

**MISSION**

Empowering all learners to succeed in *their* world.

**VISION**

The Sycamore Learning Community vision is to provide an ideal learning experience where students and staff are engaged and want to come back the next day.

**Collaborative**

**Empathetic**

**DISTRICT  
GOALS**

**Learning and Teaching**

Promote success in both academic and social-emotional settings by exploring and implementing evidence-based, inclusive, learner-centered practices.

**Operations**

Secure sustainable funding to support academic support and success, ensuring equitable access to resources and facilities for all students.

**Human Resources**

Provide a positive, safe, and supportive working atmosphere where people desire to work and come back the next day.

**Instructional Technology**

Empower all learners to succeed in their ever-evolving, technology-reliant world.

**Communications**

Foster a strong, interconnected school community through strategic communication initiatives.
