

CONTACT LIST FOR DISTRICT TRANSPORTATION

It is district policy that an adult or secondary-age sibling (*5th grade or older*) be **physically** present at the bus for us to release your child. They may **NOT** get off the bus with an elementary sibling. If we do not have someone to receive your child, they will remain on the bus. We will attempt to contact someone on the emergency listing to arrange pick-up.

Please complete the information below and submit it to the Transportation Office. Include everyone you give permission for us to release your child to at the bus stop. For example, a parent, boyfriend/girlfriend, neighbors, relatives, siblings, etc. Also, include their relationship with the child and a phone number to contact them.

Changes may be made anytime throughout the year by contacting the Transportation Office at 717-225-4731 ext. 3024.

Your cooperation is greatly appreciated!

Thank you,
Kristen Pepperman, Transportation Coordinator
