Dear Parents/Guardians & Students,

As the school year approaches, please note that Mercer County Community College fall semester classes will commence on **September 3, 2024**. To stay informed about your class schedules and start times, log into your MyMercer account. Should you require assistance accessing your MyMercer account, please reach out to mitts@mccc.edu.

Mercer County Technical Schools will begin on **September 5, 2024**, at which point transportation to and from the college will be provided during school hours. However, since MCTS starts two days later than the college, you will need to arrange your own transportation for the first two days of the MCCC Fall semester, specifically September 3rd and 4th.

Please feel free to contact your school counselor if you have any questions.

Sypek- Ms. Dana Tanzini
