Parents registered with our Blackboard Mass Notification System will be notified of school closings, due to inclement weather or other emergency situations, via phone call and/or email. Parents are asked at the beginning of each school year to complete emergency information for each child currently attending school in our District. It is important that this information, which includes phone numbers and email addresses, is kept current as Blackboard Mass Notifications is the District's primary tool for parent communication. You can update your information at any time by contacting the secretary at your child's school.

WEATHER MAKE-UP DAYS

There are three adverse weather days built into the calendar. The fourth adverse weather day will be made up on May 23 and the fifth on April 21. If additional emergency days are needed, April 17, April 16 and April 15 will become school days.

From the Desk of the Superintendent

Dear CCSD Community,

A new school year always brings with it fresh energy—a time to take stock, explore new possibilities, establish goals and set priorities. I join you in anticipation and excitement for the school year ahead. As we continue to shape our District into a model of excellence, we reflect on our strategic planning goals of preparing students to be more *future ready*.

Our District's focus on technology awareness, financial literacy and global competence will include dedicated professional-development opportunities for staff as well as activities and lessons for students to expand knowledge and skills in these areas. We are confident that these experiences will broaden students' perspectives and develop their intercultural competence.

Please remember to visit ccsd.edu and check our official social media channels to stay connected to the fantastic work of our students and staff. We encourage you to also review the calendar carefully and participate in the many opportunities for engagement throughout the year. Together, we look forward to continuing to provide a strong foundation for academic achievement and the development of lifelong learners.

Thank you for your ongoing partnership and we look forward to welcoming you back on Tuesday, September 3!

Sincerely,

Marc P. Baiocco, Ed.D.

Superintendent of Schools
Clarkstown Central School District

Our Mission

The Clarkstown Family Resource Center (CFRC) is a non-profit agency serving the children and parents of the Clarkstown Central School District. We offer an array of programming such as Kindergarten Readiness Preschool Playgroups, recess book clubs, English as a Second Language support classes, after-school enrichment classes and much more. We also provide support and referral services to District families. With the generous sponsorship of the CCSD and Rockland 21C Collaborative for Children & Youth, we support the needs of our families, and provide development and enhancement opportunities as we strive to link family, school and community. For more information about our programs or to register for an upcoming event, please contact us.

Director: Ms. Marion Arbuco

The Community Learning Center offers programming for all members of the community, all year long.

Adult Education courses are offered in a variety of subjects such as art, exercise, photography, dog training, gardening, self-improvement and music. Classes are held mornings, afternoons, evenings and weekends. Those over the age of 60 are given a 20% discount on most classes.

The Early Riser Program is offered at all nine elementary schools for children that need to be dropped off early to school.

FestaVille, an after-school program offered through the Community Learning Center, is available to elementary and middle school children until 6pm. The program is held at Felix Festa Middle School in West Nyack and the Clarkstown Learning Center in Congers. Pre-registration is required for both the Early Riser and FestaVille programs. The Community Learning Center also offers children's programs and summer camps that are open to all children.

SAT/ACT Preparation classes are offered throughout the year and are available to all high school students.

Look for our brochures in your mailbox in August, December, February and June or on our website at ccsd.edu/clc, where you can also check out our digital flyers regularly for new programs.

Flyers

All current, approved flyers can be found on our website at ccsd.edu/flyers. School-related groups and non-profit organizations may submit event flyers for consideration and inclusion on our webpage by using the online form at ccsd.edu/parents.

Gold Card

CCSD residents who are at least 60 years of age are entitled to a Gold Card, providing free admission to most school events across the District including almost all of the swim programs sponsored by the school system. For information, call the Office of the Superintendent at 845.639.6418.

GRAD-Nite

GRAD-Nite is a late-night, alcohol, tobacco and drug-free chaperoned celebration open to all graduating seniors on the night of graduation. Understanding that graduates often “party hop” in an effort to celebrate with as many classmates as possible, GRAD-Nite was created to provide a safe alternative, while allowing the students a final opportunity to be together as a class. Most importantly, GRAD-Nite keeps ALL of the participating graduates off the roads, preventing them from becoming an accident statistic and allowing their parents to rest easy knowing their children are celebrating safely.

GRAD-Nite is a parent-sponsored event, coordinated by an independent group of volunteers and supported by the Clarkstown Central School District, the North and South PTSAs, the parents of the graduates along with community members and local businesses.

Raptor Visitor Management System

Raptor is a visitor management system that enhances school security by scanning visitor drivers' licenses (or other approved, state-issued ID), screening against the registered sex offender databases in all 50 states, and alerting school administrators and school resource officers (SROs) if a match is found. Once cleared through the system, a visitor badge is produced that includes a photo, the date and reason for the visit. The system also keeps a log of all visitors to the building.

Transportation

CCSD's Transportation Department is responsible for safely transporting over 8,000 students daily to 65 different school locations. CCSD maintains its own fleet of 130 school vehicles. Pupil transportation is the safest form of ground transportation. Per passenger mile traveled, school buses provide the safest form of transportation in the world. Being a school bus driver is something to be proud of!

Parents can help by:

- Understanding that there is a dangerous area within 15 feet of all sides of the bus called the danger zone. Make sure everyone at the bus stop stays out of the danger zones around the bus.
- Having students wait until the bus comes to a complete stop and the driver opens the door before moving to board the bus.
- Crossing the street correctly. If your child needs to cross the road to get on or off the bus and you meet the bus, cross with your child. Everyone crossing in front of the bus must follow the driver's hand signal.
- Avoiding dressing children in traditional yellow raincoats, which blend in with the color of the bus.
- Removing all long jacket and coat drawstrings.
- Being at the bus stop 10 minutes before ordinary pickup time.
- Insisting students keep all belongings in a book bag. Loose items dropped by children can cause them to reach into the danger zone.
- Having children follow the bus driver's safety instructions at all times and reporting bullying to the bus driver, teacher or parent.

To obtain non-transportation days for students with special education placements, contact the Department of Special Education and Pupil Personnel Services at 845.639.6482 or the Transportation Department at 845.639.6380.

NOTE TO PARENTS OF NON-PUBLIC SCHOOL STUDENTS

In order to reduce costs and realize fuel savings, transportation will not be available for non-public school students on days when Clarkstown schools are closed. Please check the District's digital calendar for updated information at ccsd.edu.

Families are required to submit requests for busing to non-public schools annually, no later than April 1 of the preceding year or within 30 days of moving to the District. Online and hardcopy applications are available on the District website at ccsd.edu/dept/transportation.

Hardcopy applications and all required proofs should be mailed to:

OPERATION SAFE STOP

An estimated 50,000 motor vehicles illegally pass New York State school buses every day. Operation Safe Stop seeks to promote school bus safety through education and enforcement efforts. It is illegal to pass a stopped school bus when the red lights located at the top of the bus are flashing. Flashing red lights mean the bus is picking up or dropping off students. You must always stop for the flashing red lights, on divided or multiple lane roads and on school grounds, whether you are approaching the bus head-on or overtaking it.

Wellness—Our Commitment

The health and wellness of our students has always been a priority, and the District has policies and a working committee in place to help create a better environment for all. Healthier food options and increased physical activity are the mainstays of the program. All are invited to join a building or District School Health Advisory Committee (SHAC) to be a part of our mission to maintain the path that leads to lifelong healthy behaviors.

Your Child's Safety Is Our Concern

The Clarkstown Central School District works in close collaboration with health, safety and emergency personnel to maintain a safe and healthy environment for our students and staff. A comprehensive safety plan for each school and the District is in place to guide prevention, preparation and response to a range of emergency situations. Each also has an active school safety team. Students and staff participate in safety drills throughout the year including evacuation, lockdown and shelter in place.

See our Safe, Secure, Connected Brochure on pages 36 – 37 for easy reference.

Dear Parents,

The Clarkstown Central School District is focused on maintaining the safety and well-being of every student and staff member.

To this effort, District and school safety teams are in place. Staff members are well-versed in emergency protocols and work collaboratively with community emergency personnel. In addition, we continually invest in our facilities and in safety equipment such as video surveillance cameras and emergency intercoms.

Your partnership in keeping our school environment safe is paramount. Please attend safety-related events offered by District staff and the Clarkstown Police Department. Talk with your children about their personal safety and keep your contact information up-to-date with your school.

If you have any questions, please contact your building principal.

*Sincerely,
Clarkstown Central School District*

- * Have an emergency care provider in place and listed on your child's record in the event of an early dismissal.
- * Know that District and school administrators and law enforcement personnel are the only official sources of information in a school emergency.

Electronic cigarette devices can look like a pen, a USB memory drive, a car key fob or even an asthma inhaler. Instead of inhaling tobacco smoke, e-cigarette users inhale vapor from liquid “e-juice” that has been heated with a coil. This is called vaping. The juice is flavored and usually contains nicotine and other chemicals. Some students use these devices to smoke marijuana.

■ YOUNG BRAINS EASILY ADDICTED

E-cigarette aerosol is not harmless “water vapor.” The aerosol that users breathe in contains harmful and potentially harmful substances including:

- Nicotine
- Ultrafine particles that can be inhaled deep into the lungs
- Flavorings such as diacetyl, a chemical linked to lung disease
- Volatile organic compounds, cancer-causing chemicals and heavy metals

Youth exposure to nicotine is particularly dangerous since it affects developing brain receptors, making them

more susceptible to addiction. Nicotine also affects parts of the brain that control attention, learning, mood and impulse control. Youth e-cigarette use has been associated with mental health symptoms such as depression.

■ E-CIGARETTES ARE UNHEALTHY AND ADDICTIVE, YET WILDLY POPULAR AMONG KIDS.

Use of e-cigarettes increased about 1000% from 2019–2020. Flavors and marketing make e-cigarettes appealing to youth.

Over 2 million middle and high school students used e-cigarettes in 2023.
