

2022-2023

ANNUAL REPORT

DEAR WESLEYAN FAMILY,

Thank you for taking the time to review our Annual Report for the 2022 – 2023 school year, a summary of the efforts of so many who support Wesleyan financially. In the pages that follow, you can read summaries of the Campaign for Students capital campaign, Wesleyan Fund, Alumni Fund, special gifts, Georgia GOAL, endowments, and the Legacy Society.

It is a joy to report to you all of these wonderful accomplishments that aide in furthering our school's mission of being "a Christian school of academic excellence." I hope you will take the time to review the results of all of these efforts and share in my gratitude and humility as you think about the countless lives of children who have been and will forever be impacted through the generosity of Wesleyan families, friends, and graduates.

By almost any metric you choose, the health of our school is strong. However, as wonderful as these results and metrics are, they are not what drives us. The numbers are by-products of a school culture driven by consistently working to further the Christian mission and make the experience better for our current students and families.

This strategic focus has led us to our current capital campaign, the Campaign for Students. Having successfully finished Phase I of the campaign by completing all projects at the Hoyt Family Athletic Complex in the fall of 2020, we have moved our focus to Phase II of this campaign which we are calling the Legacy Phase. The projects we plan to complete in the Legacy Phase include Young Hall. This new, two-story, 42,000 square foot academic building will house middle and high school STEM classrooms, larger high school science labs and classrooms, a college advising suite, office and meeting spaces, and a prayer chapel. The building will be equipped with updated technology and have multi-use spaces that easily transform and reconfigure to meet a range of academic offerings and activities. This building will be called Young Hall to honor the significant contributions of Studie and Zach Young. Mr. Young served as Headmaster at Wesleyan from the fall of 1996 until the spring of 2016.

We are calling this phase of the capital campaign the Legacy Phase for two reasons. The first is looking back on our history and acknowledging people who have made a significant difference in the life of our school. Families that our current parents and students may never know believed so passionately in the mission and vision of this place that they created something truly amazing. These early pioneering families took a chance on a school with no academic reputation, facilities, or traditions, but they believed so deeply in the future of Wesleyan School that they built this campus and paid the debt in full.

The second reason for the name Legacy Phase is the opportunity for the current generation of Wesleyan families to create and leave their own legacy. Twenty years from now, what will families say about the legacy that was left for their children? There are new chapters to be written in our story, and I am confident that the God who is the same yesterday, today, and forever, wants to do great things in and through our current community.

Thank you for your investment in the spiritual, intellectual, physical, social, and emotional development of children, and thank you for furthering the Kingdom through the mission of Wesleyan School. I continue to be grateful to you for your ongoing support of our school and your confidence in us. I am grateful to God for His many blessings on our school and pray that He will continue to bless you and Wesleyan School over the course of this next year.

Sincerely,

A handwritten signature in black ink that reads "Chad McDaniel".

WESLEYAN FUND

2022-2023 PARENT PARTICIPATION

Alumni from every single graduating class have given to the 22-23 Wesleyan Fund.

For 25 of the past 26 years, more than 90% of our families have made a gift to the Wesleyan Fund!

CAMPAIGN FOR STUDENTS

From the earliest days of Wesleyan School, we have been blessed by incredible generosity with more than \$189 million being raised to fund six capital campaigns since 1996. These campaigns built our campus and created an endowment that will have an eternal impact on students, faculty, parents, and friends of Wesleyan. We are currently in the second phase of the Campaign for Students, and our desire is to enhance endowment for financial aid and building maintenance and to build academic facilities that meet the needs of all students on campus. Wesleyan remains debt free, and the endowment stands at \$26.8 million, as of June 30, 2023.

The following benefactors have made capital campaign and endowment commitments to the Campaign for Students, and while we are currently still raising support, total capital gifts and pledges have exceeded \$41.1 million as of June 30, 2023. We are exceedingly grateful to these donors who are continuing a powerful tradition of philanthropy at Wesleyan School.

WESLEYAN FUND

The Wesleyan Fund is the foundation of all Wesleyan fundraising efforts, and each year we ask every family to participate. Wesleyan is a community with a history and heart for philanthropy. For 25 of the past 26 years, we have met or exceeded 90% parent participation in the Wesleyan Fund, and in 21 of those years, we met or exceeded 95% parent participation.

Supporting the Wesleyan Fund allows us to hire and retain the best and brightest teachers, fund need-based financial aid, and remain need-blind in the admissions process. When we find an excellent teacher who also wants to coach a sport, lead in the arts, host a Bible study, and give up his/her spring break to go on a mission trip with our students, we want that person to sign our contract every year and make a career at Wesleyan. Being need-blind in the admissions process allows us to accept students based upon their academic merit, not their parents' ability to pay. The student experience is enhanced when talented young people, regardless of family income, are a part of our community.

It is truly humbling to think about the generosity of the pioneering families of Wesleyan School from the earliest years in Peachtree Corners. They were so committed to the mission of Wesleyan that they sent their children to school in trailers and ultimately built and paid for what we enjoy today. To honor their legacy and follow the call of Christ, we must continue to push ahead for current and future generations of Wesleyan students.

MISSIONS GIVING

Since the Wesleyan missions program began in 2000, students and faculty have enjoyed the opportunity to explore their faith through service around the world. Since our first trip to Honduras nearly 25 years ago, thousands of students and hundreds of teachers have participated in this program, and this experience has been made possible by countless generous donors.

The missions program took a hiatus in 2020 and 2021 and only offered five domestic trips in 2022, but in 2023, we were thrilled to once again offer a full slate of international and domestic trips to our high school and middle school students. Though much had changed in the four years since we last offered international trips, the generosity of the Wesleyan community remained constant.

In 2023, 180 students and 50 faculty traveled to nine different locations to serve, grow, bond, learn, and worship together. Our trip locations included Kentucky, New Mexico, Tennessee, Ecuador, Spain, Italy, and three trips to the Dominican Republic. In order to make these trips possible, the Wesleyan missions program received more than 900 donations totaling nearly \$300,000 dollars. This generosity allowed students to experience a wide variety of ministry opportunities on their trips: Vacation Bible Schools, work projects, home visits and repairs, prayer ministry, sports camp, and much more.

The Wesleyan missions program is funded entirely by donations, so we depend on the generosity of this community in order to make these trips possible. So, once again, we express our deepest gratitude to everyone who has committed their support to this remarkable program. Lives are being changed through your generosity!

GEORGIA GOAL

GEORGIA TAX CREDIT SCHOLARSHIP PROGRAM

Financial aid has become increasingly important to Wesleyan. Since 2008, the state of Georgia has allowed for the redirection of state income tax liability to a qualified student scholarship program for the purpose of need-based financial aid. Wesleyan participates with the qualified student scholarship program known as Georgia GOAL.

Through the GOAL program, Wesleyan has provided aid to students whom we might otherwise not have been able to serve, thus furthering Wesleyan's ability to fulfill its Christian mission. We would like to thank Wesleyan parents, grandparents, faculty, and friends for their participation and support. The Georgia GOAL participants are listed for the 2023 tax year through September 30, 2023.

OPPORTUNITIES TO LEAVE A *legacy*

THE ENDOWMENT FUND

The Endowment Fund

For Wesleyan to be a top-tier institution, endowment becomes a pressing need. Endowments are a pool of funds that continue in perpetuity. A designated portion of the return (currently 4%) provides a stream of income to support financial aid, faculty, and capital maintenance. We currently have ongoing needs to add to our current endowment of \$26.8 million. There are three major components of the Endowment Fund:

Financial Aid

Endowment funds for financial aid allow Wesleyan to help current Wesleyan families in need. In addition, financial aid also provides educational opportunities for students with diverse talents, backgrounds, and interests who will enhance Wesleyan's student body.

Capital Endowment

New buildings have been built, but as they age, they will always require new roofs, new chillers, and major IT improvements. This endowment allows us to enhance these structures.

Faculty Salaries

Wesleyan's commitment is to hire only faculty members who exhibit a personal Christian faith. Every faculty member is expected to lead, teach, and mentor our students by example in the way they conduct their own lives. Endowment for faculty salaries enables the school to attract and retain Christian faculty of the highest caliber.

Legacy Society

Wesleyan, like all independent schools, exists because someone felt a need for the institution. There are only three ways to fund a school such as Wesleyan – tuition, annual giving, and income from endowment.

Currently, our endowment provides less than 1% of the operating budget – ideally, it needs to provide at least 15%. For Wesleyan to be in the top-tier of schools, we need to dramatically raise our endowment to at least \$50 million. One of the best ways to do this is through Legacy Society gifts of life insurance, charitable trusts, will bequests, or retirement plan assets. From our original group of 15 donors, the Legacy Society has grown to over 60, including the entire board of trustees. These people are making a permanent gift that outlasts their tenure as parents and, above that, their service to the school.

Particularly in this area, we are grateful for the small and knowledgeable group of volunteers who work with the Office of Development to direct our planned giving efforts.

Bequests

Including Wesleyan School as a beneficiary in one's will provides a meaningful future gift to the school, as well as savings in estate taxes.

Life Insurance Policies

A life insurance policy naming Wesleyan School as owner and beneficiary may provide a substantial future gift to the school. The value of the policy, as well as the annual premium payments, may be tax-deductible and will be treated as annual gifts to the school.

Charitable Trusts

Charitable remainder trusts may provide lifetime income, immediate tax savings, and avoidance of capital gains tax while establishing a major gift for Wesleyan as the trust's ultimate beneficiary.

GIVING TO WESLEYAN

**Wesleyan Fund**

Since tuition does not cover the full cost of a Wesleyan education, tax-deductible gifts to the Wesleyan Fund fulfill a number of needs. These unrestricted contributions supplement the school's operating budget and provide dollars needed for faculty salaries and financial aid. The entire Wesleyan community is asked to give to the Wesleyan Fund. The Wesleyan Fund begins July 1 and ends June 30, coinciding with our fiscal year.

Capital Campaign

The financial support of this school is dependent upon the support of every family. Capital campaigns exist to fund new buildings, purchase additional land, and **grow** the endowment for the school.

Restricted & Memorial Gifts

These gifts are designated for specific requests for program and extracurricular activities.
