## FRESHMEN WELCOMED AT MT. WHITNEY HIGH SCHOOL FOR 2024-2025 SCHOOL YEAR

On Wednesday, August 7th, at 8:00 AM, the Class of 2028 was warmly welcomed to Mt. Whitney High School. The event, meticulously planned by the spirited Link Crew team, introduced freshmen to the various ways they can get involved on campus and start the year off strong.

Students received their class schedules and had the opportunity to meet with their academic counselors. After gathering for a Minga photo, the freshmen were given Mt. Whitney High School spirit shirts, which they can proudly wear on Friday nights to show their school pride.

## LINK CREW PAVE THE WAY

## MRS. BOLDEN ROCKS!

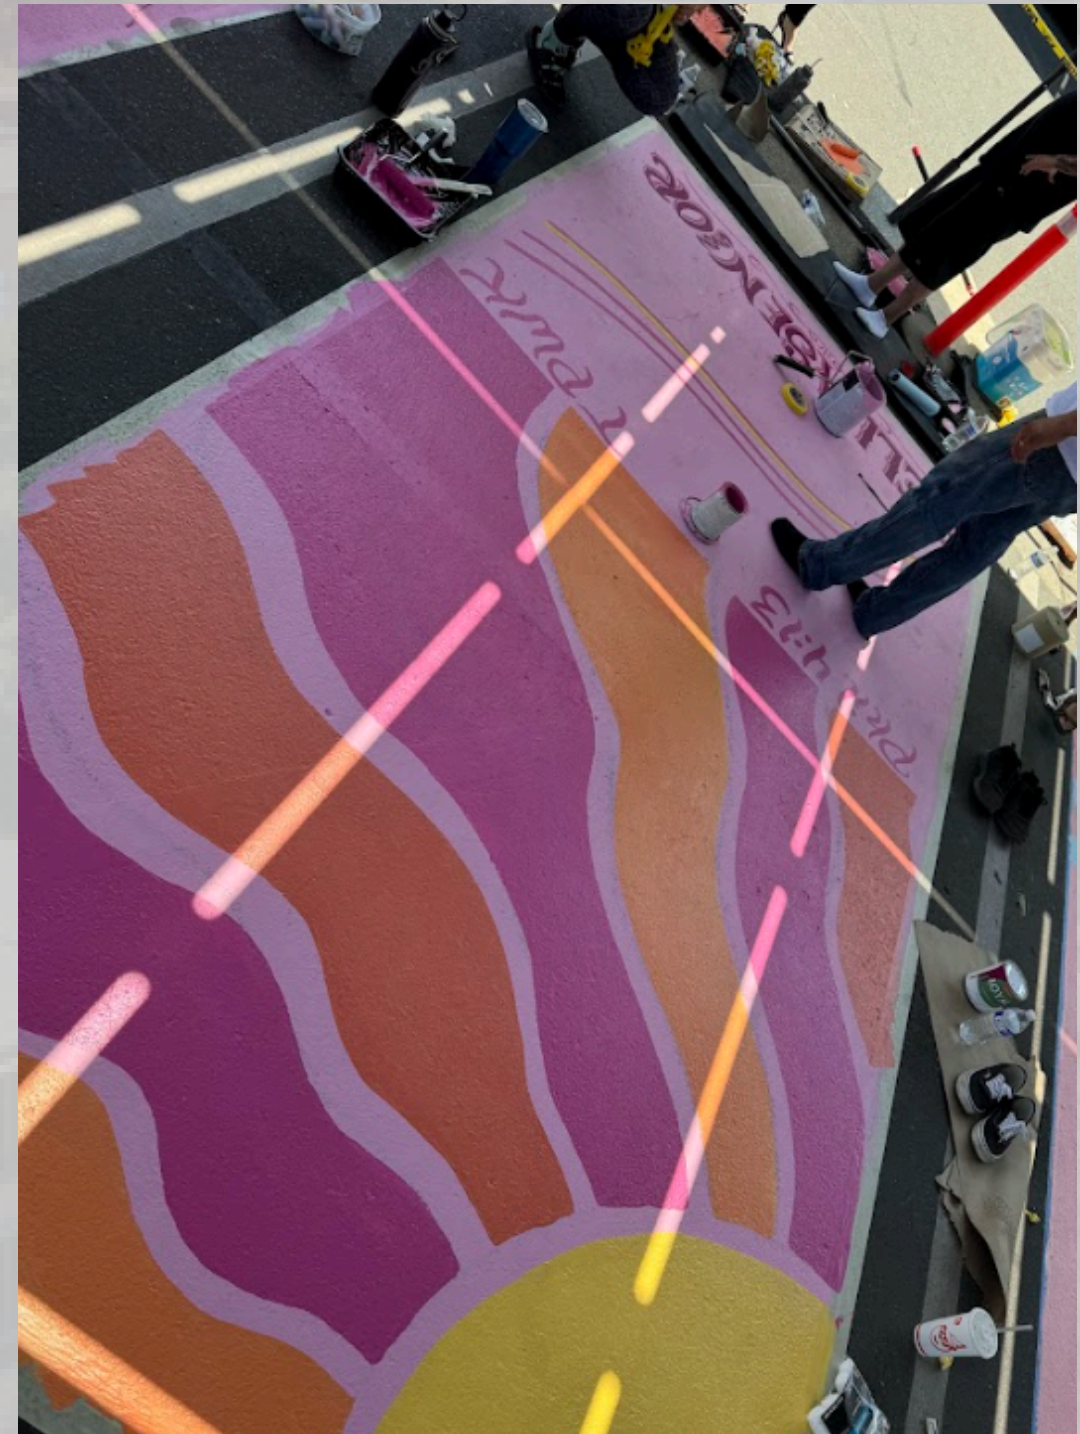

Link Crew Advisor and Teacher Kai Bolden led a spirited two-day training to ensure that freshmen students felt welcomed and had the opportunity to connect with their future Pioneer classmates.

## SENIORS CELEBRATE NEW TRADITION AT MT. WHITNEY HIGH SCHOOL

Seniors at Mt. Whitney High School have embraced a new tradition, transforming the campus parking lot into a colorful display of school spirit and personal creativity. With a small donation, seniors and their parents were given the opportunity to paint a parking stall, creating a lasting memento of their senior year.

Marea Vidak, the school's ASB president, emphasized the significance of the event, stating, "This initiative is important for strengthening Mt. Whitney's campus culture." Her classmate, Isabella Deluna, echoed this sentiment, adding, "It brought friends and family together to build traditions and create lasting memories. It's also a chance to show everyone that we are part of the best high school community."

Senior Mia Arrellano's father, Gabe Calderon, who participated in the project, praised the initiative, saying, "This is one of the greatest ideas I've seen. It has given us the opportunity to share experiences with students who have known my daughter since kindergarten."

## NEW PIONEER HELPS THE CAUSE

New Ag. Construction Teacher Matthew Medeiros helped the cause last week making a parking template to help Senior students stay within the lines. Great Job Mr. Medeiros!
