Music Department Report
August 15, 2024
Prepared by Nate Bankert

From Mr. Ackerman

The PV rock bands were requested to perform at the 40th class reunion of the Pequea Valley HS class of 1984. It is October 5.

From Mr. Corrao

The Marching Band is up and running with its exciting football halftime show The Foo Fighters!

From Mr. Bankert

Seven learners took private voice lessons over the Summer with Mr. Bankert to keep their voices in shape and begin preparing for district chorus auditions in the Fall.

The choral officers came to school August 14 from 4-6pm to help set up the choral room and prepare for the school year. We are all excited for the many musical events happening this year. Some highlights to look forward to at the beginning of the school year are:

1) Annual Fall Choral Benefit Concert Sunday November 6th. Event starts at 5pm. This year's theme is songs from the 90s!
2) Auditions in September for the ACDA National Honors Choirs auditions. This year's festival will be in Dallas, TX.
3) PVHS Music Department presents its very first HS musical in December-

Auditions will be held in September. The show run will be December 5-7. More details to come! My hope is that this show will generate a lot of excitement for our performers and community.

Note- this is a one-year switch. For the 25-26 school year and beyond, productions on the PV stage will go back to their normal calendar placements.
