ASPIRE is a volunteer-based mentoring program that assists secondary (middle school and high school) students in the process of accessing training and education beyond high school. Working one-on-one or in groups, trained ASPIRE volunteer mentors help students with career and school research, applications and admissions processes, and provide information on financial aid. ASPIRE volunteer mentors must pass a criminal records check before meeting with students. Meetings take place at school, with staff present, throughout the school year. Participation does not guarantee that students will receive scholarships.

Each year students are asked to complete a confidential online survey about their experience and future plans. For students under the age of 18, participation in ASPIRE and the survey require a parent or guardian signature below.

Participation in all ASPIRE programs and the program evaluation is voluntary and confidential. You are free to withdraw your consent and discontinue participation at any time.

I give permission for my student to participate in the ASPIRE program and survey.

Parent/Guardian Name \_\_\_\_\_ date \_\_\_\_\_

(printed)

(signature)

***I am interested in volunteering for the ASPIRE program.***
