

WINGS WEEKLY

ALBUQUERQUE AVIATION ACADEMY NEWSLETTER

AUGUST 15TH, 2024

Our family messaging system had to change unexpectedly for the 2024-2025 school year so it will be different this year. There have been some glitches that were out of our control and we are working hard with our new vendor to get everything up and running! Please check the website regularly for the first month of school until all the kinks have been worked out.

Bus Route Update

Due to growing concerns and traffic at and around the Neighborhood Wal-Mart drop-off and pick-up location, we have decided to move to another location. Starting Monday, 8/19/2024, there will **NO LONGER** be a pick-up/drop-off at Wal-Mart and instead we will use the East side near the drive-thru of **Walgreens on 2200 Unser Blvd NW (Unser and Vista Oriente St NW)** which is one block North of the Wal-Mart location. Times will remain the same.

Parent/Student Portal

The PowerSchool portal is a great way to see your students schedules,

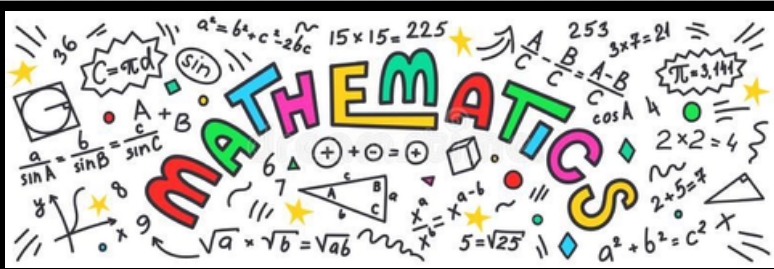

attendance, and updated in-person course grades.

To access, go to Quicklinks on the school website and click on "PowerSchool Login." If you would like to download the app to your phone, it will ask you for a District Code.

District Code is KHWZ

See something on the Edgenuity Dashboard that doesn't look right? Hoping to change the days you attend? The **ONLY** way to have changes made to your schedule and/or courses is to complete a Course Change Request Form. Form is attached, available at the front desk or ask a teacher for a form. Turning in a form **DOES NOT** guarantee a change, but administration will consider all changes and email the student with details.

Does your 10th-12th grade, high school student need some extra support in math this year? We have opened a session of Math Support on Tuesday or Wednesday during Session 3. If your student currently has a Study Hall during that session and you would like to move them to the Math Support class, please submit a Course Change Request Form and we will get them the extra support they need!

Please send a lunch with your student daily. Albuquerque Aviation Academy does not currently have a food program. We are still waiting to hear back from the state on funding to help get the necessary equipment and construction to get make that a possibility but have not received anything to date! Vending machines are available.

If you arrive before 7:30 am to either gate or get here before 3:00 pm and the gates are still closed, DO NOT BLOCK the gate.

Staff need to be able to access the campus in order to receive students in the morning and it is a safety issue. If students and/or parents continue to block the gates, we will have to get the police involved and begin ticketing.
