### Northshore Schools Foundation: Request for Removing Barriers Support - Basic Needs Aid

When a family is in crisis and normal household activities are disrupted, students experience distress that affects their attendance, coursework and classroom behavior. NSF's Basic Needs Aid Fund allows families to stock up on groceries or fill the car with fuel so that they can direct their energy where it is most needed: finding a permanent solution to the situation at hand. Apply for Funds:

- 1.) For WHS students, contact Counselor and CARE Team member Sarah Brenner at [sbrenner@nsd.org](mailto:sbrenner@nsd.org) and/or your student's school counselor or grade-level administrator to describe the temporary challenge or circumstance and request support. All NSF funding requests must come from an approved school staff member.
- 2.) Foundation leadership will review the request within 5 days and contact the NSD staff that submitted the request with details regarding funding.
