Any Agreement so negotiated shall apply to employees covered by this Agreement, shall be reduced to writing, shall be submitted for ratification to the District and to CRSA, and shall be sign by the President and the Executive Secretary of the Board of Education, and the President and the Secretary of the CRSA. In the event that agreement has not been reached at the time of this contract’s expiration, all provisions shall remain in force until a successor has been negotiated.

ARTICLE III GRIEVANCE PROCEDURE

Purpose

The purpose of this procedure is to secure at the lowest possible level, equitable solutions to the problems which may from time to time arise under this Agreement. Both parties agree that these proceedings will be kept informal and confidential as may be appropriate for any level of this procedure.

At all steps of a grievance, the District and CRSA shall have the right to have representatives attend any meeting required to resolve the grievance. All meetings and hearings under this procedure shall be conducted privately.

It is agreed that any investigation or other handling or processing of any grievance by the grieving employee or his or her representative shall be conducted so as to result in no interference with or interruption of work unless both parties agree otherwise.

If any employee files any claim through the Grievance Procedure set forth in this Agreement, then the District shall not be required to process the same claim or set of facts through any other process.

The number of days indicated at each level should be considered maximum and every effort should be made to expedite the process. Failure to act on any grievance within the prescribed time limits shall permit the grievant to proceed to the next step. Time limits may be extended by mutual agreement. The parties agree no grievance shall be submitted unless in the form of Appendix D.

A. Procedures

1. Informal; within fifteen (15) days after an employee knew or reasonably should have known of an event giving rise to a grievance, the employee involved shall discuss the matter with the administrator whose action gave rise to the grievance, with the object of resolving the matter informally.
2. If the grievance is not resolved informally at the first step, the aggrieved employee may file the grievance form, in writing, with the administrator whose action gave rise to the grievance within ten (10) days after the informal conference. The written grievance form shall state the nature of the grievance, reciting the specific clause or clauses of the Agreement allegedly violated, and specify the remedy requested.

Within ten (10) days after the administrator receives the written grievance, a meeting at a mutually agreeable time shall be held with the grievant to discuss the grievance and attempt to resolve the same. The administrator shall render a decision in writing to the aggrieved employee, including a copy to the President of CRSA, within ten (10) days following the conference between the administrator and the grievant.

3. In the event the grievance has not been satisfactorily resolved at the second step, the grievant may file an appeal of the Step 2 answer within ten (10) days of the receipt of the written decision with the Superintendent. Within ten (10) days after the written grievance has been filed with the Superintendent, the grievant and the Superintendent shall meet in an attempt to resolve the grievance. The Superintendent shall file an answer in writing within ten (10) days of the grievance meeting and communicate it in writing to the grievant, including a copy to the President of CRSA.

B. Impasse Procedure

4. If the answer of the Superintendent is not accepted, the Association, within ten (10) days after receiving the Superintendent's answer, may notify the Superintendent of its desire to proceed with grievance mediation. Within ten (10) days of the above notification, the parties will submit a joint request to the Federal Mediation and Conciliation Service (FMCS) for a mediator. The date, time, and location of the mediation will be determined by the relevant parties. The mediator will hold a mediation session(s) with both parties to help resolve the dispute. The assignment of the mediator will be mutually agreed upon by the parties involved. The cost of the mediator, if any, will be split equally between the two parties.

C. Arbitration Process

5. If the parties do not reach a satisfactory mediation resolution agreement, within ten (10) days after the final disposition of the mediation discussions, CRSA may request that the grievance be submitted to the final and binding arbitration by submitting to the Superintendent a written and signed notice for final and binding arbitration. The employee grievance shall not proceed to arbitration without written endorsement from the CRSA and representation of the CRSA. To enter into final and binding arbitration, the CRSA shall submit the written endorsement of the employee request within fifteen (15) days of receipt of the final disposition of the Step 4 discussions.
 - a. When the grievance involves an item that is subject to binding arbitration, the CRSA will file an arbitration demand with the Delaware PERB; a copy of said filing shall be sent to the District. The parties agree that prior to the arbitration hearing, the representatives from the Association and the District will communicate to frame the issue. The arbitrator's decision in these cases shall be final and binding upon both parties.
 - b. No claims relating to the following matters shall be processed to final and binding arbitration:

- c. The arbitrator shall have no jurisdiction or power to hear or decide any matter which involved subjects covered by the above-mentioned subdivision b (1) through (5) items. Matters relative to termination and binding arbitration should refer to Article XIX B.
 - d. If the parties disagree that an issue is appropriate for arbitration, a separate hearing shall be held to rule upon the question of arbitrability prior to hearing the merits of the dispute in question. In this instance, the arbitrator's fees shall be paid by the losing party.
 - e. If the arbitrator concludes that the matter is arbitrable, the same arbitrator shall schedule a second meeting to hear the dispute on its merits.
 - f. If oral arguments have been waived, then a decision shall be issued no later than thirty (30) calendar days from the date of the final statement and proofs of the issues are submitted or thirty (30) calendar days from the date of the hearing.
 - g. The arbitrator's decision shall be in writing and shall set forth from his / her findings of fact, his / her reasoning, and his / her conclusion on the issues submitted. The arbitrator shall be without power or authority to make any decision which would modify, amend, or alter the terms and provisions of this Agreement or which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement.
 - h. Any award resulting from the arbitrator's decision shall not be retroactive beyond the date on which the action causing the grievance first occurred; and in any event, not longer than six (6) calendar months prior to the date of the first filing of the grievance in writing.
 - i. The cost for the service of the arbitrator, including per diem expenses if any, actual and necessary travel and subsistence expenses, and the cost of the hearing room, shall be borne equally by the Board and the Association, or the grievant in the event that the Association has not endorsed the submission of the grievance to arbitration. Any other expenses incurred shall be paid by the party incurring the same.

2. Compensatory time may be taken in segments at the employee's discretion. Any earned compensatory time shall be scheduled within 180 calendar days of the date that it is earned. In the event that the needs of the District preclude the employee from using earned compensatory time within the 180 calendar day period, such employee shall be paid for such time at one and one-half (1.5) times the regular rate of pay for each actual hour worked beyond the forty (40) hours at the next appropriate pay period. Accrued but unused compensatory time must be used prior to any change of building.
3. Employees qualified to perform the available overtime in each building shall be offered overtime on a rotational basis. The following will be the Rotation Equity Criteria:
 - a. Overtime will be offered in order of seniority. If all employees on the seniority list down to the second (2nd) least senior employee does not wish to work the offered overtime, the least senior person will work the assignment.
 - b. Subsequent to the above item a, the next overtime assignment will be mandatory on the second (2nd) least senior employee. Thereafter, the overtime assignments will continue to be mandatory on a rotating basis, from the third (3rd) least senior employee up to the employee at the top of the seniority list.
 - c. Also, if the employee at the top of the seniority list accepts the overtime assignment offered in the above item a, the subsequent overtime assignment will be initially offered to the employee that is second (2nd) from the top of the seniority list.
- H. Seminars, Conferences, or Workshops -- An employee required to attend a seminar, school, workshop, or conference for the mutual benefit of the employee and the District, will not suffer any loss in pay for the employee's normal workweek for the time necessary for such attendance. Any employee requesting reimbursement for such a course shall have received prior approval.

At least once a year, a written explanation will be provided to custodians by the principal or designee defining critical tasks.
- M. Weekend or holiday building checks shall be performed by the chief custodian or designee on Saturdays only. The employee performing such check(s) shall receive hour-per-hour compensatory time. If the employee performing the building checks has worked forty (40) hours during the workweek, the compensatory time will be calculated at 1.5 hours.
- N. When the student day is cancelled for weather or emergency conditions, the employees shall work a normal day unless a plan is developed by the Supervisor of Facilities Management, building chief, and principal which establishes a modified schedule that ensures equality of work time between both shifts. Once ice and snow removal has been completed, an employee may opt to use vacation or personal leave for the remainder of the shift with administrative approval. Employees that take unscheduled personal illness leave on a student day in which school is cancelled for weather or emergency conditions will provide a valid doctor's excuse for the absence or will have the absence coded as leave without pay. If a previously scheduled and approved leave had been scheduled, the absence would be excused.
 - 1. The District will make a good faith effort to disperse equitable resources for the purpose of snow removal throughout the District.
- O. Whenever an employee's work schedule is modified to perform work beyond the established forty (40) hour workweek on Saturday for the removal of ice and snow, such employee shall earn compensatory time at the rate of 1.5 the normal time. Should the employee's schedule be modified to require work on Sunday or a holiday, such compensatory rate shall be at double the rate. / she would if working a modified schedule. Schedules modified during the regular work week shall be compensated on an hour for hour basis.
