Raymondville Independent School District

District Improvement Plan

2017-2018

Mission Statement

Raymondville ISD, in collaboration with the greater Raymondville community, will educate all students to become college and career ready through learning opportunities that promote creativity, critical thinking, and self-directed learning.

Vision

Raymondville ISD will empower students to be life-long learners, successful individuals, and contributing members of the global community.

Comprehensive Needs Assessment

Needs Assessment Overview

Demographics:

Raymondville Independent School District is home to 2,067 students across 5 campuses (1 high school, 1 middle school, 2 elementary schools, 1 alternative high school). As reported on the 2015-2016 TAPR the district employed 146.3 teachers, 30.5 professional support staff, 11.7 campus administrators, 5.2 central administrators, 47.9 educational aids, 93.9 auxiliary staff , for a total staff count of 310.5. The turnover rate is 13.4. As reported on the PEIMS Fall Snapshot for 2016-2017, the student population includes; Hispanic 98.60%, White 1.02%, African American 0.10%, other 0.15%, Economically Disadvantaged 88.44%, Limited English Proficient (LEP) 7.6%, At-Risk 59.94%, Migrant 10.45%, Career & Technology 25.5%, Gifted and Talented 6.34%, Special Education 8.27%. The attendance rate for PEIMS 2016-2017 school year was 93%. The annual drop out rate in 2015-2016 school year was 2.6%.

Student Achievement:

The Texas Accountability System rated campuses based on four indexes, Index 1: Student Achievement, Index 2: Student Progress, Index 3: Closing Achievement Gaps, and Index 4: Post-Secondary Readiness. The district target scores for the indexes are 60%, 22%, 28%, and 60%, respectively. Based on the rating released by TEA in August 2017, Raymondville ISD exceeded standard on all indexes. Raymondville Early College High School received a Distinction Designation in Science and Postsecondary Readiness. Pittman Elementary received a Distinction Designation in Reading, Math, Science, Student Progress, Closing Performance Gap and Post Secondary Readiness. RISD will be required to address the System Safeguards for Economic Disadvantaged, Special Education and ELL students in multiple subjects and all students in Writing. The Raymondville ISD graduation rate for Class of 2016 is at 84.0%.

Culture and Climate:

RISD campus themes reflect College and Career Readiness expectations set for the academic school year. RISD continues building on improving discipline management through the implementation of Positive Behavior Interventions and Supports (PBIS). The district police department ensures that student and staff safety are a priority and are visible at all campuses throughout the school day. This school year the Police Chief, 3 police officers, 3 security officers and 1 truant officer are available to the district campuses. Guidance and counseling services focus on bullying, conflict resolution, dating resolution, gang awareness, and drug/alcohol awareness. Restorative discipline is being implemented at Myra Green Middle School. Each campus has a nurse on staff to address health issues of students. All campuses will work on improving attendance

through the use of varied incentives.

Professional Development:

RISD has committed to focusing its efforts on areas of needs identified through the Comprehensive Needs Assessment and Student Achievement Data. Narrowing the focus of staff development will strengthen the efforts of campus and district administrators in communicating, monitoring and evaluating programs. The focus of staff development provided by the district will include job embedded professional development in identified areas of need. Observation/assessment data indicates a need for training in curriculum implementation, technology integration, formative assessment, differentiated instruction and student engagement. In addition to focusing on targeted areas of need, the district has made a concerted effort to provide instructional coaching in areas of need. The district continues to provide on-site consultants in the area of English Language Arts for all campuses. Instructional coaching continues in the area of Reading, Math, Science and Writing. The district provides online professional development opportunities through the use of TTESS Cube. Early Childhood professional development continues through CLI Engage for PreKindergarten and Region I.

Curriculum,Assessment and Instruction:

RISD uses the TEKS Resource System curriculum program and Spring Board for secondary ELAR. The South Texas Curriculum Project now hosts lessons designed with the TEKS Resource System curriculum program. District and campus administrators will be monitoring the implementation of the TEKS Resource System through classroom observations and the monitoring of professional learning communities. Teachers will be expected to utilize common assessments provided by the TEKS Resource System, TX Bank One item bank, Eduphoria and TAG through Region One. Grades 3,4 and 5 will utilize common assessments created by Forde-Ferrier. 3 week common assessments will be utilized to monitor student progress. In addition to the district curriculum, Footsteps2Brilliance is an online early literacy program for grades Pre-K through 3rd available in the classroom and throughout the community; Odessyware is used by the high school and the alternative campus for credit recovery purposes. Renaissance Learning is used district-wide as a universal screener for mathematics and reading. TPRI/Tejas LEE is used at the elementary campuses for grades K-3 as the universal screener for reading. CLI Engage is used for PK Progress Monitoring. Renaissance Learning includes Accelerated Reader and is used by all campuses; Education Galaxy, web based adaptive technology is being used at both elementary campuses. Odesseyware is the credit recovery online program used by ROAA and RECHS. APEX Learning for English I and English II are online interactive math and reading programs; DMAC is used by all teachers and administrators to disaggregate state assessment data as well as district benchmarks and common assessments. Lead4ward resources are also used by district campuses to disaggregate data. All campuses identified the need to focus on instructional strategies and student engagement. District wide implementation of the Fundamental 5 framework and Foundation Trinity continue this school year. This year the High Quality PK Grant expectations will continue to be used in PK. CLI Engage professional development opportunities for PK teachers and paraprofessionals will be utilized. Raymondville Early College High School has staff that teach dual enrollment courses in Math and English. Raymondville Early College High School in partnership with TAMUK will continue to offer students the opportunity to earn college credit before graduating from high school. Advancement Via Independent

Determination (AVID) is being offered at Myra Green Middle School and at Raymondville Early College High School by preparing students with college and career readiness skills.

Family and Community Involvement:

All campuses host various parent nights on their campuses (Meet the Teacher, Open House, and different academic nights). The district conducts parent conferences and will be using a district parent needs assessment to identify the areas of interest. Communication to parents occurs with web pages, social media, newsletters, phone calls and emails. The district collaborated with community members, parents, staff and students in creating the Vision 2020 Strategic Plan. Vision 2020 activities will be reviewed and implemented. The Pre Kindergarten High Quality Grant Family Engagement Plan will continue to be implemented this coming year. The district will continue to use "Strong Fathers, Strong Families" as part of its community engagement efforts. Campuses are encouraged to provide parent informational meetings throughout the school year.

Organizational Structures and Processes:

RISD is made up of five campuses. L. C. Smith Elementary (PK-5), Pittman Elementary (PK-5), Myra Green Middle School (6-8), Raymondville High School (9-12), and Raymondville Options Academic Academy (9-12). PK 3 is offered at both elementary campuses in order to frontload our early literacy programs. Raymondville ISD is beginning the 4th year of offering full day Pre-K 4 to better address student academic needs. Each campus has a site-based decision making team to advise administration. New teachers are supported at the district level with a 3-day New Teacher Orientation. Each campus provides breakfast in the classroom and all have a 30-minute lunch break. RISD is a Title I district that provides free breakfast and lunch to all students. Both elementary campuses start at 7:30 a.m. and end at 3:30 p.m. The middle school starts school at 7:45 a.m. and ends at 3:50 p.m. The high school starts school at 7:40 a.m. and ends at 4:08 p.m. Raymondville Options Academy starts school at 8:45 a.m. and ends at 4:15 p.m. Raymondville Options Academic Academy offers an Optional Flexible Day Schedule to meet the needs of their students. This year ROAA will serve at risk 8th graders at their campus. Grades PK-2 are self-contained while grades 2 -5 are either team or departmentalized depending on the needs of the students and certifications of staff. Each elementary campus has one assistant principal and one counselor. The elementary campuses have extended their instructional day to include grade and/or department level meetings for staff planning and intervention time for students. The middle school has one assistant principal and two counselors. The high school has two assistant principals, two counselors and a college and career readiness coordinator. Students identified as limited English proficient at the elementary campus are provided services by certified bilingual teachers in either a self-contained or departmentalized setting. Students identified as needing special education supports at all campuses are provided services through Wil-Cam Coop. Each campus houses services for self-contained behavior unit, self-contained basic/life skills unit, resource classes and inclusion. Migrant students at the elementary school are provided services through a pull-out migrant lab utilizing Plato Edmentum, Reading Eggs and Education City for mathematics and reading. Students identified as limited Language proficient at Myra Green Middle School are provided services by an ESL teacher and Sheltered

Instruction. Students identified as limited Language proficient at Raymondville High School and Raymondville Options Academic Academy are provided services through Sheltered Instruction and an ESL teacher. At the secondary level, students identified as needing special education supports are provided services through inclusion and basic/life skills. Migrant students at Myra Green Middle School are provided services through the migrant lab utilizing the Plato Edmentum courseware. Migrant students at Raymondville High School are provided services through Instructional Camps, College First and a migrant lab utilizing Plato Edmentum software.

Technology:

K-12 Raymondville ISD has been integrating technology into instruction through the use of software programs and student laptops, and has seen an increase in the use of both in the past three years. The district has an Instructional Technology Facilitator, Network Administrator and 2 Computer Technicians that oversee technology at five campuses, Wil-Cam and Central Office. The district has provided Pre-K and Kindergarten classrooms with iPads for classroom instructional use. RISD is committed to providing a coordinated effort in the integration of technology at all campuses. Each campus has representatives on the District Instructional Technology Team. At the elementary campuses, flipped classrooms will be identified and implemented. All district classrooms will be outfitted with ceiling mounted projectors. Myra Green Middle School will continue with the Chromebook Implementation. Raymondville High School will provide the following technology application courses: Graphic Design, Computer Maintenance 1, Principles of Information Technology, Networking, Printing and Imaging Technology and Digital Interactive Media. RISD staff will continue to complete the RISD STaR Chart survey to determine areas for staff development. Utilizing the RISD STaR Chart, will allow us to focus on strengthening three of the four key areas: Teaching and Learning (TL), Educator Preparation and Development (EP), Leadership, Administration and Instructional Support (L) to improve the level of technology integration to ensure the best possible teaching and learning for all students. Today's students need technology in order to be active and productive learners in the 21st Century. Teachers must assist students by incorporating technology into their instruction. This will only be possible with support and training by the district and campus technology staff. The district hosted the 3rd annual iTech Day with the focus being technology integration in the classroom.

Priority Problem Statements

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Current and/or prior year(s) campus and/or district improvement plans

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Performance Index Framework Data: Index 1 - Student Achievement
- Performance Index Framework Data: Index 2 - Student Progress
- Performance Index Framework Data: Index 3 - Closing Performance Gaps
- Performance Index Framework Data: Index 4 - Postsecondary Readiness
- System Safeguards and Texas Accountability Intervention System (TAIS) data
- Critical Success Factor(s) data
- Accountability Distinction Designations
- Federal Report Card Data
- PBMAS data
- Community and student engagement rating data
- Annual Measurable Achievement Objectives (AMAO) data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR Released Test Questions
- STAAR ELL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Texas Success Initiative (TSI) data for postsecondary/college-ready graduates data
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- SAT and/or ACT assessment data
- PSAT and/or ASPIRE
- Student Success Initiative (SSI) data for Grades 5 and 8
- Local diagnostic reading assessment data
- Local diagnostic math assessment data

- Local benchmark or common assessments data
- Student failure and/or retention rates

Student Data: Student Groups

- Number of students assigned to each special program, including analysis of academic achievement, race, ethnicity, gender, etc.
- Economically Disadvantaged / Non-economically disadvantaged performance and participation data
- Special education population, including performance, discipline, attendance, and mobility
- Migrant population, including performance, discipline, attendance, and mobility
- At-Risk population, including performance, discipline, attendance, and mobility
- ELL or LEP data, including academic achievement, support and accommodation needs, race, ethnicity, gender, etc.
- Career and Technical Education (CTE) data, including academic achievement, program growth, race, ethnicity, gender, etc.
- Gifted and talented data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records

Employee Data

- Highly qualified staff data
- PDAS and/or T-TESS

Parent/Community Data

- Parent surveys and/or other feedback

Goals
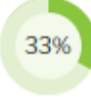

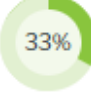

Goal 1: ACADEMIC PROGRAM -Raymondville I.S.D. will implement a well-balanced, challenging and aligned curriculum, instruction and assessment programs that promote learning at high levels and develop our students PK-12 with the necessary skills to become LIFE LONG LEARNERS and productive citizens in the world of today. The students will be encouraged and challenged to meet their educational potential.
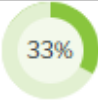

Performance Objective 1: ANNUAL PERFORMANCE OBJECTIVE: 1.1 By the spring of 2018, the district will meet or exceed the state performance standard in the State Accountability System.

System Safeguard Strategies

Goal	Objective	Strategy	Description
1	1	1	Implement a professional development plan that includes on-site professional development that will support identified areas of need for each campus to improve student achievement. Forde-Ferrier-Classroom modeling, strategies; Writing, Reading, & Science, Region I instructional coaching, 21 days to Small Group Instruction TTESS Cube Vision 2020
1	1	3	Utilize the TEKS Resource System and South Texas Curriculum Project in all core content areas to ensure alignment in curriculum, instruction and assessment utilizing YAGs, IFDs, VADs, assessment generator, Eduphoria, and TX ONE Item Bank.(Curriculum Maps) Implement 3 week common assessments in the core areas to monitor student achievement. Forde-Ferrier mini assessments.
1	1	5	Implement district/campus data meetings that will utilize DMAC, TAPR, AYP, TANGO, CLI Engage, RenLearn, Lead4ward and PBMAS data reports.
1	1	6	Implement Balanced Literacy framework that will build elementary and secondary students' reading/writing abilities.
1	1	7	Improve achievement in elementary and secondary math through TRS, professional development, instructional coaching, software programs and use of manipulatives.
1	1	8	Implement Writing Workshop in all elementary and secondary classrooms.
1	1	9	Improve achievement in elementary and middle school science through the use of TRS, Region I and Forde-Ferrier instructional coaching, professional development and STEMscopes.
1	1	12	Provide intensive programs of instruction and accelerated instruction for students that do not perform satisfactorily on state assessments and in K-2 reading assessments.
1	1	16	Improve achievement in middle school social studies through the use of TRS, instructional coaching and professional development.
1	1	18	Implement and monitor AVID at secondary campuses. School wide implementation of WICOR strategies. Vision 2020
1	2	1	Utilize the assessment flowchart in the Decision-Making Manual for the Texas Assessment Program to ensure appropriate assessment recommendations.
1	3	5	Performance measures for CTE students will meet the statewide target in reading/language arts to improve CTE student performance.
1	4	1	Implement a professional development plan that addresses the needs of ELLs as identified by STAAR/EOC and TELPAS results.(See Professional Development Plan) Instructional Coaching PBMAS Goal #2
1	4	5	Ensure implementation of Bilingual/ ESL strategies in the core subjects through the use of the Sheltered Instruction model at elementary/secondary campuses. Vision 2020 PBMAS Goal 1

Goal	Objective	Strategy	Description
1	4	6	Bilingual/ESL teachers, counselors and campus administrators will meet on a 3 week basis to ensure there is academic progress for ELL students. PBMAS Goal 1

PBMAS Intervention Strategies

Goal	Objective	Strategy	Description
1	4	4	Increase percentage of students yearly making progress in learning English by providing targeted interventions and supplemental software. PBMAS Goal 1 and Goal 2
1	4	5	Ensure implementation of Bilingual/ ESL strategies in the core subjects through the use of the Sheltered Instruction model at elementary/secondary campuses. Vision 2020 PBMAS Goal 1

Title I Components

Schoolwide Program Plan

Ten Schoolwide Components

1: Comprehensive Needs Assessment

2: Schoolwide Reform Strategies

3: Instruction by highly qualified professional teachers

4: High-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, student services personnel, parents, and other staff

5: Strategies to attract highly qualified teachers

6: Strategies to increase parental involvement

7: Plans for assisting preschool children in the transition from early childhood programs to elementary school programs

8: Measures to include teachers in the decisions regarding the use of academic assessments in order to improve the achievement of individual students and the overall instructional program

9: Activities to ensure effective timely assistance for students who experience difficulty mastering the proficient or advanced levels of academic achievement standards

10: Coordination and integration of federal, state and local services and programs
