasing or playing tag on equipment).
5. Jackets brought out will be worn on your body.
6. Rainy days - blacktop only. Avoid mud and puddles. No balls allowed on blacktop-only days.
7. Snow and ice - play on blacktop only, unless you have boots.
8. No throwing or sliding on snow and ice.
9. Follow whistle procedures: Freeze, take a knee. Three whistles line up on designated home lines.
10. Students may only stay in from recess when supervisors are informed by a note from the teacher or if a student has a note from a medical provider

Procedures for Comments and Threats of Violence

Mayflower Mill Elementary is proactive in dealing with comments and threats of violence. The school administration and staff adopt the approach that it is better to err on the side of caution than to risk any of our youngsters being put in harm's way. Any student comment about killing, use of violent weapons, etc. will be taken seriously. Any school employee who hears a student make a statement about violence will report it to one of the principals immediately. Principals will document the threat/comment and follow through appropriately. The We-Tip hotline is available to anyone who witnesses illegal activity that threatens our school or community. The phone number for this hotline is 1-800-782-7463. All calls are handled anonymously and reports may also be made online at www.wetip.com. Keeping Mayflower Mill Elementary School a safe learning environment is part of our school mission, which we take seriously.

Report Cards

Elementary Schools in the Tippecanoe School Corporation have four reporting periods. Each reporting period lasts approximately 9 weeks. Report cards can be accessed through the PowerSchool Parent Portal.
