Family Resource Center and Foundation – Deb Skyler and Kevin Tubbs

Kevin Tubbs spoke about partnership in grant fulfillment. He would like for us to work together to fund grants that the rules of the foundation don't allow them to fulfill.

The foundation gives the Family Resource Center \$35,000 a year. This is used to help with rent, eye care, food needs and other things that the school system cannot help with. The goal is to remove any barriers to learning. Parents can initiate a referral for assistance directly through a form on the website or referrals are made through guidance counselors. Gift cards are now used for clothing shopping to allow parents to shop with their children. Food is now ordered by Walmart pickup to allow parents to create their own shopping list. We have served 324 unduplicated students this year. Maryville City Schools currently has 33-38% students on free and reduced lunch.

Administrative Report

- The testing window will be April 15 – May 13. All but two tests will be done on computer. If students are absent, they will be pulled to make-up the test the first day they return to school. Testing will take place first thing in the morning, so please be on time and don't schedule appointments.
- Reception for honors society is tonight at 7.
- Registration information came home before spring break for rising 9th graders. The portal will open for a week on Friday if changes need to be made.
- Administration has begun working on the Master Schedule for next year.
- The spring dance will be May 3 at Smithview from 6-8:30.
