OVERVIEW OF GRACE

Vision Statement

To honor Jesus Christ by making disciples and teaching them to love God and people.

Mission Statement

Grace School in partnership with church and family, proclaims Christ in all we do. We will nurture the whole student in an academic environment through a Biblical worldview, providing an opportunity for each one to mature in Christ and to accurately handle the Word of truth in a secular world (2 Tim 2:15).

Founding and Development of Grace Church

In December of 1960, a small group of believers began meeting in the home of Ed & Eileen Shimmel off of First Street. Along with the Shimmels, the Osborne and Weimer families, soon called Elmer Fricke to be the new church's first pastor, sowing the first seeds of Grace Church of Simi Valley. By the end of 1961, the young church had nineteen members and had rented a building on Church Street.

On July 5, 1963 the church was officially established with the State of California before buying property off of Sycamore Drive and erecting the church's first building. Two years later, John Gillis was called to replace the departing Elmer Fricke as the church's pastor and would serve in the role until 1982. Under his leadership, the church expanded to 86 members by 1970 and were quickly outgrowing the initial church building. Plans were made to begin constructing a new sanctuary (presently known as the "chapel") which was completed on Easter Sunday, 1974.

By 1983, Grace Church had grown to a weekly attendance of nearly 500 people and Pastor John McIntosh was called to replace Pastor Gillis as the Senior Pastor. By the late 90s, the church looked to expand again and by Easter of 1999 the doors were opened on the newly constructed Sycamore Center. Shortly thereafter, Jordan Bakker was hired to oversee college ministries in 2003.

In 2012, Pastor Jordan Bakker took the mantle of Lead Pastor from Pastor McIntosh becoming the fourth Lead Pastor for Grace Church of Simi Valley. Under his leadership, Grace commissioned Pastor Eric Durso to revitalize Grace Church of Rancho Cucamonga in 2019 (Rancho Cucamonga, California) and then commissioned Pastor Peter LeDuc to plant Grace Church of Dover (Dover, New Hampshire) in 2022.

Since its inception, Grace Church of Simi Valley has existed to make much of Jesus Christ by faithfully teaching God's word and caring for the people God has brought to the church in Simi Valley. The leadership at Grace Church continues to strive to shepherd the people entrusted to their care, to equip them to do the work of ministry, and to send out hundreds of people on a weekly basis to share the gospel of Jesus Christ in a lost and dying world.

Founding and Development of Grace School

Grace Church of Simi Valley established a preschool facility on the church campus in 1978. The new preschool program grew rapidly and by the early 1980s many of the preschool children were ready for kindergarten, leading to the beginning of Grace Elementary School on the church campus.

The school continued to expand and soon over 200 students were attending preschool, kindergarten, and first grade on the church campus. Parents began pressing the board to add additional grade levels and step out in faith to expand the elementary school. Realizing the urgent need for a larger facility, the School Board (including members Brian (Mitch) Saline, Steve von Reich, and Paul Twichell) approached Pastor John Gillis about the situation.

In 1982, at a congregational business meeting, the church body approved the establishment of Grace Elementary at a new facility provided it was financially self-supporting. The School Board and Principal Lloyd Woolman were energized to press forward but needed funding and adequate facilities. At this same time the Simi Valley Unified School District decided to begin leasing some school facilities, including the Arcane Campus. This presented an exciting opportunity and the School Board began praying for God's guidance and funding; evening discussing pooling their individual personal resources to pay for the initial lease of \$20,000. However, no one could have foreseen the way the funds would be provided.

Board member Mitch Saline and his wife, Cathlene, were in their mid-20s and both worked as professionals within the banking industry. Once the Lord blessed them with children, they intended to provide them with a Christian education. But then things changed, early one morning while out on a run near her home in Moorpark, Cathlene was attacked and stabbed to death by an assailant. Her sudden death shocked the church family and community. While her murderer was never apprehended, her husband Mitch made a generous donation out of the life insurance settlement, to cover the \$20,000 cost of the Arcane campus school lease in honor of his wife.

Established on the new campus, the elementary school doubled in size under the leadership of new Principal Richard Jensen. With a continued emphasis on a quality Christian education new grades were added each year as the school rapidly grew during the 1980s. As the initial class approached 6th grade, the School Board wrestled with the idea of establishing a high school and

were split about what to do. School Board President, Larry Bowen was a major force in exhorting the Board to trust the Lord and continue to push forward recognizing that God had blessed Grace with a thriving elementary school and large population of parents who wanted us to establish a high school.

Following another congregational business meeting, Grace Jr/Sr High School was established in 1987. John Boal provided administrative leadership while establishing 7th and 8th grade classes at the church campus prior to the school entering a new lease agreement with Simi Valley Unified School District for the Cherry Avenue campus in 1989. During these early years, Grace Elementary School provided the necessary student base and financial resources to help establish the Jr/Sr High School.

Statement of Faith

We Affirm and Believe in the Following:

- **BIBLE:** The Word of God, the sixty-six Books of the Old and New Testaments, verbally inspired in all parts and wholly without error as originally given of God (2 Timothy 3:16; 2 Peter 1:21).
- **THE ONE TRUE GOD:** Existing eternally as three persons – the Father, Son and Holy Spirit (Luke 3:22; Matthew 28:19; 2 Corinthians 13:14).
- **LORD JESUS CHRIST:** His preexistence and deity (John 1:1-3), incarnation by the virgin birth (John 1:14; Matthew 1:18-23), sinless life (Hebrews 4:15), substitutionary death (2 Corinthians 5:21), bodily resurrection (Luke 24:36-43), ascension into heaven and present ministry (Hebrews 4:14-16) and coming again (Acts 1:11).
- **HOLY SPIRIT:** His personality (John 16:7-15), deity (Acts 5:3-4) and His work in each believer, baptism and indwelling at the moment of regeneration (1 Corinthians 12:13; Romans 8:9) and filling (Ephesians 5:18) to empower for Christian life and service (Ephesians 3:16; Acts 1:8; Galatians 5:22-23).
- **MAN:** The direct image of God, created male and female as determined by God, unchangeable by human intervention (Genesis 1:26-28, 2:18-24); his subsequent fall into sin resulted in spiritual death and the necessity of new birth for his salvation (Genesis 3:1-24; Romans 5:12; John 3:3-5).
- **SALVATION:** A complete and eternal salvation by God's grace alone, received as the gift of God through personal faith in the Lord Jesus Christ and His finished work (Ephesians 2:8-9; Titus 3:5-7; 1 Peter 1:18-19).
- **CHURCH:** One true Church, the body and bride of Christ (Ephesians 1:22-23, 5:25-32), composed of all true believers of the present age (1 Corinthians 12:12-13) and the organization of its members in local churches for worship, for edification of believers and for worldwide gospel witness, each local church being autonomous but cooperating in fellowship and work (Ephesians 4:11-16). The ordinances, given by the Lord Jesus Christ, should be observed by his church, which are (1) baptism of believers by immersion (Matthew 28:19) and (2) communion (1 Corinthians 11:20-34; John 13:1-20; Matthew 26:17-30; Luke 22:7-23).
- **CHRISTIAN LIFE:** A life of righteousness, good works and separation unto God from the evil ways of the world (Romans 12:1-2), manifested by speaking the truth (James 5:12), maintaining the sanctity of the home (Ephesians 5:22-6:4), settling differences between Christians in accordance with the Word of God (1 Corinthians 6:1-8), not engaging in carnal strife but showing a Christ-like attitude toward all men (Romans 12:17-21), exhibiting the fruit of the Spirit (Galatians 5:22-23) and maintaining a life of prayer (Ephesians 6:18; Philippians 4:6).
- **SEXUAL PURITY:** God's exclusive model for marriage is the uniting of one man and one woman in covenant commitment for a lifetime of godliness and fidelity; marriage provides the framework for intimate companionship, sexual expression according to Biblical standards, the means for procreation, and is God's foundation for the family; all other sexual thoughts and practices are sin and outside of God's revealed will (Genesis 1:27-28, 2:18-25, Leviticus 18:22-24, Proverbs 5:15-23, Matthew 5:27-28, Romans 1: 24-32, 1Corinthians 5:9-13, 6:9-11, Ephesians 5:22-33).
- **SATAN:** his existence and personality as the great adversary of God and His people (Revelation 12:1-10), his judgment (John 12:31) and final doom (Revelation 20:10).
- **SECOND COMING:** The personal, visible and imminent return of Christ to remove His Church from the earth (1 Thessalonians 4:16-17) before the tribulation (1 Thessalonians 1:10; Revelation 3:10) and afterward to descend with the Church to establish His millennial kingdom upon the earth (Revelation 19:11-20:6).
- **FUTURE LIFE:** The conscious existence of the dead (Philippians 1:21-23; Luke 16:19-31), the resurrection of the body (John 5:28-29), the judgment and reward of believers (Romans 14:10-12; 2 Corinthians 5:10), the judgment and condemnation of unbelievers (Revelation 20:11-15), the eternal life of the saved (John 3:16) and the eternal punishment of the lost (Matthew 25:46; Revelation 20:15).

DRESS CODE

I. Philosophy

- A. At Grace, we believe that learning happens best in a well prepared and structured environment. A large part of that environment is our students and how they dress while on campus and at school events. Students know that they are in a distinct place and dress accordingly while also upholding biblical standards of modesty and appropriateness. As such we have developed specific standards for dress and grooming while students are at school functions.
- B. Grace bases its dress code upon two criteria:
 - 1. Biblical standards of modesty (1 Timothy 2:9, Romans 12:1)
 - 2. The desire for a neat, clean and attractive appearance, being courteous of our neighbors while avoiding extremes (Mark 12:31).

II. General Guidelines and Enforcement

- A. Grace uses Land's End as their official vendor for school uniforms and all approved uniform styles can be found on their website under the Grace School section.
- B. Final authority regarding all dress code related determinations rests with the Administration.
 - 1. When a student is in violation of the handbook, they will be able to return to class once they are properly attired. Under certain circumstances the school may provide alternative clothing for the day.
 - 2. General appropriateness and modesty (as determined by Administration) is expected at all school events which take place outside of normal school hours. Students who are not in compliance with this requirement may be asked to leave the function.
 - 3. At all times, dress should be distinctly masculine or feminine. Students are not permitted to dress like the opposite gender (Deuteronomy 22:5).
- C. Preschool: Students do not have a uniform, but some basic parameters are given in the "Non-Uniform Dress Days" section below.

DISCIPLINE POLICY

I. Philosophy of Discipline

- A. Biblical discipline is a critical component in the process of training a student's heart as they grow and develop into lifelong followers of Christ.
 - 1. Discipline is necessary because every student (in fact, every person) is a sinner (Psalm 51:5; Genesis 8:21; Romans 3:23) and will struggle with unbelief and rebellion against God.
 - 2. Discipline is based upon instructing a student in the truths of God's word which is profitable for teaching reproof, correction and training in righteousness (1 Timothy 3:16, 17).
 - 3. Discipline is directed towards addressing their heart condition, unmasking their depravity, addressing it with the truth of the gospel, and calling them to faith and repentance.
 - 4. Discipline which seeks out true repentance, restores relationships, and practices forgiveness does not negate the reality and value of consequences for a student's actions. (Galatians 6:7, 8)
- B. Biblical discipline requires more than merely correcting external behaviors or achieving outward compliance.
 - 1. Discipline must confront the motives of the heart for true change to take place because sin is a heart condition (Luke 6:45).
 - 2. Discipline leads a student to a place of genuine godly sorrow, to true repentance, to confession of sin, and ultimately to change. (2 Corinthians 7:10; 1 John 1:9)
- C. Biblical discipline seeks to see students grow in their relationship with the Lord for a lifetime. (Proverbs 22:6)
 - 1. Discipline seeks the student's good, often involving consequences for their actions, developing their holiness, that they might experience a life full of the peaceful fruits of righteousness. (Hebrews 12:10, 11)
 - 2. Discipline with this objective is born out of love and seeks to correct and instruct students through kindness, patience and gentleness in order to bring them to repentance and freedom from the oppressive reality of sin. (Hebrews 12:6-8, 2 Timothy 2:24-26)

II. Revoking Student Privileges

- A. Students involved in disciplinary infractions may, as part of their consequence, lose some or all of their student privileges.
- B. These include both co-curricular activities (athletics, fine arts, etc) and extracurricular activities (free block, student activities, Grad Night, Jr/Sr Banquet, etc.).

III. Classroom Discipline

- A. While in the classroom, students must be directly accountable to the instructor for their behavior and must abide by all classroom rules and regulations set forth by each teacher.
- B. Teachers are responsible for keeping discipline in their own room and may enforce their own classroom discipline plan with consequences.

IV. Detention

- A. Students assigned detentions, whether by the classroom teacher or the Administration, are to report to the assigned classroom, or area, at the close of the school day and remain for the duration of the detention.

- B. Saturday School begins at 8:00 a.m., students who are 15 minutes late will be considered absent.

 - 2. Rescheduled Saturday School attendance will require an additional fee.

VI. Behavioral Agreements

- A. Students may be placed on a behavioral agreement whenever there is clear evidence that the student falls below the minimum student behavioral standards.

- B. Students on a behavioral agreement may be ineligible for co-curricular and extracurricular activities.
- C. Students will be regularly evaluated on their current progress with the goal of returning them to a position of good behavioral standing.
- D. If the student fails to demonstrate the necessary improvement to meet school standards, the administration requires that the student be withdrawn at the end of the semester/year.

VII. Suspension

- A. Length of the suspension is determined by the severity of the offense in the judgment of the Administration.
 - 1. Length is normally from one to five days.
 - 2. Students serving an out-of-school suspension are the responsibility of the parents for the duration of the suspension.
- B. Non-academic offenses do not result in an academic punishment.
 - 1. It is the responsibility of the student and parents to obtain assignments from the instructors for the suspension period.
 - 2. Students will be accountable for academic work during a suspension period and it will be due upon return. All individual teacher policies regarding late work will also apply.

VIII. Expulsion

- A. In cases of repeated or serious misconduct, expulsion may become necessary to protect the particular student or student body.
- B. Administration will determine the seriousness of the offense and evaluate whether expulsion is necessary in each situation.
- C. If the Administration recommends a student for expulsion, their recommendation will go to the Head of School for a final decision.

 - a) Searches may include: backpacks, lockers, vehicles and electronic devices.

 - e) All prohibited materials found in a search are seized and confiscated.

- f) If unlawful items are discovered, law enforcement will be contacted.

X. Drug Testing (Jr/Sr High)

- A. From time to time it has been necessary for selected students to be randomly tested for prohibited drug use. This has been occasionally necessary in order to address this as an area of sin in the struggling student, provide a high level of accountability and to ensure a safe learning environment for all Grace students.
- B. As in all areas of student growth and discipleship it is Grace's desire to partner with parents. Whenever possible, Grace will seek to involve parents in the drug testing process to procure their assistance in addressing the potential concerns with their student.
- C. Drug testing only takes place with those students reasonably suspected of past or current drug use.
 - 1. Any student exhibiting behavior consistent with being under-the-influence of a drug while at school or a school event, may be tested by an administrator.

II. Emergency & Disaster Situations

- A. In the event of an emergency school closure, Grace will seek to notify parents and keep them updated about the situation and any necessary steps parents need to take.
- B. Fire, earthquake, and lockdown drills are conducted at regularly scheduled times. Emergency procedures are discussed with the students at these times.
 1. In the event of a disaster, our first objective is to secure the campus and care for the students and staff. All emergency services will be contacted.
 2. Once the campus, students, and staff are secured, arrangements will be made for parents to pick up their students. In such situations, regular pickup locations may not be available due to emergency vehicles, etc. Please park on the streets before safely approaching the campus to a designated pickup location.
 3. In the event of a lockdown, no one will be allowed on or off campus. Please do not attempt to come to school to pick up your student until directed to do so.
 4. In the event of an emergency, where students need to be moved off campus, students will be evacuated to one of the Grace School campuses, to Grace Church of Simi Valley, or to another site as directed by law enforcement or emergency personnel.

V. Financial Aid

A. Overview

1. An education at Grace is a costly investment and sacrifice for all of our Grace families in their student's academic and spiritual development. Financial Aid is designed to assist with, while not removing, this sacrifice.
 - a) Financial aid is applied for annually and the amount awarded is reviewed every year based on current circumstances along with the amount of aid available.
 - b) Financial aid is need based and therefore varies depending on the families particular circumstances.
 - c) Financial Aid is not available for Preschool students.
2. Grace uses a third party company, Financial Aid for School Tuition (FAST), to process and verify financial aid applications.
 - a) FAST's recommendation and other information submitted by the family regarding their particular circumstances are reviewed by our Financial Aid Committee which is responsible for awarding Financial Aid.
 - b) Grace's intention is to utilize financial aid to assist families in affording Grace, buying them time to make the necessary adjustments to their family budgets to accommodate the full cost of tuition in coming years.
 - c) Financial Aid is not intended to be a perpetual program and therefore emphasis is placed on seeking to move families off of financial aid as possible.

B. Scope

1. Financial Aid is for tuition only. All other activities, fees, etc. are the responsibility of the family.
2. The maximum financial aid award is 50% of tuition.
3. Discounts do not stack, therefore Financial aid supersedes all other discounts available to the family.

C. Requirements

1. Applicants for Financial Aid must be the student's legal guardian.
2. Families will be required to submit certain documents to FAST for Financial Aid consideration, these include: employer issued copies of W-2 Wage and Tax statements, full scans of every page of your most recent Federal 1040, copies of all supporting tax schedules (if applicable) and state tax documents.
3. Families receiving Financial Aid are required to complete the Financial Aid Agreement which they receive along with their Financial Aid Award.

D. Further information regarding Financial Aid including the specific dates which Financial Aid opens and closes for the school year as well as the link to apply for Financial Aid are available on the school's website at:

I. ADDENDUM A: Family/Student Compliance

- A. I/we will read the School Handbook located in the Parent Portal and will comply with those procedures as stated therein and pledge my/our support to the faculty and to the administration of the school. I further agree that my child will comply with standards set forth in the School Handbook including but not limited to: use of profanity, harassment, obscenity in work or action, dishonoring to the Lord's name and the Word of God and respecting the personnel of the school.
- B. I/we understand that the school reserves the right to dismiss a student who does not respect the Christian values and principles of our school or chooses not to cooperate in the educational process (including rules of conduct as stated in the School Handbook).
- C. I/we hereby invest authority in Grace to discipline this student as may be deemed necessary by the school, including but not limited to detention, suspension, or expulsion.
- D. I/we agree to pay for any damages to or loss of school property attributable to my/our student.
- E. I/we understand that during my child's enrollment at Grace School and participation in programs and events associated with Grace, there is the possibility that my child will be photographed or videotaped. I hereby authorize and give full consent to Grace to publish and copyright all photographs/videos in which my child appears. I further agree that Grace may transfer or use these photographs in and for classroom decorations, school brochures, newsletters, advertising, posters, displays, slide shows, and like publications, the Grace Website, or materials without limitations or reservations. I affirm that I have the legal right to issue such consent.
- F. My/our child may take part in all school activities, including school-sponsored field trips away from the school premises. I/we absolve and hold harmless Grace School, its agents and employees, and any person acting in its stead from any liability whatsoever resulting from injury to the child away from school on school activities, or during any school activity on the school property, unless due to willful neglect.

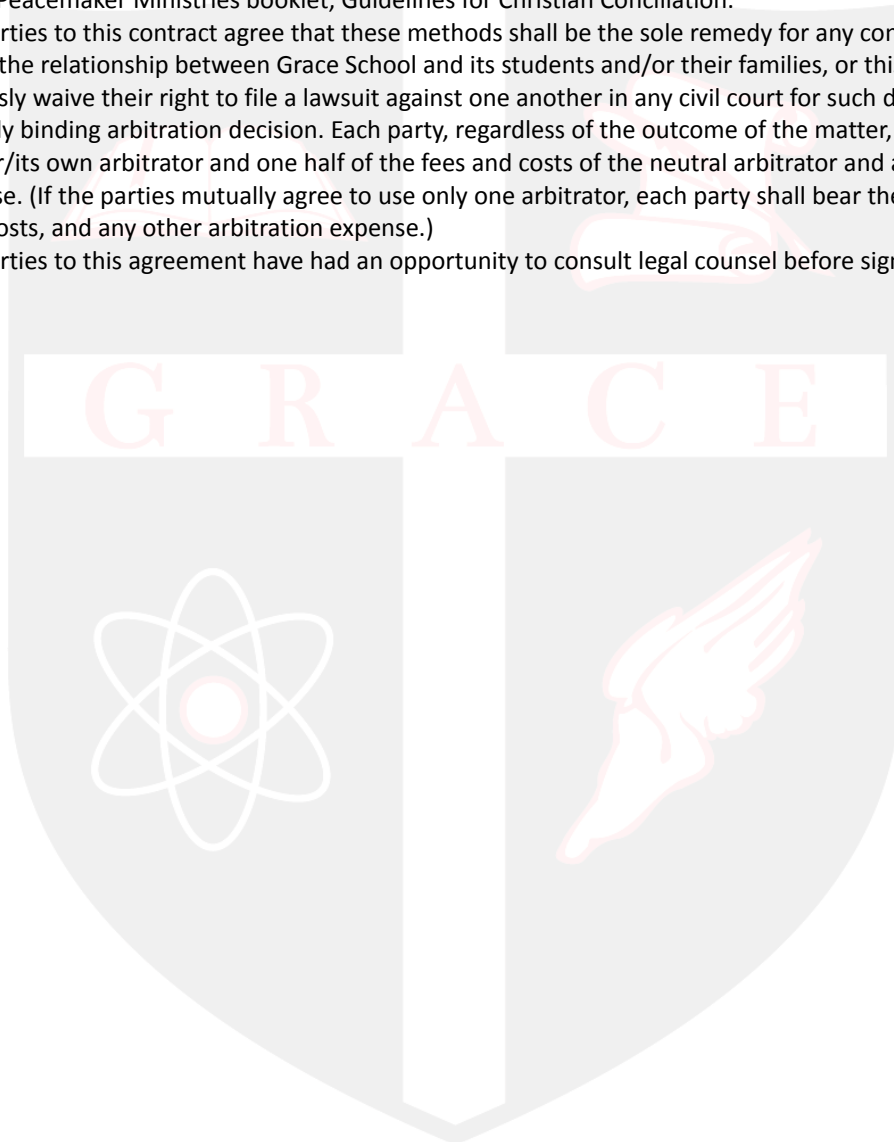

II. ADDENDUM B: Financial Responsibility

- A. I/we understand that tuition and all related fees are billed on a monthly basis according to the payment plan we have selected and are due on the 1st of the month and must be received NO LATER than the 10th of each month or a late fee will be assessed on unpaid balances of \$100 or more. All financial obligations must be current in order for any student to participate in co-curricular activities, take final exams at the end of either semester and/or to participate in any graduation ceremony. If tuition and all related fees are still delinquent 30 days after the due date, Grace reserves the right to suspend services to your child(ren) until the account is brought current, unless arrangements have been made with the Business Office.
- B. I/we understand there will be a fee charged for any check or ACH that does not clear the bank for any reason. A late fee will also apply if the balance is not paid according to #1 above. A payment must be submitted within 5 days to replace the uncleared payment.
- C. Tuition is stated for the school year and may be paid in twelve (12) [if registered by June 1st] or ten (10) monthly payments unless registering after August, then a modified payment plan will be implemented. For students who enroll after the start of school, charges, other than non-refundable fees, will be prorated on an instructional week basis. Students who withdraw after the first day of classroom instruction are subject to a non-refundable withdrawal fee. When withdrawing mid-year, tuition is due for each month your student is enrolled at the school. Withdrawing mid-month forfeits that month's tuition, any tuition payments made beyond the tuition due will be refunded less the withdrawal fee.
- D. I/we understand that the policy of Grace is to make no refund whatsoever on application and enrollment fees.

III. ADDENDUM C: Mediation and Binding Arbitration Agreement

- A. At Grace School, we as Christians believe that the Bible commands us to make every effort to live at peace and to resolve disputes with each other in private or within the Christian community in conformity with the biblical injunctions of 1 Corinthians 6:1-8, Matthew 5:23-24 and Matthew 18:15-20. Therefore the parties (Grace School and the parents or guardians of enrollees in Grace School) agree that any claim or dispute arising out of, or related in any way to, any aspect of the relationship between Grace School and its students and/or their families, including claims under federal, state, and local statutory or common law, the law of contract and law of tort shall be settled by biblically-based mediation, and, if necessary, binding arbitration.
- B. If resolution of any dispute and reconciliation do not result from mediation, the matter shall then be submitted to a panel of three independent and objective arbitrators for binding arbitration. Each party to the agreement shall have the right to select one arbitrator (unless the parties mutually agree to the use of only one arbitrator). The two arbitrators selected by the parties shall jointly select the neutral third arbitrator. If there is an impasse in the selection of the third arbitrator, the Institute for Christian Conciliation division of Peacemakers Ministries of Billings, Montana [(406) 256-1583] shall be asked to provide the name of a qualified person who will serve in that capacity. The arbitration shall be conducted in accordance with the "Rules of Procedure for Christian Conciliation" contained in the Peacemaker Ministries booklet, Guidelines for Christian Conciliation.
- C. The parties to this contract agree that these methods shall be the sole remedy for any controversy or claim arising out of the relationship between Grace School and its students and/or their families, or this agreement and expressly waive their right to file a lawsuit against one another in any civil court for such disputes, except to enforce a legally binding arbitration decision. Each party, regardless of the outcome of the matter, agrees to bear the cost of his/her/its own arbitrator and one half of the fees and costs of the neutral arbitrator and any other arbitration expense. (If the parties mutually agree to use only one arbitrator, each party shall bear the cost of one-half of the fees, costs, and any other arbitration expense.)
- D. The parties to this agreement have had an opportunity to consult legal counsel before signing this agreement.

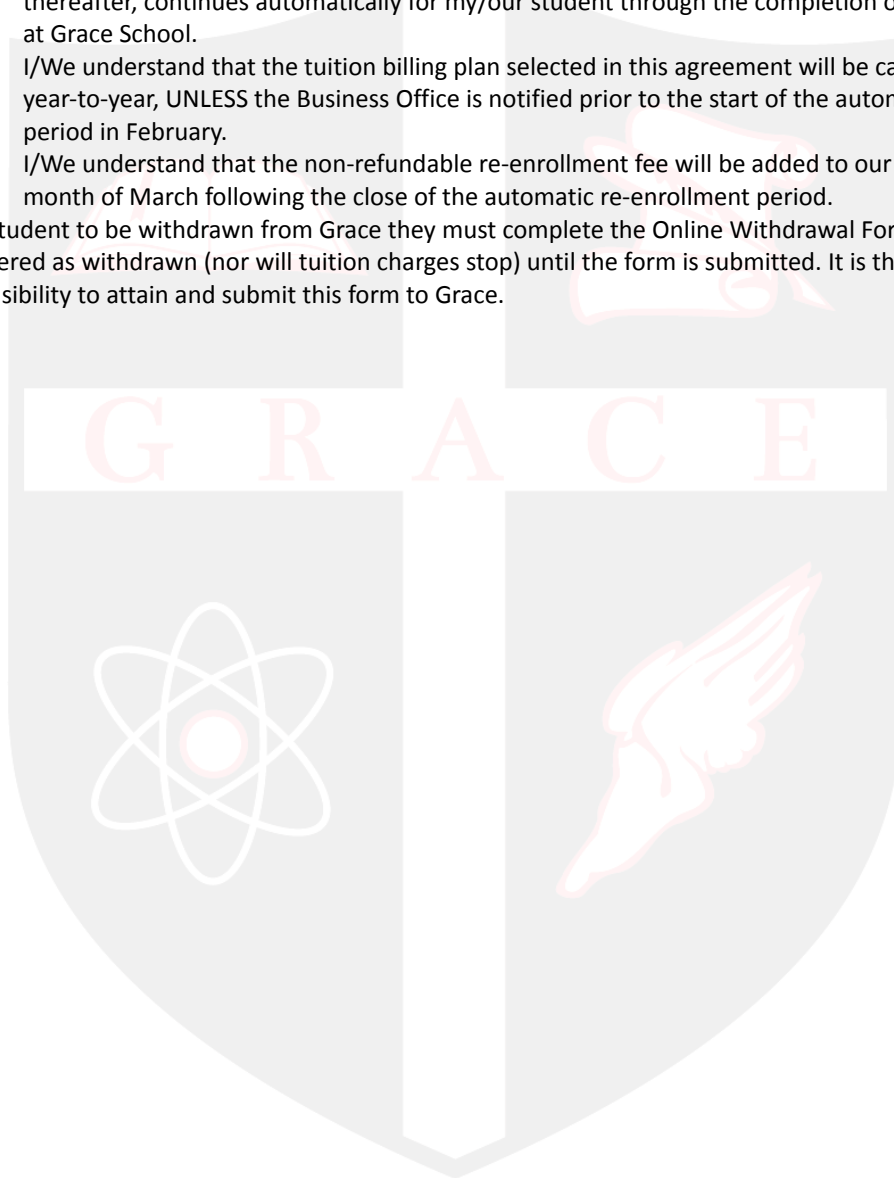

IV. ADDENDUM D: Medical Consent Agreement

- A. As the parent or authorized representative, I hereby give consent to Grace School of Simi Valley to obtain all emergency medical or dental care prescribed by a duly licensed physician (M.D.) Osteopath (D.O.) or Dentist (D.D.S.) for this child.
- B. This care may be given under whatever conditions are necessary to preserve the life, limb or well being of the child named above. In the event that my child becomes ill or sustains an injury while in the care of Grace School, I give my permission to those in charge to take whatever steps are necessary to stop any bleeding. If it is not possible to receive my instruction for care, consent is given to any licensed physician and/or surgeon called upon, to whom my child is taken for treatment, or to administer drugs or medications, and perform such surgical procedures as he/she shall think the emergency requires for the relief of pain and to preserve the life, limb, and well being of the child named above. I will be responsible for any and all expenses incurred by such an illness or injury.

V. ADDENDUM E: Continuous Enrollment

- A. Grace School recognizes the value of a sustained, long-term partnership with families in the education of their children. Grace School automates the re-enrollment process for our students and families by automatically re-enrolling your student each year. This adjustment eliminates the need for parents to annually complete re-enrollment paperwork as their student(s) will be automatically re-enrolled in February for the upcoming school year. This process secures your child's place at Grace for the following year and reduces the amount of paperwork needing to be filled out on an annual basis.
- B. Those families who do not wish to return for the upcoming school year will instead "opt out" of the automatic process by notifying the school of their decision prior to the end of the re-enrollment period. This will remove your student from the re-enrollment, forfeiting your child's seat for the coming year, and will avoid your child incurring the non-refundable re-enrollment fee.
1. I/We understand that prior to the February automatic re-enrollment period, Grace School will publish the tuition rates and re-enrollment fee for the upcoming school year.
 2. I/We agree that my/our student's automatic re-enrollment goes into effect with this agreement and, thereafter, continues automatically for my/our student through the completion of my/our student's time at Grace School.
 3. I/We understand that the tuition billing plan selected in this agreement will be carried forth from year-to-year, UNLESS the Business Office is notified prior to the start of the automatic re-enrollment period in February.
 4. I/We understand that the non-refundable re-enrollment fee will be added to our student's account in the month of March following the close of the automatic re-enrollment period.
- C. For a student to be withdrawn from Grace they must complete the Online Withdrawal Form - students will not be considered as withdrawn (nor will tuition charges stop) until the form is submitted. It is the parents' sole responsibility to attain and submit this form to Grace.

VI. ADDENDUM F: Network and Computer Use Agreement

This Network and Computer Use Agreement (“Agreement”) establishes the rules and guidelines for using computers and networking resources at Grace School (“the school”). All individuals using the school’s computer and network resources are expected to abide by this Agreement.

- A. **PURPOSE:** The primary goal of this Agreement is to ensure that all school computers, networks, and resources are used in an ethical, legal, and responsible manner. This Agreement also works to uphold the values of the school, which center around integrity, respect, and our Christian faith.
- B. **ACCEPTABLE USE:** Users are expected to:
 1. Use school resources primarily for educational purposes.
 2. Treat the network system with respect and avoid intentional damage.
 3. Respect the privacy of both personal and school-related data
- C. **UNACCEPTABLE USE:** Users must not:
 1. Participate in any form of cyberbullying, harassment, or offensive behavior.
 2. Engage in activities that could compromise the network's security.
 3. Access, modify, or delete other users' data without permission.
 4. Download, copy, or share illegal, inappropriate, or unlicensed material.
 5. Use the network or computer resources for commercial purposes.
- D. **PRIVACY AND SECURITY:** All users should understand that while privacy is respected, the school reserves the right to monitor all network and computer use. The school also maintains the right to access, review, copy, and store any material created, stored, sent, or received over the network or through school computers.
- E. **VIOLATIONS:** Any violation of this Agreement may result in disciplinary action, up to and including expulsion, as well as legal action if necessary. Violators may also be held financially responsible for any damage caused as a result of their actions.
- F. **ACCEPTANCE OF TERMS:** By using the school’s computers and networking resources, you express your understanding and willingness to comply with this Agreement. Please discuss any questions or concerns with the school’s network administrator or your supervisor.

We, at Grace School, believe in fostering a safe, respectful, and productive digital environment that aligns with our Christian values. We appreciate your cooperation and adherence to this Agreement.

VII. ADDENDUM G: Plagiarism

- A. The Modern Language Association (MLA) Handbook (5th ed. 30) stipulates three major forms of plagiarism:
1. "Failure to give appropriate acknowledgement when repeating another's wording or particularly apt phrase."
 2. "Paraphrasing another's argument and presenting it as your own."
 3. "Presenting another's line of thinking and presenting it as your own."
 - a) Note that in each of these instances statements such as *apt phrase*, *argument*, and *line of thinking* all imply a great deal of effort on the part of the writer—his/her final product.
 - b) Students at Grace should use common sense when determining what it is we should cite. For example, it is unnecessary to cite familiar proverbs ("Ignorance is bliss"), well-known quotations ("I have a dream..."), and common knowledge ("Hawaii is the 50th state"). However, the best rule of thumb is: When in doubt—CITE! Failure to utilize proper citations is plagiarism.
- B. Turning in a paper already written for another class is a common temptation among students. This form of self-plagiarism is cheating. Even if the paper is moderately re-worked, chances are you have not done enough analytical thinking and writing to constitute a new assignment. That said, there is nothing wrong with returning to an issue you have previously explored and re-exploring it. The best option in cases such as this is to discuss with your teacher the dilemma and see what he/she suggests. They may want you to turn in the original paper along with the newer version to confirm a substantive effort.
1. Collaborative activities are very common in education today. Of course, when more than one individual is doing the research and writing, where does the line of "sharing information" get drawn? The first thing you should do in such a situation is to make sure that the role of each individual in the group is clearly defined, if your teacher has not already done so. Then, it is appropriate to offer credit to each person individually for the tasks completed. What you want to avoid is "copying". No one needs to tell you when you are doing this. If you are honest with yourself, you know when you are taking someone else's information and passing it off as your own.
 2. Assistance on papers by parents, friends, or siblings is very common. However, it is inappropriate for these individuals to do any form of writing or rewriting of the text. Re-writing includes crossing out sentences and/or paragraphs and offering "new" wording. Copyediting, on the other hand, is acceptable. This includes offering editing advice on grammar, spelling, and common errors, such as using "to" when it should be "too."
 3. With the rise of Artificial Intelligence and the ability to use AI bots it is important for students to understand that at no time is the use of AI technology to produce an academic product acceptable and is considered plagiarism. The ability to think critically and formulate ideas that are clearly communicated through writing is an important part of the learning process thus it is important for students to go through the writing process from start to finish. AI detection technology will be in use by classroom teachers.
- C. Students who are found to have cheated on an assignment will receive a failing grade for that particular assignment.
1. This is true for all forms of cheating including plagiarism, revealing answers to another student, copying homework, reports, projects, cyber-cheating (including the use of artificial intelligence or other online resources designed to provide answers to students), or conveying information to another student via an electronic device.
 2. Additionally, students may also be considered to be engaged in cheating if they are found to be in possession of unauthorized notes (under, around, or in their desk), are found passing notes with other students, are found making hand or mouth communications with others, or are caught turning around in their seats during an assignment.
