

Open Doors Enrollment Process

Contact your Counselor

- Reach out to your (student's) school counselor.
- Ask your counselor about the program and if you meet eligibility requirements.
- Discuss the viability of your skillset working well with an online platform with infrequent check-ins.

Complete the [Application](#) Process

- There are components for you and your counselor to fill out
- [If transferring from out of district] Submit required documentation. This may include transcripts, identification documents, and any other required paperwork.

Enrollment Confirmation and Orientation

- Your counselor will work on verification that you are eligible to be enrolled.
- Wait for confirmation from the program that you have been accepted and are enrolled.
- Meet with Selah Open Doors instructor to determine meeting schedule.
