ARTICLE 2 – NEGOTIATIONS

A - Ongoing Administration of Contract

Representatives of the Employer and the Association will meet each month for the purpose of reviewing the administration of the contract and to resolve problems that may arise. These meetings are not intended to by-pass the grievance procedure. Each party will submit to the other, on or before the Friday prior to the meeting, an agenda covering matters they wish discussed. Should such a meeting result in a mutually acceptable amendment to the Agreement, the amendment shall be reduced to writing, ratified by the Employer and the Association, signed, and appended to this agreement.

B - Bargaining Notification

The parties shall commence bargaining for a successor agreement on or about January 15, 2028 and shall bargain as per the Illinois Educational Labor Relations Act and its Rules and Regulations.

C - Negotiations Procedure

 8. The Board shall not discriminate against any employee with respect to hours, wages, and terms and conditions of employment for reasons of membership in the Association or participation in negotiations with the Board.

ARTICLE 3 - GRIEVANCE PROCEDURE

A - Primary Purpose

The primary purpose of this Grievance Procedure is to secure at the lowest level possible an acceptable solution to the problems of the parties covered by this Agreement.

B - Definitions

Grievance: A grievance shall be any claim that there has been a violation, misapplication, or misinterpretation of a provision(s) of this Agreement.

Days: Days as defined in Article 3 are days in which the business office is open.

C - Procedures

Step 1: A grievance must be filed within 30 days of the alleged aggrieved event. If Thanksgiving Break, winter break or spring break occurs within this 30 day period, the grievance timeline will be extended by the number of days of said break. If the grievance is not completed prior to the summer break, the timeline will resume once the next school year begins. The grievant may present the grievance in writing to the immediately involved supervisor, who will arrange for a meeting to take place within ten (10) days after receipt of the grievance. The Association's representative, the grievant, and the immediately involved supervisor shall be present for the meeting. Within ten (10) days of the meeting, the grievant and the Association shall be provided with the supervisor's written response, including the reasons for the decision.

Step 2: If the grievance is not resolved at Step 1, then the Association may refer the grievance to the Superintendent or the Superintendent's official designee within ten (10) days after the receipt of the Step 1 answer. The

Superintendent shall arrange with the Association representative for a meeting to take place within ten (10) days of the Superintendent's receipt of the appeal. Within ten (10) days of the meeting, the Association shall be provided with the Superintendent's written response, including the reasons for the decision.

Step 3: If the Association is not satisfied with the disposition of the grievance at Step 2, the Association may submit the grievance to final and binding arbitration. If a demand for arbitration is not filed with the Employer within thirty (30) days of the date of the Step 2 answer, then the grievance shall be deemed withdrawn. If within fifteen (15) days of the filing of the demand with the employer the parties cannot agree on an arbitrator, the demand shall be submitted to the American Arbitration Association which shall act as the administrator of the proceedings.

D - Bypass

By mutual agreement, any step of the grievance procedure may be bypassed.

E - Class Grievance

Grievances may be initiated and/or conducted by the Association. The Superintendent, at his discretion, shall conduct a conference with the teachers making the complaint. The Association President(s) may be present.

F - No Reprisals Clause

No reprisals shall be taken by the Employer against any Employee because of the Employee's initiation, participation or refusal to participate in any grievance, complaint, or proceeding under this Agreement.

G - Filing of Materials

All records related to a grievance shall be filed separately from the personnel files of the Employee(s).

H - Grievance Withdrawal

A grievance may be withdrawn at any level without establishing precedent.

I - No Written Response

Failure of the Administration to act within the time limits set forth shall allow the aggrieved to proceed to the next step of the procedure. Failure of the aggrieved to act within the time limits set forth shall preclude further appeal of the grievance.

J - Costs

The fees and expenses of the arbitrator shall be shared equally by the parties.

K - Postponement

If only one party requests a postponement of an arbitration hearing, that party shall bear the cost of such postponement.

L - Settlement

ARTICLE 4 - EFFECT OF AGREEMENT

A - Complete Understanding

The terms and conditions set forth in this Agreement represent the full and complete understanding between the parties.

B - Contractual Amendments

This Agreement shall constitute a binding obligation of both the Employer and the Association and for the duration hereof may be altered, changed, added to, deleted from, or modified only by a majority vote by the Board and the Association membership.

C - Contract vs. Board Policy

All Employer policies shall be in conformity with the provisions of this Agreement.

D - Savings Clause

Should any article, section, or clause of this Agreement be declared illegal by a court of competent jurisdiction, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by the law; and all other provisions or applications shall continue in full force and effect.

ARTICLE 5 - CONTINUITY OF OPERATIONS

A - No Strike Provision

Neither the Association nor any Employee shall engage in a strike during the duration of this Agreement.

ARTICLE 6 - TEACHERS' RIGHTS

A - School Code Rights

Except as is specifically provided in this Agreement, nothing contained herein shall be construed to deny any teacher rights he/she may have under The School Code or under other applicable laws and regulations.

B - Right to Organize and Participate

Teachers have the right to organize, join, and assist the Association; participate in negotiations with the Employer; and to engage in activities individually or in concert for the purpose of establishing, maintaining, protecting, or improving conditions of service or quality of the educational environment.

C - Employee Notification of Assignments

An employee shall be given written notice of their assignments for the forthcoming year as soon as practical and no later than two weeks before the end of the current school year. In the event changes in such assignments are proposed, the teacher affected shall be notified promptly and consulted. Unless an emergency situation arises, teacher assignments shall not change 40 days prior to the commencement of the next school term.

D - School Grounds Departure

Teachers shall be permitted to leave the school grounds during any preparation period or lunch break after notifying the building principal, or designee. The principal has the right to refuse or limit the period of absence if it is deemed necessary to safeguard the health and welfare of students.

E - Review of Personnel File

Each teacher shall have the right, upon request, to review the contents of their permanent personnel file which shall minimally contain evaluation, both formal and informal, and remediation documentation.

The teacher shall be given a copy of any material added to their personnel file within five (5) working days of the date of such additions. The teacher has the right to respond, in writing, to any material filed within the aforesaid file within ten (10) working days of same.

Such review of permanent personnel file shall occur during the regular business hours, in the presence of a designated employee of the Board, during a time when the teacher is not otherwise assigned, and by appointment.

This section shall not be applicable to any evaluative or reference information received by the Board prior to the teacher's first employment day in the District.

F - Complaints

An employee shall be advised promptly of any complaint against him/her that could result in disciplinary action. At that time, the employee shall also be notified of the name(s) of the person(s) making the complaint. If requested by an employee, an employee/administrator conference shall be held, and no disciplinary action shall be taken against an employee prior to this conference.

The teacher (employee) may request a conference with the person(s) making the complaint at which time the administrator shall also be present. If such a conference is conducted, the administrator's role shall be to counsel with the parties and seek a solution to the problem which created the complaint.

If the Administration determines the complaint warrants investigation and the subject of the complaint is to be interviewed as part of the Administration's investigation, the Administration shall notify the employee of the investigation through a notice that will state the purpose of the meeting and the time and place for the meeting. The teacher (employee) may have a representative of the Association present at the meeting.

If disciplinary action is taken that would adversely affect the employee's compensation:

- o the Superintendent or other administrator will issue a letter to the employee that specifies the disciplinary action to be taken; and
- o a copy of the letter of discipline will be placed in the employee's personnel file. The employee may attach a letter of rebuttal to the disciplinary letter in the file within 30 calendar days; and
- o a summary of the investigation notes shall be made available to the employee upon written request to the Superintendent.

G - Seniority

Seniority is defined as a teacher's length of continuous service, with exception of Board approved leave, which begins on the date the teacher was first obligated by contract to start work with the District on a full time basis.

Part-time teachers shall acquire seniority on a pro-rata basis. For example: Teaching two years at half time would equal one full year of seniority.

If two or more teachers' seniority is equal, the one whose date of hire is earliest as determined by Board approval, shall have greater seniority. If the date of hire is equal, the teacher receiving tenure first shall have greater seniority. If

date of tenure is equal, total years of any full-time teaching experience (K-12) shall become the deciding factor in determining seniority in the district.

Part Time

Once tenure has been achieved, involuntary part-time service shall not constitute interruption of continuous service. Once tenure has been achieved, voluntary part-time service shall not constitute interruption of continuous service at the discretion of the Board.

Seniority of Tenured Part-Time

The seniority status of teachers reduced to part-time who retain tenure shall not be affected by such reduction, and they shall continue to accumulate seniority on a pro-rated basis beginning September 1, 1983.

Reinstatement of Seniority

That period of time during which a tenured teacher is eligible for recall under the provisions of this Agreement shall not constitute interruption of continuous service.

Leave Replacement

Continuous service in the form of full-time leave replacement shall count toward tenure and seniority, if such service results in regular employment within the district.

H - Vacancy of Position

Vacancies shall be posted online and licensed staff will be notified by email as soon as known or anticipated. This includes existing and newly created positions. Teachers shall have at least seven (7) calendar days from the date of posting to file an application for the vacancy. Qualified and licensed internal candidates shall be considered and interviewed for vacancies. During the

summer months and time permitting, Teachers will be notified of internal vacancies in the summer through their district email account. Interviews will begin immediately during the summer months without a 7 day delay for internal candidates.

I - Voluntary Job Transfer

An eligible teacher may apply for a transfer to another position or building where a vacancy exists by filing an application within seven (7) calendar days of the internal posting. Before filling any vacancies, consideration and an interview will be given to said teacher(s). If the transfer request is not granted, the teacher will be informed of the reasons for the decision.

J - Involuntary Job Transfer

Involuntary transfers should be avoided except when primarily used to make more efficient and appropriate use of staff to conduct instructional programs and activities, and will take into account the professional interests and concerns of the teacher.

If a teaching assignment must be changed to a different building, grade level, and/or subject area because of fluctuations in grade level populations (this would not apply for shifting an entire grade level to another building), the principal from whose building a teacher must be transferred shall meet with their staff to explain the situation to solicit a voluntary transfer. Teachers considered for the transfer must be properly licensed for the new position. If more than one teacher with the necessary license volunteers, the receiving principal shall make a recommendation to the Superintendent, who will make the final decision on a transfer. If no teacher volunteers for said transfer, the Superintendent, or his or her designee, shall select the transferee by qualification, licensure, and seniority.

Seniority will determine selection in cases when qualification and licensure for two candidates are equal. The supervisor or principal shall meet with the transferred teacher within 14 calendar days to foster a smooth transition. Teachers subjected to an involuntary transfer shall be allowed to return to their previous assignment if the position becomes available within two school years.

K - Part-Time to Full-Time

If part-time positions are eliminated to create full-time positions, the part-time teachers shall be given priority consideration for the full-time position, then all other currently employed teachers will be considered.

L - Job Sharing

The Board will consider job sharing proposals to share a full-time teaching position. Only a tenured teacher may submit a job sharing proposal, which may include a person who is non-tenured as a teaching partner. The proposal shall be submitted to the Superintendent, in writing, by January 15 of the school year preceding the year for which job sharing is being proposed, signed by both of the teachers requesting to share the position and specifying the position sought to be shared. Such requests will be considered by the Superintendent and may be granted on such terms and conditions deemed appropriate by the Board. All job sharing proposals approved by the Board shall be on a yearly basis.

M - Relationship with Teachers' Assistants

If an instructional assistant is to be assigned to a teacher, classroom and/or resource, the building principal shall make a good faith effort to consult with the teacher regarding such assignment. If the teacher is available, such consultation shall include the interview process and periodic reviews of the instructional assistant. In addition, any teacher who is assigned an assistant may

provide input to the appropriate building principal regarding the performance and continued employment of the assistant.

N - Reduction in Force and Recall

Reduction-in-Force will be conducted pursuant to the requirements of Article 24 of the Illinois School Code.

All contracted teachers that are subject to dismissal due to a reduction in force shall receive notice by certified mail, return receipt requested, on or before April 15 of that school year. This notice shall include a statement of honorable dismissal, referring to the necessary reduction in force.

All contracted teachers who are subject to dismissal due to a reduction in force shall receive written notification and information regarding continuity of health insurance according to State and federal law. Administration shall discuss potential reductions with the employee(s) prior to formal notification.

ARTICLE 7 – ASSOCIATION RIGHTS

A - Association Meeting Place and Time

The Association shall be allowed to use the appropriate meeting space in school buildings during non-school hours where such is available and does not interfere with educational programs. The Superintendent shall be notified at least forty-eight (48) hours in advance of these meetings involving more than ten (10) Association members. The administration, except in the case of emergency, will make every effort to keep the times immediately preceding and during the Association Meeting free from other scheduled teacher and inservice meetings. This request will not affect any administrative meetings that have been scheduled prior to this notification.

1. Regular Meeting Time

The last Thursday of each month, outside the school day, shall be reserved for Association meetings with the exception of Parent-Teacher Conferences. Meeting times will be determined by the Association at the beginning of each school year.

2. Meeting Announcements

Announcements of time and location of Association meetings may be read over the intercom system in each building. Such announcements shall be made at the times regularly scheduled for announcements in each building and may also be placed in the daily teacher bulletin, daily teacher email, and on appropriate bulletin boards.

3. Institute Day Meetings

The Association President(s) shall be allowed to address the Association at a mutually agreed upon time on Institute Days when the Association is assembled in the same place at the same time.

B - Communication Vehicles

For the purpose of internal communication, teacher mailboxes, interschool mail, interschool email, and a bulletin board in the teachers' lounge of each school shall be made available to the Association.

C - Board Meetings

The President(s) of the Association or their designee shall be given notice of all regular and special meetings of the Board. The Board packet (inclusive of the agenda) shall be given to the Association President(s) and one Association representative at each building on the same day the Board receives the packet. Board minutes shall be posted to the district website for the Association to access.

D - Association Representatives Leave of Absence

The Association may send up to four (4) representatives to local, state, or national conferences or on other business pertinent to Association affairs. The Association may use a total of eight (8) employee days per school year for this purpose. The Association shall have the right to use an additional two (2) employee days at its option for the purpose of conducting Association business with teachers during non-duty time. Written notification for said leaves shall be submitted to the Superintendent by the President(s) of the Association. These

representatives may be excused without loss of salary providing the Association reimburses the Board for the cost of substitutes.

E - Association Meetings with the Superintendent

The Association representatives (Executive Board Members and/or Building Representatives) and the Superintendent shall meet upon request by either party. Either party may request the attendance of additional persons.

The designated Association representatives shall be released from teaching duties for the purpose of attending said meetings, if meetings occur more than once a month.

F - Association Views

The Board encourages the Association to submit its views with respect to changes in the Board's policies or procedures, including educational matters, prior to effecting such changes, and will consider such views in formulating its final decisions.

G - Right of Notification

The Superintendent shall provide the Association President(s) with the name, address, email, and phone number of each new employee upon Board approval of new employee contract.

H - Instructional and Professional Concerns Committee (IPC)

The parties agree to establish an Instructional and Professional Concerns Committee, composed of an equal number of teachers (appointed by the Association) and Board/Administrators (chosen by the Board/Administration). Topics and issues may be brought to the Committee by the Association or the Administration. The Committee will work to resolve concerns and may make

recommendations to the Board and the Association that may modify the Agreement or past practice. The Committee will meet 3 times prior to March 15th.

ARTICLE 8 - SCHOOL CALENDAR AND WORKDAY

A - Calendar

The Board shall annually adopt a school calendar which conforms with the requirements specified by the State of Illinois and such additional days as may be needed in case of emergency (105 ILCS 5/10-19).

The President(s) of the Association shall appoint a committee to meet with the Superintendent in an advisory capacity concerning the calendar to be recommended to the Board. The minutes of the meeting with the committee and the Superintendent containing the recommendations of the committee shall be received by the Board prior to the Board's vote.

B - Length of Workday

The Board shall consult with the Association before serious consideration is given to making permanent changes in the workday. There shall be a total of 182 workdays per school year.

Excluding institute days, the administration, in scheduling of professional growth and building meetings, will make a reasonable effort to schedule meetings at those times which will be sensitive as to teacher preparation periods and days before the day progress reports or report cards are distributed and as to reasonable length to cover agenda items.

C - Planning and Preparation Time

No teacher shall be required to teach more than 180 minutes or four (4) consecutive periods without a relief period unless he/she has agreed to it. The administration shall make every reasonable effort to provide full-time teachers with a planning period in the morning and a planning period in the afternoon of each school day.

It is recognized that some meetings have to be scheduled during a teacher's planning, preparation and class time. A reasonable effort will be made to consult the teacher prior to the setting of dates and times, thus causing minimal disruption.

D - Traveling Teachers

Licensed staff members working in multiple buildings as part of their assignment shall be reimbursed for mileage between buildings at the allowable rate set by the Internal Revenue Service. Traveling time is exclusive of lunch and planning periods.

ARTICLE 9 – LEAVES

A - Sick Leave

Each teacher shall be entitled to sick leave per year without deduction in pay based on the following scale of years in the district:

| | | | |
|--------------------|-----|-------|-----|
| Years in District | 0-9 | 10-19 | 20+ |
| Sick Days Allotted | 14 | 18 | 22 |

Sick leave is defined as personal illness, mental or behavioral health complications, quarantine, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption. (Immediate family is defined in The School Code as as “employee’s parents, spouse, brothers, sisters, children, grandparents, grandchildren, parents-in-law, brothers-in-law, sister-in-law, and any person for whom the employee is legal guardian by birth or marriage.” Domestic partner and step relation will be included as immediate family. “

An employee who has been absent from work for three (3) days or longer because of illness or injury, or thirty (30) days for birth, may be required to submit a physician’s report to the Superintendent with a summary statement of the illness or injury.

The Employer shall furnish each employee with a written statement at the beginning of each employee work year setting forth the total sick leave and personal day credits.

When a tenured employee has utilized all their sick leave they may borrow up to six (6) days from their next year’s allotment. Notification for the sick leave extension shall be submitted to the Superintendent. An employee who utilizes

any of these additional days may be required to submit a physician's report to the Superintendent with a summary statement of the illness or injury.

B - Sick Leave Bank

The Board and the Association agree to the option of creating a sick leave bank which shall be administered by a committee appointed by the Association. The bank will be available to tenured teachers who are absent from their employment due to a catastrophic illness suffered by the teacher (not members of the immediate family or household). Participation shall be voluntary and will require an initial contribution of one (1) day of accumulated sick leave from the tenured teacher(s).

The maximum number of sick days which can be withdrawn by a participating tenured teacher may not exceed 25 days in any five-year period. In order to access days in the bank, the teacher must first have exhausted all of his or her available, unused sick leave. The aggregate maximum number of sick days allowed in the bank may not exceed 200 days. In the event the aggregate number of days in the bank drops below 100, participating teachers may be asked to donate an additional day in order to continue to be eligible to participate in the bank.

The Association Sick Bank Committee will create the rules governing the use of the bank and send a copy to the Superintendent. The Committee will also report to the Board contributions to and withdrawals from the bank.

C - Emergency/Personal Leave

Each teacher shall be granted four (4) days Emergency/Personal Leave per year without deduction in pay for the purpose of transacting personal matters that require absence during school hours. The teacher shall not be required to

state their reason when applying for leave, except as prescribed below. Personal leave requests shall be made not less than twenty-four (24) hours in advance to the building administrator unless extenuating circumstances prevail.

Upon specific approval of the Superintendent, Emergency/Personal Leave may be used on days immediately preceding or following staff non-attendance days. A reason for the leave may be required and such approved leave may be without pay.

If the request for Emergency/Personal Leave is denied, the Superintendent will give specific reasons for the denial in writing to the teacher and the building principal.

Unused Emergency/Personal Leave shall be cumulative to a maximum of six (6) days. Unused personal days in excess of six (6) may, at the annual election of the teacher, either be reimbursed at half (1/2) of the substitute pay or added to available sick leave as a whole day. The leveling to six (6) personal days shall occur at the beginning of each school year.

A teacher who has exhausted all of their accumulated Emergency/Personal Leave may convert one accumulated unused sick day to Emergency/Personal Leave. Provided, however, no teacher may use more than a total of six (6) Emergency/Personal Leave days during the school year and no teacher may use this converted day for travel, or to extend a weekend, or other break period.

D - Bereavement Leave

Each teacher may receive Bereavement Leave with pay for up to five (5) days when death occurs in the immediate family or household.

Additional leave for bereavement purposes may be available under State law. Employees are encouraged to contact Human Resources with any questions about bereavement leave.

Each teacher may utilize one (1) of these Bereavement Leave days with pay when death occurs in their extended family. Extended family shall include aunt, uncle, cousin, niece and nephew by birth or marriage.

E - Release of Personnel for Military Training

Whenever possible, reserve officers and other reserve personnel among the licensed staff shall be expected to meet their requirements for annual training during the period for which they are not employed to perform duties for District 103. If a special situation arises which requires attendance during the regular school year, the employee shall receive his regular salary less the amount from the government for the period of training or required duty.

F - Jury Duty

All licensed personnel serving on jury duty, or who are subpoenaed to testify during work hours in any judicial matter, shall receive full salary for the time required to be in attendance upon submitting to the Business Office all payments received for serving as a juror, less mileage and lunch allowance, except if payment for jury service is more than the regular salary.

Teachers requested to attend an arbitration fact-finding proceeding or Illinois Educational Labor Relations Board hearing shall be paid full salary for a period of one day. Any stipends received for testimony at these arbitration fact-finding proceedings for the first day shall be transmitted to the Board for use in the general fund.

G - Sabbatical Leave

The purpose of sabbatical leave is to benefit the school system by improving the quality and level of experience of the teaching staff.

A sabbatical leave may be applied for upon completion of six consecutive years of satisfactory service as a full-time teacher in District 103.

Allowing a sabbatical leave will be strictly at the discretion of the Board. No more than one licensed staff member may be granted sabbatical leave in any one school year.

A sabbatical leave may be granted for one school year at one-half salary to be paid in twenty semi-monthly installments, or one-half of one school year (but not less than four school months) to be paid in ten semi-monthly installments. A leave of one-half of a school year shall start only at the beginning of the first school semester, or at the beginning of the second school semester in January. The Board shall give priority to full-term sabbaticals.

During the sabbatical the teacher shall file two reports (one report for a semester sabbatical) with the Board. The teacher shall submit a full report at the conclusion of the sabbatical to the administration.

“Salary” as used above shall be at the rate of the minimum salary as set by the School Code of Illinois, or one-half the employee’s salary, whichever is greater.

Acceptance of such leave carries with it the obligation on the part of the recipient to agree, in writing, to continue their service in District 103 for at least two (2) years following the termination of the leave. The applicant shall further agree that if he/she fails to comply with the above requirement, he/she shall return all sums of money received from the district during the sabbatical leave,

unless the return to service is prevented by illness or for reasons acceptable to the Board.

All requests for sabbatical leave must be submitted before January 15 of the year prior to the year for which the sabbatical is requested. Requests for second semester leaves must be received by October 1. The letter of application shall outline the purpose of the sabbatical, together with a tentative plan for the achievement of the purpose. Clearly spelled out in the request must be the benefits to the school district. Notification of approval or rejection shall be given within sixty (60) days.

A teacher on sabbatical leave shall advance on the salary schedule as if regularly employed and shall receive the same fringe benefits as teachers employed full time. Persons returning to part-time status will receive pro-rated benefits.

A teacher on sabbatical leave shall retain all rights of tenure and pension rights as though teaching during the period. Upon return to service, the teacher shall be assigned to a position for which he/she is licensed.

The Association shall be informed of any sabbatical leave upon approval.

H - General Leave of Absence

A tenured teacher shall be eligible for a leave of absence without pay subject to the following conditions:

1. Employees shall submit requests for a General Leave to the Superintendent by January 15 of the year preceding the next school year.
2. Leaves of absence shall not extend beyond the end of the school year for which they are granted, and shall be limited to a maximum of one year in duration.

3. Such leaves shall be without benefits. During such leave a teacher may maintain insurance benefits by a timely payment of the entire premium therefore.
4. The Employee may return to a teaching position for which the teacher is licensed.
5. No Employee shall be granted more than one such leave in any ten-year period.
6. All staff members granted leaves of absence hereunder must notify the Superintendent in writing by January 15 of their desire to be considered for employment for the following school year.
7. Employees shall return without credit on the salary schedule for the period of absence if such period is in excess of one-half of the work year.

The Association shall be informed of any general leave of absence upon approval.

I - Parental Leave

A tenured teacher shall be eligible for parental leave without pay (except as noted below) subject to the following conditions:

Medical Statement

The teacher shall advise the Superintendent or their designee of the fact of pregnancy no later than the fourth month of pregnancy. At such time she shall provide a written statement from her obstetrician or physician indicating the expected date of delivery and that in their opinion the teacher may safely continue in her employment and perform all her regular teaching duties during her pregnancy. From time to time the Superintendent or their designee may request the teacher to furnish

subsequent statements from the doctor indicating her continued ability to perform her teaching duties. At the district's request and expense, the teacher may be required to have a physical examination by a physician of mutual choice.

Application for Leave

Application for such leave shall be made in writing to the Superintendent or their designee at least 120 calendar days prior to the anticipated birth of the child.

Dates of Leave

The teacher and the Superintendent or their designee shall agree upon a plan for the commencement and termination of such leave, taking into consideration the continuity of instruction and medical factors and the pertinent time factors. The leave shall not exceed the balance of the school year in which it commences and one additional school year. Should the employee request a leave for the balance of a school year only and then desire an extension of leave for the next full school year, a second request shall be submitted by January 15 of the first parental leave year for the Superintendent's review and approval.

Sick Leave

Teachers shall have the option to use up to sixty (60) days of accrued sick leave or any other paid leave available at the time of the parental leave request. The use of such paid leave entitles the teacher to full benefits during the parental leave and, at the option of the teacher or the Board, shall run concurrently with the twelve (12) work weeks of leave afforded by the Family Medical Leave Act (FMLA). If neither the teacher

nor the Board has elected to access benefits afforded by the FMLA, teachers shall be entitled to maintain all insurance benefits as set forth in this Agreement, provided he/she pays the premium(s) directly to the Board, for transmittal to carrier(s).

Sick leave shall not be earned during the period of the parental leave, but any unused sick leave available at the time of the start of the leave shall be available upon termination of the leave and return to employment.

Any full-time teacher who has worked, or will work, 93 days of the school year shall be entitled to their full sick and personal days allotment for that year.

If a leave begins at the start of the school year, the teacher shall be entitled to their full sick and personal days allotment if the date of their return to work will ensure that 93 or more days of the year will be worked. Six (6) of those sick days can be applied to the leave in addition to any already accumulated. The remaining will be awarded upon return to work.

If a leave begins and ends mid-year, the employee will be entitled to all their sick and personal days allotment if they work at least 93 days of that school year. The employee may also borrow up to six (6) days from the following year. If an employee does not return to work, the employee shall be responsible for reimbursing the district for any borrowed days used.

If a leave begins at the end of the school year and the employee has utilized all of their sick leave, he/she may borrow up to six (6) days from the next year's allotment.

An employee who works less than 93 days of the school year will receive a prorated sick and personal days allotment, rounded to the nearest half day. This percentage is based on the number of days worked out of 180 days, or the total workdays that year. For example, if an employee works 77 days, their prorated allotment shall be six (6) sick days and one and a half (1.5) personal days based on a full allotment of 14 sick days. $[(\text{Days worked}/\text{Total Workdays that Year}) \times (\text{Full allotment of sick or personal days})]$ rounded up to the nearest half day (0.5)]

Part-Time

A part-time teacher who has worked for five (5) or more continuous years in the District and whose part-time work experience for such period of time is at least 0.7 full-time equivalent, may also use up to sixty (60) days of accrued sick leave or any other paid leave available at the time of the parental leave request.

Advancement

Any teacher who has been employed 93 or more days of the school year in which the parental leave occurs, shall be entitled to such advancement on the salary schedule as he/she would have had if the leave had not been granted. If the leave exceeds the year such leave commences, the second year shall not be considered for step advancement on the salary scale.

Return to Employment

In all instances where a teacher is granted a parental leave of six months or more, as a condition thereof the teacher shall advise the

Superintendent in writing by January 15th prior to the termination of such leave that he/she intends to return to employment.

Return to the district shall be in accord with the previously agreed upon plan, subject however to changed educational conditions in the district in the event of a mid-year return, in which case the school district may delay reinstatement of said teacher until the beginning of the next school year. Failure to advise the Superintendent or their designee of intent to return as required by this policy shall be treated as an election not to return to employment and as a resignation from the district.

A teacher desiring to return from parental leave shall submit evidence from a qualified physician that he/she is medically able to perform all of her teaching duties with her notice of intent to return.

Under atypical or unanticipated medical circumstances, the teacher may elect to terminate the leave and return to work on a date mutually selected by the teacher and Superintendent and approved by the Board.

Upon the termination of parental leave, a teacher may be granted their same position as was held prior to the leave.

Non-Tenured Teacher

A parental leave may be granted to a non-tenured teacher under unusual circumstances by action of the Board, subject to all the conditions applicable to a tenured teacher and provided the term of such leave shall not be considered full-time employment under Section 24-11 of The School Code for purpose of continuous employment necessary to attain tenure status. Upon return from leave the teacher shall then continue to accrue service credit toward the acquisition of tenure and shall not lose

credit for any service provided prior to the commencement of the leave. The granting of parental leave to any non-tenured teacher shall not constitute a precedent for the granting of leave to any other teacher. Each request shall be judged on its own merits.

J - Adoption Leave:

Any teacher desiring adoption leave as a result of becoming an adoptive parent shall notify the Superintendent or their designee in writing upon the initiation of such adoption proceedings.

Adoption leave shall be granted upon satisfactory written notification to the Superintendent or their designee of the date the child is expected to be received.

It shall be the responsibility of the applying teacher to keep the Superintendent or their designee fully informed of the status of the proceedings, and as soon as known, the expected date of the delivery of the child.

Paid leave (i.e. sick leave) for adoption or placement of adoption is limited to thirty (30) days.
